sir,

Sub: Buildings - Loyola College, Madras - Advance payment of
building grant.

PP 11-12 of (S)

I have the honour to state that in Memo. No. 50619-B/45-8. Edn., dated 1--2--46 Government provided in 1946-47 a sum of Rupees two lakhs for payment of grant towards the Chemistry Laboratory buildings of the Loyola College, Madras. According to the Grant-in-Aid Code the grant can be paid only after the scheme is completed and completion certificate received and the building is mortgaged to Government after examining the title deed of the property. Though the management of the College promised at first to finish the work and submit all papers in time it could not do so. As the building would not be completed in this year the amount sanctioned for 1946-47 was surrendered by me in my final revised estimates submitted to Government.

2. The Principal of the College has now submitted a partial completion certificate stating that he has spent about Rs. 3,00,000/- on the scheme and has requested me to sanction half of this amount as advance grant. He requests that the amount may be made available

available to him before 31st March 1947, as he is in urgent need for funds. In the circumstance I request you to be good enough to comply with his request as it is obviously difficult for a private management to undertake such a large expenditure without financial assistance. The scheme is a Post-War Reconstruction Scheme and if the amount has to be paid now the surrendered amount will have to be re-allotted.

I have the honour to be,
sir,
Your most obedient servant,

S R Saron.

Director of Public Instruction, Madras.

College - Loyola - Madras - Chemistry Laboratory - Building Grant.

PPI-2 of

C.No. 2367/ 47. - From the D.P.I., dated 24.3.1947.

Please see the letter from the D.P.I. on p.1 c.f. On the basis of an estimated expenditure of Rs.4 lakhs, a grant of Rs.2 lakhs towards the Chemistry Laboratory buildings of the Loyola College was sanctioned by the Govt. and a sum of Rs. 2 lakhs was accordingly provided in the current year's budget. As the D.P.I. reported that the amount ~~was~~ be resumed since the expenditure was not likely to be incurred during the current year, ~~no more~~ ^{an} ~~estimation~~ ^{amount} for the surrender has already been sent to the Finance Deptt.

The D.P.I. now reports that the Loyola College authorities have incurred already ^{about Rs} 3 lakhs, though the work could not be completed this year. He recommends that as the authorities are in urgent need of funds, a half-grant of the expenditure reported may be sanctioned. In the circumstances, this department may support the proposal of the D.P.I. for the payment of the half-grant, ~~Rs.1.5~~ Rs. 1.5 lakhs during the current year. If Finance agree, this amount may be deducted from the savings already reported for surrender.
