Please see the Legislative Assembly Question No.488 on p.1 c.f. In G.O.No.1608 Education dated the 19th August 1946, the Government have approved the proposals of the Director of Public Instruction for the reconstitution of the S.S.L.C. Board. The Board to be newly constituted will be styled as the Board of Secondary Education and the functions of the Board ^{will be} ~~shall~~ to advise the Director of Public Instruction on matters referred to it in connection with secondary education (that is, questions of general importance connected with the Educational Rules, recognition of schools, ~~the~~ grants-in-aid, service conditions of teachers, inspection of schools, etc) and also to conduct all the public examinations at the end of the High School course. The Board ^{will} ~~shall~~ also prescribe courses of instruction for High School classes and Middle School classes in such branches of education as it may think fit. The Board ^{will} ~~shall~~ consist of officials, representatives of Universities and nominated members to represent teachers.

managements, technical education and other interests. In view of the constitution and functions of this Board, it seems unnecessary to constitute a separate Provincial Advisory Board of Education.

2. No representation from the South India Teachers' Union has been received on this subject.

3. The Central Advisory Board of Education at its 11th meeting held in January 1945 recommended the formation of a Provincial Advisory Board representing ^{enlightened} ~~enlightened~~ public opinion on educational matters. With reference to this recommendation, the Government of India was informed in this Department's letter No.44264-B2/45-6 Education, dated the 6th March 1946 that this Government ^{did} ~~do~~ not consider it ~~it~~ necessary at present to take up the question of having a Provincial Advisory Board of Education.

4. The Director of Public Instruction may be consulted U.O. whether the South India Teachers' Union has suggested the establishment of a Provincial Board of Education.

^{has proposed}
H.M. (Edn) that a Provl. Secy. Educational Board with H.M. as President may be set up. The file has been circulated to be pointing out that in view of the re-organisation of the S.S. & C. Board as in para 1 above, it is not necessary to have another board. The file may be circulated to H.M. for orders as to the answer to be given.
