CL. No. 16/47, Dated the 20th March 1947.

Sir,

Subject:- S.S.L.C. - Conduct of Re-examination -
1947.

I have the honour to request you to sanction the appointment of a Special Officer for a period of two months for conducting the S.S.L.C. Examination this year. As Government are aware there has been a leakage of all the Question-papers and a re-examination has been ordered throughout the Presidency. Even in ordinary circumstances the work of conducting an examination for which over 40,000 candidates appear involves very heavy work and the existing staff can just cope with it when normal conditions prevail. The existing staff cannot, however, cope with this work in the present special circumstances when arrangements have to be made for setting papers, translating and distributing them to the various centres in the Presidency with exceptional speed. The valuation and tabulation work will also have to be speeded up if the results have to be announced without undue delay. It is necessary that an Officer of the status of a Deputy Director of Public Instruction is appointed for this purpose as only then can quick decisions be taken in regard to the various arrangements to be made. The present Secretary is an Officer on probation and will not be able to shoulder the main responsibility for running an examination on such a large scale. I, therefore, recommend that Mr. G.L. Lobo,

C.No. 22464/47. - From the D.P.I. CL.No.16/47 dated 20.3.47.

Secretary's remarks.

" Dy. D.P.I. (Mr. Reddi) discussed this with H.M. (Edn.). I was also present. H.M. agreed with us that the proposal was essential and was suitable, and said it could be accepted.

Please take immediate action.

1/ The proposal is to create a temporary post of Special Officer for a period of two months, ~~in the first instance~~, for conducting the S.S.L.C. Examination this year, ~~in~~ in view of the urgency involved. The proposal may be accepted and ~~the~~ temporary post created in the M.E.S. for the purpose, on a scale of Rs.600-100/2-1000/- i.e. the scale admissible to Dy Directors of Public Instruction.

2/ The Director has stated that the existing staff cannot cope with the work in the present special circumstances when arrangements have to be made for setting papers, translating and distributing them to the various centres in the Presidency with exceptional speed. It seems probable that the D.P.I. ~~will~~ ask for additional staff later on. This may be considered when proposals are received.

2. The Director suggests that Mr.G.L.Lobo, Retd. Dy.D.P.I., may be appointed as the Special Officer in the temporary post. Mr.Lobo attained superannuation on 13.3.47 and was relieved of his duties on that date. Prior to his retirement ~~on average pay for six months~~, he applied for leave preparatory to retirement. This leave was refused by Govt. and he has now applied for permission

to

to avail of the refused leave. This is under consideration separately. appointed

As Mr. Lobo has to be ~~re-appointed~~ as Special Officer, he ~~shall~~

be re-employed for ~~the~~ period of two months. The leave which he is other-

wise eligible for after superannuation may be granted to him with effect

The leave already enjoyed by him will have to be deducted from the leave due and the leave earned from the expiry of the period of re-employment. On the date of retirement, Mr. Lobo drew ~~pay~~ a pay of Rs.1,000/- in the scale of Rs.600-100/2-1000

plus a personal pay of Rs.50 and a duty allowance of Rs.50/- per mensem.

On re-employment as Special Officer, he will not be eligible to draw

the duty allowance, but he may be allowed to draw his pay of Rs.1,000/-,

without the personal pay, as the post to be created is on the scale

of the post of ~~Director~~ Dy. Director, the maximum of which is only Rs.1,000/-.

The draft below is for approval. Public (Service) and Finance

may see before circulation.

Handwritten notes: Request to treat this as a special case. The leave should be treated as a special case. The leave should be treated as a special case.

Handwritten notes: 1000 + 175 = 1175 235 0/12 m 16

The draft order may be accepted subject to the following remarks.

It is not clear whether E.P.H. consider that cost of living allowance (dearness allowance) also should not be allowed to Mr. Lobo. It seems that if this is to be allowed the point must be made clear in the draft. The extent of the cost of living allowance will be

Rs. 2350 in 2 months.

Handwritten notes: 1750 1/2 m 16 21.3.47

Handwritten notes: 20.3.47

Please see the notes of Public (Sv.) and Finance Dept. above. Mr. Lobo should be allowed cost of living (war) allowance admissible. The draft has been suitably added to. The case may now be considered. Please see the letter since received from Mr. D. P. P. at pp-3-5 cf. As already stated at B' on p. 2 above. Mr. Lobo need not be given the duty allowance of Rs. 50 pm and the personal pay of Rs. 50 pm drawn by him prior to this does not seem also eligible for the Home allowance during reemployment of an Special Officer through the scale of Rs. 50 pm may be the same as that of a Dy. Dir. of Public Instruction. A sentence has been added to the draft regarding the exercise of the powers of the Commr. for Govt. Exams. by the S.O. The draft as revised may issue.

Handwritten notes: This addition does not seem necessary. Para 1 of the draft will serve the purpose.

Handwritten notes: 20.3.47. This is a special case. The leave should be treated as a special case. The leave should be treated as a special case.
