Resubmitted.

There is no restriction in the Grant-in-Aid Code to the admission of applications for aid in respect of equipment from newly opened institutions. In fact it has been the practice to admit applications for aid from such institutions if they are received in time duly recommended by the inspecting officers and contain full and complete particulars to help the scrutiny of the indent, provided I am satisfied that the new schools will continue to enjoy recognition for atleast 5 years from the date of sanction of the grant as required by Rule 60 of the Grant-in-aid Code.

These apart a newly opened institution has yet another condition to satisfy as regards the need or the necessity for seeking Government aid even on its very inception. It is thus seen all applications from newly started institutions are placed on the approved list with reference to merit which they bear.

Of the applications received from such schools the following have been admitted and placed on the approved list for 1947-48 for which provision will be made in the Budget Estimate for 1947-48.

1. Madras M.L. Girls high school.
2. Vandalur Little Flower girls' school.
3. Karkala S.V.T. Girls' high school.

Applications received from the following new schools have been sent to the Teachers' College, Saldast for scrutiny and they will be considered for admission after receipt of the remarks of the Principal.

1. Kilakarai Manedia High school.
2. Bajjee St. Joseph's High school.
3. Golden Rock S.I. M.L. Secondary school.

Applications from the following new schools have been deferred for not satisfying the conditions mentioned above.

1. Mangalagiri G.I. High school.
2. Manaranipet St. Antony's secondary school.
3. Pardala Navejeevan High School.
4. Gudavalli Munaswami Naidu school.

The applications of Cheadry High School, Kovur and Chittoor B.Z. Middle school are under correspondence.
