Sir,

Subject:--Compulsory..Elementary Education--Temporary
establishment in the office of the Nellore
District Board--Continuance of-after 31-3-1947
sanction requested.

In memorandum No.51957-B-2/46-3 dated 16-1-1947
Education and Public Health Department, Government were
pleased to accord sanction for the continuance of the special
clerical staff employed in the District Board Offices for the
work relating to Compulsory Elementary Education Scheme till
31-3-1947. During 1945-46 compulsion was first introduced
in this District, in 17 centres and during 1946-1947 it has
been extended to 29 centres more, and the scheme is likely to
continue almost on a permanent basis with further additions
next year. It is difficult and to get on with the work with-
out the Special Staff. It is therefore requested that the
Government may be pleased to accord sanction for the continuan-
ce of the ~~special~~ staff after 31-3-1947 in this office on a
permanent basis.

The resolution of the Board on the subject will be sent
shortly. Provision has been made in the Budget for the con-
tinuance of the Special Staff.

Sir,

Sub:-Education--Elementary--Tinnevelly District Board--Clerical staff connected with compulsory education and supply of midday meals--Permanent sanction--requested.

Ref:- Government Memo No.51957-B-2/46-3 dated 16-1-47.

In their memorandum quoted above, the Government were pleased to sanction the retention of the staff viz., one upper division clerk and one lower division clerk, for work connected with the scheme of compulsory education and supply of meals till 31-3-47.

The scheme of compulsory education is in force in 27 centres in this district board. Feeding has already been started in all the 9 - centres of 1945-46 and in 5 more centres out of 18 centres of 46-47. - Committees have been formed for all the remaining 13 centres and feeding in these centres is also to be started shortly before the close of the - current official year. Besides, feeding has also been introduced in all the 10 marava schools opened in this district.

The work connected with the introduction of compulsory education and midday meals in the elementary education section has therefore considerably increased. Action has also to be taken for the enforcement of compulsion in the centres under Section 51 (1) of the Elementary Education Act. It may therefore not be possible to continue the work efficiently without the additional staff in the office already sanctioned.

I therefore request that Government may be pleased to sanction the continuance of the staff viz., one Upper division clerk and one lower division clerk on a permanent basis from 1-4-47. The staff is being allowed to continue in anticipation of sanction of Government.

Sir,

Sub:- Education - Elementary - Compulsion - Temporary
Staff-further continuance from 1-4-1947 - orders-
Requested.

Ref:-G.O.No.Ms.1347., dtd., dated 4-9-45 and Government
memo.No.51957-B2-46.3., dated 16-1-47.

I have to state that the sanction accorded for the con-
tinuance of the temporary staff of one upper division clerk,
one lower division clerk and one attendant in connection with
the compulsory scheme, in Government memo.No.51957-B2/46-3.,
dated 16-1-1947 expires by 31-3-1947. Compulsion has been
introduced in this district in 14 centres during 1945-46 and
in 30 centres during 1946-47. Consequent on the increase of
work in the elementary education section due to the introduc-
tion of the compulsion scheme, government were addressed in this
office letter Re.No.4639-D7/46 dated 5-9-46 to accord sanction
for the entertainment of the special staff on a permanent basis
and they were reminded twice by wire on 23-12-46 and 7-2-47,
but no reply has been received.

If this special staff is discontinued from 1-4-1947, it
will be impossible to get through the correspondence, etc., re-
lating to compulsory education with the ordinary permanent staff
of the elementary Education section. I shall therefore continue
the temporary staff from 1-4-1947 in anticipation of sanction
of Government in order to cope with the additional work.

p.t.o.

I request you therefore to kindly obtain the sanction of the Government for the continuance of the temporary staff from 1-4-1947 till sanction for the entertainment of permanent staff as already sought for is accorded, and communicate the orders to me at your earliest convenience.

Sir,

Sub: EDUCATION - Compulsory - Elementary schools - District Board North Arcot - Special clerical staff - for work connected with compulsion - Sanction - Solicited.
 ...OoO...

