From (Name) DR. S. R. U. SAVOOR, M. A., D. SC., I. E. S.,
(Designation) DIRECTOR OF PUBLIC INSTRUCTION, MADRAS.

To The Secretary to the Government of Madras,
EDUCATION AND PUBLIC HEALTH Department.

Sir,

REF:- G.O.No.MS.2017, Edn. dated 21st Oct.1946.

The additional temporary clerk sanctioned in the above G.O. was appointed on 1st November 1946 and he was specifically allotted the work of checking the statements relating to special grants on account of payment of dearness allowance or war allowance still due to staff in aided secondary schools and second grade colleges, contemplated in G.O.No.1753, Education, dated 11th September 1946. In view of the large accession to strength in many of the secondary schools and the consequent increase in staff all that the single clerk could do within five months was to obtain statements from the institutions, to check the total of their demands and to pass the claims without making a detailed check in regard to the admissibility of claims of each teacher on the basis of the number of teachers actually required with reference to Rule 17 of the Madras Educational Rules and the instructions of the Director

for determining the strength of the staff required for each school and also with reference to the eligibility for the leave granted to them by the managements during 1945--46. Payment of special grant is being ordered pending detailed scrutiny and subject to adjustment in the next year's grant. The further checking has to be pursued from 1st April 1947 and the adjustments that have to be effected in the grant payable in 1947--48 have to be worked out before 1st July 1947, by which time the statements of the subsequent year would be received for purposes of checking.

I therefore request that Government may be pleased to issue urgent orders, sanctioning the continuance of the additional clerk from 1st July 1947 to 31st March 1948.

The suggestion contained in paragraph 2 of the G.O. to examine the question with reference to statistics of currents received each month will be carried out in April 1947 and proposals for the strengthening of staff of D. Section will be submitted to Government in due course.

I have the honour to be,
Sir,
Your most obedient servant,
