Sir,

Sub: Opening of a hostel attached to the Government
 Training School for Masters, Coimbatore -
 Proposals submitted.

39583

I have the honour to request (that) Government to
 sanction the opening of a Hostel in the Government Training
 School for Masters, Coimbatore, with effect from the school
 year 1946-47.

Coimbatore is a costly place and it has become
 increasingly difficult to secure boarding and lodging
 facilities in private hotels or elsewhere. This has been
 the chief difficulty facing these desirous of getting himself

trained. If boarding and lodging facilities are provided a larger number of students would seek admission into the training school. In these days when teachers are required in large numbers and when the pupils are not coming forward in sufficient numbers for training, provision of hostel facilities will be an attraction for the pupils to join the Training school. Necessary accommodation is reported to be available in the premises of the training school.

2 see para 3 on p 56 infra.

The expenditure involved in the proposal will be as follows:-

- (i) Non-recurring - Purchase of Utensils etc. .. Rs. 1000/-
- (ii) Recurring - Allowance for Dy. Warden Rs. 15 x 12. Rs. 180/-

The expenditure can be met from the provision in the Budget Estimate for the current year under 'Training Schools for Masters excluding Post-War Reconstruction'.

Sir,

Sub: Govt. Trg. school for Masters, Coimbatore - Opening of a hostel

Ref: Govt. T.M., dated 30-11-1946.

According to G.O.No. 124 Edn., dated 31-1-1944 rent should be collected from men students of the Secondary grade training class -- residing in hostels accommodated in rented buildings. The Divisional Inspector of schools, Coimbatore reports that a sum of Rs 25/- may be realised by ~~that~~ way of rent from the Secondary grade students. Considering prevailing economic condition and the need to encourage persons proposing to enter the teaching profession I recommend that no rent need be collected from the pupil teachers residing in hostels accommodated in rented buildings.

No rent is levied from women students ^{of} ~~and~~ secondary and elementary grades and men students of elementary grades residing in hostels attached to Government training institutions // Rent ^{was} ~~is~~ collected from men students of secondary grade residing in hostels. The rent collected ranges from Annas 4 to As.12 per student with reference to local conditions. In G.O. No. 1743 Education, dated 17-9-40, the Government directed that where the hostels were in Government buildings, no rent should be levied only from these students, the secy. grade men students also

The reason for this was that the rent collected from the students was much less than the property tax payable for the buildings and that if no rent was collected the building would be exempt from the payment of ~~tax~~ the tax.

^{at present}
Thus rent is being levied only from secondary grade men students

residing in hostels accommodated in rented buildings. The question

of whether this class of students also should be exempted from the payment of rent considered in 1943 at the instance of the D.P.I. and the proposal was negated

If exemption is granted from levy of rent in the particular case it may be necessary to grant ~~smaller~~ exemptions in other cases also.

It is not clear whether the H.M.'s intention is that a general order should be issued or ~~any~~ order with reference to the present case.

Finance may see before the file is re-circulated.

(Previous Finance note on p 2 above)

The minute of H.M. (Edn) on p 3 above and the further note of E.P.H. on pp 3-4 above may be perused.

In the circumstances explained by E.P.H. it does not seem desirable to exempt ~~most~~ ^{particular} the students of the Govt. Training School, Coimbatore, dealt with here, or all students,

^{in general} residing in hostels accommodated in rented buildings, from payment of rent. The rent that is to be collected is small and the students may not find it difficult to pay. Finance may therefore advise that the appropriate rent should be collected from the students. If this view is not accepted,

E.P.H. may be requested to circulate the case to H.P.M. also.
 5/3/47

Since the Government pay rent for the hostel buildings occupied by the Secondary grade students, it

it is but reasonable that rent should be recovered from the students in turn. After all each student is asked to pay only a petty amount ranging from 4 annas to 12 annas ^{per annum} and it cannot be said that it would cause any undue strain on the students to pay this small amount. If no hostel accommodation ^{is} ~~was~~ provided for them by the Government, they ^{may have to} incur a ~~pretty large~~ ^{expenditure} amount to secure a lodging elsewhere.

This question was raised and fully considered in 1943 and was negated. No fresh grounds have now been adduced to merit a reconsideration. If a concession is ^{now} ~~made~~ in the case of ^{alone} Government Training School, Coimbatore, it may have to be necessarily extended to all such cases in the Presidency. If the amount of stipend given by the Government is not sufficient, it is a different matter and a separate case should be made out for increasing the rate of stipend and it cannot be made a ground for exempting the students from payment of rent for hostel accommodation provided for them by the Government. In the circumstances, this Department may advise against the proposal. E.P.H. may take orders in circulation including H.P.M.

minute on page 3 ante and the notes following ~~may be perused~~ ^{may be perused} for orders as to circulation. ^(H.P.M. need see only if proposed is to be perused)

I agree with the Department that no exemption from rent need be granted in the present case as it will lead to similar applications. After all the amount is small and may be easily be paid by the students themselves.