Compulsion has been introduced in 1945-46 in eight big urban centres mostly taluk headquarters and in 29 other urban and rural areas so far. From the experience gained in 1946-47, it has been found that it is very difficult to secure efficiency in the disposal of correspondences arising out of introduction of compulsory education, as the number of correspondence increased by leaps and bounds and the existing staff is not able to cope with it.

Correspondences arising from the frequent visits and inspection reviews of the educational authorities, rectification of defects in the matter of staff, equipment, building and provision of play grounds to schools, preparation and service of notices against defaulters, action against defaulters etc., require to be attended to promptly. Supply of books and slates, furniture and other equipment etc., also have to be attended to promptly. Grants due are to be adjusted then and there.

The only Upper Division Clerk sanctioned for this District Board by the Government in their order No. 32085-A.7.Edn. dated 27-10-1945 for the work connected with midday meals has been ordered to work only till 31-3-1947 in Government memorandum No. 51957-B-2-46-3 dated 16-1-47. The Government have now ordered that the midday meals will have to be stopped from 1-4-1947. So the Midday meals work will be over by that time. But in view of the facts mentioned above an Upper Division clerk is absolutely necessary for looking after compulsory education work, even if the midday meals is stopped.

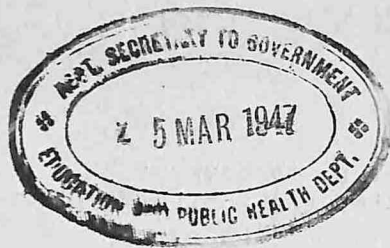

Provision for the post of one Upper Division clerk has been made in the budget estimate for 1947-48. The work connected with compulsion is really heavy and the posting of one Upper Division Clerk separately for work connected with compulsion is an absolute necessity apart from the regular strength as prescribed in the Government orders on the subject.

In the circumstances stated it is requested that the Government may be pleased to sanction one Upper Division clerk in order to cope up with the additional work connected with compulsion. The clerk now working may be permitted to be continued.

Sir,

Education - Elementary ^{at} Compulsory - Malabar
 District Board - Temporary establishment -
 Continuance for one year - Sanction- Applied for.

25322 (5) Under sanction accorded in G.O.No.77 Edn., dated
 9th January, 1946, this District Board has been
 employing the following temporary staff in its office
 for the work connected with the scheme of compulsory
 elementary education and supply of mid-day meals to
 school children:-

One Upper Division clerk

One Typist

One Attender

The retention of the above staff up to 31st March 1947
 was sanctioned in Government Memorandum No.5195]-B2/46-3
 Edn., dated 16th January, 1947. Government have since
 ordered the discontinuance of the scheme of mid-day
 meals with effect from 1st April 1947- Vide G.O.No.386
 Edn. & Public Health dated 3rd March, 1947. Although
 the mid-day meal scheme will be discontinued from
 1-4-47, it will take some time more to wind up the
 scheme and to close the accounts connected with it.
 Over Rs.20,000 has been advanced to the Chairmen of
 different Mid-day Meal Committees numbering about
 138 and their accounts will have to be closed and audit-
 ted. Further, the Mid-day Meal Scheme is only a part
 of the Compulsory Education Scheme for which the
 temporary staff was sanctioned. The main work in
 connection with the introduction of compulsory

(2) 10
compulsory education such as the opening of schools, provision of additional accommodation, furniture, apparatus etc., the enforcement of the penal provisions in Section 51 of the Elementary Education Act still remains and this will involve a lot of work.

The area for enforcing compulsion is also being extended. In this connection I invite the attention of Government to para 2 of my letter No.E.7.12222/46 dated 17-10-46 wherein I had requested for sanction to employ two more clerks for work connected with the enforcement of the penal provisions. No orders have been received on it.

2. In the circumstances, I request that Government may be pleased to allow the retention of the temporary staff for a further period of one year from 1st April 1947.

In their memorandum No.15125-B2/47 dated 12-3-47, the Government have sanctioned the employment of an additional clerk for the elementary education section of this office for the work connected with the scheme of compulsory elementary education temporarily upto 31-3-47.

