R.C.No. 11418 K.3/46.

Madras, 5th March 1947.

From

Dr. S.R.U. Savor, M.A., D.Sc., I.E.S.,
Director of Public Instruction, Madras.

To

The Secretary to Government,
Education and Public Health Dept.

Sir,

Sub: SCHOOLS - Government Secondary and Training school for women, Vellore - Domestic science block - use by the Missionary medical College, Vellore - Permission requested

I have the honour to submit herewith a copy of the letter dated 17-12-1946 from the Dean of the school of Nursing, Missionary Medical College, Vellore and to state that in the circumstances explained therein I have permitted the use of the Domestic Science block of the Govt. Secondary and Training School for women, Vellore subject to the following conditions. I request that Government may be pleased to approve my action.

- (1) The domestic science block should be used only once a week when the block is not required by the school.
- (2) Breakages if any should be made good
- (3) Charges for the use of the school articles and premises will have to be paid at the rate fixed by Government.

2. It is reported that besides the premises the missionary medical college will be using 6 ovens, 6 plates, 6 bowls and 6 spoons belonging to the school. The college authorities will bring all the raw materials required for the purpose. I therefore recommend that a sum of Rs 2/- per week may be collected from the college for the use of the premises and articles.

R. S. Vannambal

For Director of Public Instruction.

P.R.K. 6/3/47

Copy of letter dated 17-12-1946 from the Dean of the School of Nursing, Missionary Medical College, Vellore, N. Arcot to the Director of Public Instruction, Madras.

In connection with our B.Sc Course in Nursing we have to give twelve laboratory periods in Cookery. Because of war conditions we have not been able to get all the classroom facilities needed and are having to make some temporary arrangements this year and next. The lessons in cookery have to begin in January and run through three months, probably one period of two hours each week. I approached the Principal of the Govt. Girls' High school here in Vellore for the use of their cookery room for this next term. She thought that it would be quite possible to fit this period into the schedule but said that permission for this would have to be granted by you. If it is possible for you to grant this permission and help us out in this way we would appreciate it very much. Could you let me have an answer as soon as possible as I shall have to make other arrangements if this permission cannot be given. Thank you.

The draft order on pp 1-2 and may be sent to PWD and Finance for acceptance.

The charge of Rs 2 per week has been recommended by the D.P.G. presumably taking into account the prevailing rates in the locality and also after allowing a concession, as the object is to help the running of an educational institution. The rate is acceptable.
