28th June 1946.

From

Sri. A.Ramanatha Pillai, M.A.L.T.,
Principal, Government College, Coimbatore,

To

The Honourable Minister for Education,
M a d r a s.

Sir,

Ref: Interview at his Bungalow dated 28-6-1946.

The College has now been raised to I grade and the students are coming from far off places to the College. The need for a Hostel is all the more keenly felt this year than in previous years, On account of increase in strength and the difficulties felt by the students to get good food and accommodation in a costly place like this.

2. I had already applied to the Director of Public Instruction for permission to open a hostel for which purpose a building near enough to the College is required. The office and quarters of the Inspectress of Girls' schools situated on the Race course is an ideal place for opening a Hostel. The buildings belong to the Educational department and I am already in possession of the entire ground floor which was handed over, to accommodate the St. Patrick's Orphanage. Now that the Orphanage is going back to Adyar, the Collector, in his letter Ref.775/46K3, dated 26-6-46, has asked me to state whether I still require the ground floor, perhaps, with a view to allocate to somebody else. Orders may kindly be issued to get the First floor also vacated and the entire buildings placed at my disposal for opening a Hostel for the First Grade College.

Sub: Government Arts College, Coimbatore - Provision
of hostel facilities to students.

41146

I have the honour to request that Government may be
pleased to sanction the opening of a hostel for the students
of the Govt. Arts College, Coimbatore. Coimbatore is a costly
place and it has become increasingly difficult to secure
boarding and lodging facilities in private hostels or else-
where. The college has been raised to the 1st grade this
year and students from far off places have sought admission
into the college. The strength of the college has increased
this year owing to increased admissions as the University
permitted the working of the 4th batch in science subjects.
The need for a hostel is therefore all the more keenly felt
this year than in previous years. The hostel is proposed to
be located in the face course buildings belonging to this
department. A part of this building is occupied by the mi-
litary and the Principal has been instructed to request the
Collector to derequisition the entire building in question
and transfer it to this department for starting the hostel.
The recurring and non-recurring cost involved is
furnished below:-

P.T.O.

Recurring:

Special Pay to the Deputy ^{Secy} War No. 210 - at Rs. 30/-
per mensem for an M.E.S. Officer for 7 months

Non-Recurring:

I am herewith sending you a letter from the Principal of the Government College, Coimbatore. I understand that the building which was originally accommodating the Inspectress of Schools ^{as it was in military occupation} and which belongs to the Education Department is now vacant and the Principal would like to have it for the use of the hostel.

I also understand that the Office of the Inspectress of Girls Schools is now accommodated in a private building. The need for a hostel has been long felt in Coimbatore and it is necessary especially in view of making the College into a first grade one.

I feel that we can accept the suggestions given by the Principal and orders may be issued to the Collector to hand over the building to the Principal for the purpose of starting a hostel for boys of the Government College.

I am sorry to have to reiterate my
 views. If the paper had been a mere notice,
 I would have been cutting out of my
 right in commenting on it. As it is, the
 H.N. has got to right to expect every person

 all information likely to help in the administration of
 education. But the letter in question is a special
 one, with a reference made, from the principal to the
 H.N. direct, and a copy is also sent to the D.P.I.
 My submission is that the letter should have been sent
 through the D.P.I., or if that had been a mere
 informal notice. I am sorry I did not make the
 point clear in my first letter.
 This need not be pursued further.

Please see the minute of H.M.(Edn) on page 1 above and the note of E.P.H. overleaf. It is proposed to ^{start}~~spare~~ a new hostel for the students of the Government Arts School Coimbatore in the ^{current}~~current~~ year. The hostel will be located in a building belonging to the Educational department vide A on page 7 C.F. The proposal involves an extra cost of Rs 360⁰⁰ per annum recurring towards the special pay of the Warden, an M.E.S. Officer, and Rs 3000 non recurring towards furniture and utensils. It is proposed to collect a rent of Rs 5 per mensem from each student. It is not known how many students can be accommodated in the hostel and what total rent will be realised from them for the 9 months in the year (excluding vacation months). The Boarding and establishment charges and charges on account of lighting, water supply and sanitation will be met by the students residing in the hostel.

2. Ordinarily the proposal has to be treated as a Part II scheme. From "B" on page 9 C.F. it is seen that the Education department has taken possession of the race buildings which are to be used as hostel for students. The proposal ^{may be taken as one that}~~presumably such~~ will cause

serious inconvenience to the working of the department if it ~~is~~ postponed. In this view this department may agree to the proposal. ^{The details of the proposal do not call for remarks.} E.P.H. may however be asked to take orders in circulation including H.P.M. also.

Since there will probably be more than 6 students, the recurring charge to Govt. of Rs 3000 will be more than covered by the rent of Rs 5. The proposed to be charged from the pupils. Since the rent for the building and the annual repair charges will have also to be covered by the rent, it seems necessary to find out how many students are going to be accommodated in the hostel and what the sum of the rent for the building is. This will be decided when the Rs 3000 of the Principal (P.H.) will be reasonable. E.P.H. Dept may please furnish this information in order to find out whether at least the recurring charges to Govt. will be covered.

Sir,

(not put up)

In G.O.No. 653, Education, dated the 2nd April 1947 Government sanctioned the opening of a hostel in 1946--47 for the students of the Government Arts College, Coimbatore and also sanctioned a special pay of Rs.30/- for an officer of the Madras Educational Service working as Deputy Warden of the hostel. The Principal of the college requests that Mr. S.R. Messiah Dass, M.A.,B.T., Assistant Lecturer in Mathematics of the college may be appointed as the Deputy Warden and he be granted the special pay of Rs.30/- allowed to an officer of the Madras Educational Service. He points out that the hostel actually started functioning from

= 2 =

1st August 1946 and in anticipation of my sanction he appointed Mr. Messiah Dass to do the work of Deputy Warden. While there is no objection to appointing Mr. Messiah Dass as the Deputy Warden, the question of paying him a special pay of Rs.30/- has to be considered. The Principal states that in the hostel premises there are no quarters available for the residence of the Deputy Warden and has to live outside and for his frequent visits he has to use the public conveyance. Further, Coimbatore is ^{a very} already costly place and no officer will be willing to take up this responsible work unless he is provided with Government quarters with an enhanced allowance. In the circumstances, it will be impossible to secure the services of a non-gazetted officer for the work on a special pay of Rs.15/-. Apart from this, I consider it unfair to make any distinction between a Madras Educational Service and Subordinate Educational Service officer in the matter of special pay as both do the same work. I therefore recommend that Mr. Messiah Dass may be granted the special pay of Rs.30/- per mensem as the Deputy Warden of the -- hostel.