The continuance of this clerk is absolutely necessary in view of the heavy increase of work in the elementary education section connected with the introduction of compulsory education in additional new centres.

Necessary provision has been made in the budget for the employment of the clerk on a permanent basis. A copy of the resolution of the Board sanctioning the employment of this clerk on a permanent basis from the date of entertainment will be forwarded to Government soon.

I request therefore the Government may be pleased to sanction the continuance of this additional clerk on a permanent basis from 1-4-47. I am in anticipation of sanction, allowing the clerk to continue and I request that my action may kindly be approved.

...000...

In this office letter cited above the Government in the Education and Public Health Department were requested through the Director of Public Instruction to sanction the continuance of the post of Upper Division Clerk sanctioned in their order No. 32035-47-Education, dated 27-10-1945 for work connected with midday meals, as the post was abolished with effect from 1-4-1947 owing to the orders of the Government winding up the scheme of supply of midday meals. The Government in their order Ms. No. 647, Education, dated 1-4-1947, have since permitted the continuance of the special staff sanctioned in connection with the scheme of compulsion till 30-9-1947. As far as this District Board is concerned the post of the upper division clerk was sanctioned in the order referred to above for work connected with compulsory education and midday meals, instead of mentioning it as sanctioned for the work connected with compulsory Elementary Education and midday meals, though in this office letter Roc. 24734-44 dated 4-9-1945 sanction for the above post was solicited for work connected with midday meals as well as compulsion. It is, therefore, requested that the above orders permitting the continuance of the special staff till 30-9-1947 are also made applicable to this Board to continue the staff sanctioned with for the midday meals, for the scheme of compulsory education. As has been represented already, in this office letter dated 19-3-1947, though the scheme of supply of midday meals has been given, up the working of the scheme of compulsion alone involves heavy work on the normal staff employed as per the recent revision of scale in the strength of the staff under the Elementary Education Section. The enrolment of all children of school age, the enforcement of their proper attendance and of the penal provisions of the act for failure to observe the rule the appointment of additional teachers after examining the needs of each centre provision of additional accommodation either rented or own, purchase and supply of equipment and the maintenance of accounts for the grant drawn and spent are some of the items of work that have to be attended to separately and this requires a separate clerk apart from the sanctioned scale of strength.

2. In 37 centres compulsion has been introduced in this District and Orders of Government have also been received for extending the scheme in 47-48 so as to bring 3400 children of school age under compulsion. The work is steadily on the increase and for the last one month this is being attended to by the regular staff much to the detriment of their normal and routine work and lest the Audit Department should raise any objection to the post of upper division clerk was not continued pending final orders of the Government.

Subj: Compulsory elementary education - clerical staff in District Board's offices - Continuance of

In connection with the introduction of Compulsory Elementary education in 1945-46 the Government sanctioned clerical staff for spade work connected with the scheme for a period of three months in the first instance. The work for which the staff was sanctioned could not be finished within the period and sanction was accorded for the continuance of the staff till the end of March 1946. The scheme of comp. elementary education was extended to a few more villages in each district ^{in 1945-46}. The Dist Boards were therefore permitted to continue the staff for this year also. The present sanction expires by 31.3.47.

2. Certain District Boards have addressed Govt for sanction for the further continuance of the staff in 1947-48 also. The clerical staff has been continued on a temporary basis as ^{it is need for the staff} its ~~retention~~ was connected intimately with the scheme of attendance officers proposed by the D.P.I. It has been separately decided that the scheme of attendance officers need not be introduced in all districts but ^{or} a beginning be made in four districts. The D.P.I. has been asked to submit proposals in the matter. In the circumstances it is for consideration whether the sanction for the continuance of the clerical staff may be accorded for a further period of six months till October 1947. The sanction will be given as and when each Dist Board applies for it. Some of the district Boards which have not employed any clerical staff so far for work relating to compulsion may also apply for fresh sanction (just as Salem Dist Board). In these cases the staff to be sanctioned will be limited to the scale already fixed viz: ^{class} one/upper (division class), one typist or lower division clerk & one attender or peon, the period of sanction being six months till Oct.
