Sir,

Sub:- Indices of the Records in the Registrar's
 Office- Printing of.

In G.O.No.471 Finance dated 19-5-1920 Government delegated to me the power to print at the Government Press in English or in any of the vernaculars all matters other than standardized forms. Under this G.O. the Indices of the records of this office were printed in 1937. The indices for the years 1934- to 1938 were prepared and sent to the Superintendent, Government Press, with the revised indices of records of my office for the years 1918 to 1933 in my letter Re.No.11935/46 dated 31-7-1946 with a request to put them in print and send proof copies. The Superintendent, Government Press, has now stated that the sanction accorded in G.O.No.471 Finance dated 19-5-20 represents the printing of ordinary works and that the printing of record indices under reference is classified as works of unusual character and requires specific sanction of Government, for

undertaking the work according to para 7 of the Printing Manual. He has also requested me to obtain general sanction for inclusion of this item in Appendix B of the Printing Manual and communicate a copy of it for further action.

I, therefore, request that the Government may be pleased to accord general sanction for inclusion of this item in Appendix B of the Printing Manual.
