Sir,

Subject:- Typewriter - Government Hospital, Tellicherry -
surrendered typewriter - return of - sanction - requested.

In accordance with the orders of the Government, issued in their memorandum No. 43072-A.B/43-1-Edn. dated 22nd December 1943, the only typewriter in the Government Hospital, Tellicherry, was surrendered to the Superintendent of Stationery, Madras, at the risk of some inconvenience to the Hospital in order to meet the demands of new offices created in connection with the recent War. The District Medical Officer, Malabar, has since requested for the return of the surrendered typewriter, as it is found absolutely necessary to cope up with the increased correspondence in the Government Hospital, Tellicherry, as

It is also stated that very often, whenever printed forms ran out of stock, manuscript forms had to be prepared at considerable loss of time for want of a machine, where typed copies could have been taken more profitably.

2. The sanctioned bed strength of the Hospital is 80 and there are 2 clerks employed in it. One of them who is qualified in type-writing, will be in charge of the typewriter when it is returned.

3. A reference in this connection is invited to G.O.No.1s.1726 Ldn. dated 27th October 1945, in which the Government authorised the Superintendent of Stationery, Madras, to return the machines surrendered for similar reasons by the Superintendent, Government General Hospital, Madras and the Director, King Institute, Guindy.

Your obedient servant,

P. R. S. wengadamani

for Surgeon-General with the Govt. of
Madras.
