Sir,

SUB: College -- Queen Marys College, Mylapore - Employment of a Gurkah watchman.

12/21

The Queen Mary's College, Mylapore has now four night watchmen and one day watchman. The Principal reports that they are all local men unaccustomed to perform the duties of watchmen and are not efficient in their work. She, therefore, recommends the employment of a Gurkah watchman as it would strengthen the morale of the local men. In September last the Principal appointed as a tentative measure one Gurkah in place of a local night-watchman, on Rs.35/- a month (pay Rs.19 plus Dearness allowance Rs.16/-) and found that with his presence, the morale of the local men had improved. The Gurkah watchman, however, left service on 1-11-1946 and the Principal has deferred the employment of another Gurkah until her proposal is approved.

2. I agree with the Principal that a Gurkah watchman is necessary for the College but he has to be paid not more than a local man. It is reported that a Gurkah demands not less than Rs.35/- a month with free Quarters or Rs.45/- a month without quarters. It is possible to allot a room for the watchman in the College compound and the Executive Engineer, South Presidency Division, while approving such allotment, has suggested that a nominal rent of Re.1/- a month may be charged. Rent will be collected accordingly. The wages of the Gurkah proposed to be appointed will be fixed at Rs.36/- a month (Pay Rs.20 and D.A. Rs.16/-).

3. Under item 37(i) of Appendix 7, Madras Financial Code, Volume II, I have no powers to sanction the employment of an unskilled menial on a pay exceeding Rs.15/- a month. I therefore request that in the circumstances stated above, the Government may kindly sanction the employment of a Gurkah watchman in the Queen Mary's College, on a pay of Rs.20/- a month besides the usual dearness allowance.

I request further that the Government may be pleased to approve the action of the Principal in having employed a Gurkah watchman on Rs.35/- P.M. from 1-9-46 to 31-10-1946.
