Sergeant - Further continuance.

Ref:- G.O.No.332 Edn., dated 7-3-1945. (T)

The sanction accorded in the G.O. referred to above for the employment of a Sergeant in the Lady Willingdon Training College, Madras, will expire on 1-4-1947 and the Principal has applied for the permanent retention of the post in view of the necessity for the post of a Sergeant in the college. As the post has been in existence only for a period of 4 years, I request that Government may kindly sanction the continuance of the post for a further period of one year from 1-4-1947.

2. In this connection the Principal of the College has raised the question of qualifications for the post. In G.O.No.1713,Edn., dated 30-11-1942, it was ordered that the candidate for the post of Sergeant should be at least a S.S.L.C. holder who has successfully undergone a course of training by the Agri-Horticultural Society and that if a candidate with this qualification was not available only the lower scale of pay prescribed viz. Rs.28-3/2-37 should be paid. The Principal states that it has not been possible to get one with the qualifications laid down by Government and that the Sergeants so far employed in the college had not the minimum general educational qualifications though they had the qualifications of the Agri-Horticultural Society. The Principal considers that for the efficient discharge of the duties, the possession of the minimum general Educational qualifications and ability to control menials with experience in gardening is sufficient and that such a person should be paid higher scale of pay viz. Rs.45-5/2-70 as the lower scale is too meagre for the responsible work entrusted to the person. I support the suggestion of the Principal and request that Government may be pleased to relax the qualifications laid down, in the manner specified above.

I have the honour to be,
Sir,
Your most obedient servant,

6. No: 17647. From the D.P.I. No: 215 K2/47 D. 27. 1. 47.

Lady Willingdon Training College, Madras-Post of Sergeant-Continuance.

In G.O.No. 1713 Education dated 30-11-1942, the Government sanctioned the employment of a Sergeant in the scale of pay of Rs. 45-5/2-70 in the Lady Willingdon Training College, Madras, for a period of 2 years with effect from 1st April 1943. It was stated in the G.O. that ^{the} candidate to be appointed to the post should be atleast an S.S.L.C. holder who had successfully undergone a course of training conducted by the Agri-Horticultural Society and that if a candidate with ~~the~~ ^{the} qualifications was not available only the lower scale of pay prescribed for Sergeants in Government Colleges namely Rs 28-3/2-37 should be paid. The sanction for the continuance of the post for another period of 2 years was granted in G.O.No. 332 Education dated 7-3-1945.

The Director of Public Instruction now proposes (1) that the post may be continued for another year from 1-4-47 and (2) that the qualification for the post may be the possession of a S.S.L.C. with experience ⁱⁿ ~~for~~ gardening and ability to control ~~of~~ menials. He also proposes that a candidate with this lower qualification may be paid the higher scale of pay namely ^{Rs} 45-5/2-70.

The proposal to continue the post for another year may be accepted.

The Sergeants employed in Government Colleges are of two grades and ^{the new} ~~revised~~ scales of pay are Rs 50-3-80 for grade I and Rs 35-3-~~70~~ for grade II. The qualifications laid down in the service rules for both grades ^{are} " preference shall be given to ex-sepoys or demobilized sepoys who can speak, read and write English with a knowledge of the local language." The reasons for laying down higher qualifications for the post of ~~the~~ Sergeant in the lady Willingdon Training College will be found explained in the letter of the Principal on page 7 of G.O.No. 1713 Education dated 30-11-42. Please see also the note of the Deputy Secretary, Finance, on page 12 of the G.O. Since the D.P.I. reports that a candidate with the qualifications already fixed is not available ~~and~~ and as the qualifications laid down in the service rules

for Sergeants are only those stated above, it seems that proposal of the D.P.I. to give the higher scale of pay for the Sergeant with the qualifications now proposed may be accepted.

The file may be sent to Finance U.O. for remarks.
