Dated, 24th Oct, 1946.

Dear Mr. Prakasam Panthulu

This is to introduce Mr. K. B. Narasappa, Law College student, who comes from a backward community, viz, Kuruba. He is the native of Vidapanakal, Gooty Taluk, Ananthapur District. He is a very poor student. With his own exertions and with the help of the generous public, he took his B. A., Degree, through C.D. College, Ananthapur.

For want of Financial assistance, I am afraid he may be compelled to discontinue his present studies. He is the only student, who has come forward so far of his community, which is proverbially backward, both educationally and socially in our C.D. districts.

He is a very intelligent student and richly deserves every help and sympathy and Government support.

All the Harijan students of Law College have been given Scholarships. But, I hear, that few Scholarships which have been allotted for backward classes have not yet been awarded to anybody.

Therefore, I request you to consider this case favourably and bless the bearer with a Scholarship.

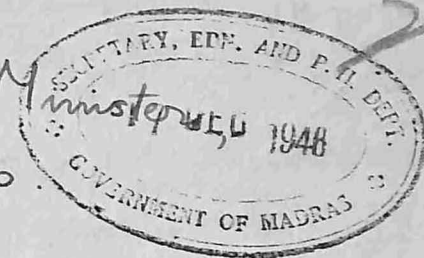

Thank you.

To

The Honourable Prime Minister
Madras

Respected Sir,

I beg to bring the following few lines for your kind consideration and early favourable orders.

I am a very poor boy coming from one of the most backward communities namely Kumbha. I belong to Udapanakal, Anantapur district. With my own exertions and by the help of the philanthropic gentleman, I took my B.A. Degree in Mar'44 through the C.D. college, Anantapur. With great ambition that I would be having a bright future with the Law Degree, I ventured to take up Law this year, though the financial resources are not worth the name at all. With great difficulty I managed to get on these two terms. Now I am on the verge of discontinuing my studies due to the financial set back.

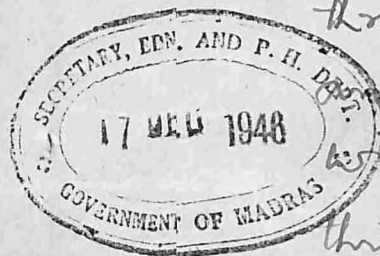

Therefore, Honorable Sir, I request you most humbly to grant me a Scholarship and thus help me to complete my course.

For which act of kindness I will be evergrateful to you.

I beg to remain,
Respected Sir,

Yours most Obedient Servant,
K.B. Narasappa,
Student, Law College

My dear Premier garu,

The bearer Mr. K. B. Narasappa is the student about whom I spoke to you last time I met you. He is in the Law College 18th year and being an extremely poor Backward class boy finds himself difficult to continue his course. Unless therefore some help is rendered by the Government he will have absolutely no other course but to discontinue studies much against his ambitions. I therefore most earnestly appeal to you to endorse on his application with your recommendations for a Scholarship.

Thanking you, yours very sincerely
T. Prakesam garu

Item 72 in Group II
on page 38 of the
under taken by
the Government
Sept

The student, K. B. Narasappa, belongs to the
Kumbha community. This community is included
in group II - castes other than scheduled castes
It is not eligible for the ameliorative measures
in Appendix 17-A to the M. E. R. So the student
can get half fee concessions for his course in
the Law College.

There are a number of Govt scholarships
which are awarded in educational institutions
but they are available only for Arts courses
and not for the Law course.

There is one Govt scholarship of the annual
value of Rs 131, this is awarded in the BL class
on the results of the First Examination in Law
to a Muhammadan or Vigna student who
passes highest in the examination. So this
scholarship also will not be available in
the present case.

The only way by which a scholarship
can be awarded in the present case is by
sanctioning a special scholarship. But this
will be creating a bad precedent. Students
belonging to other backward classes may make
similar requests and it will be difficult
to resist such requests.

The case of the Vigna students referred
to in page 4 of the report is different as they are
not backward classes.

Had. from B. below
it is not objectionable
in principle, but
to give it to
K. B. Narasappa
is not justifiable

~~It is not known whether the Government of Madras has sanctioned the award of scholarships to Harijan students in the law colleges.~~

The statement at 'A' that all the Harijan students in the law colleges have been given scholarships does not appear to be correct because the Government of Madras is not granting scholarships to Harijans for the law course - vide notes on pp 3-4 of G.O. No. 450 Edu. d. 22-3-44. Sec. may, however, see before circulation.

communities for the ^{cause} law courts. A copy of this G.O. is at Flag (B). In the present case the student does not belong to one of the 'eligible' communities although he belongs to an educationally backward community. The student is not eligible for one of the scholarships sanctioned by Development Department. Before the file is recirculated ^{the} Development Department may be requested to put up the original of the G.O. and returned the file to this Department very urgently.
