In your indent for 1946-47, 4 white (long cloth) long coats and four white (long cloth) trousers, have been claimed for 2 peons and khaki drill uniforms are said to be required for the 3 peons. Please state whether the supply of long cloth gowns of 6 widths and long cloth trousers may be recommended for sanction to 1 Duffadar whose post was sanctioned in G.O.No.Ms.1205 P.H. dated 1-4-42, and white (long cloth long coats and white (long cloth) trousers may be supplied to one of the 2 peons. If approved, it is presumed that 1 one Duffadar and one peon are personally attending on the Director

Please also state whether you consider the supply of khaki uniforms claimed for the 3 peons, necessary and whether they are also personally attending on officers.

An early reply is requested to enable me to forward by remarks to Government.

No.B5.3459/46.

Sir,

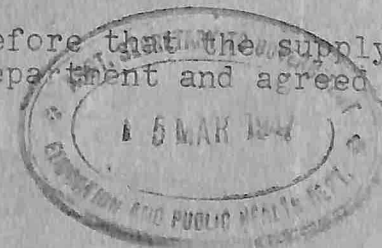

Clothing - ordinary - supply to the Duffadar and peon attending on the
Director of Public Health (Ref: Memo.No.75491-C2/46-2 Edn. d/24-2-47).

21107 The white long jackets prescribed for the Duffadar of the Surgeon-General's
Office and long cloth gowns are one and the same pattern of dress. When
indents for white long jackets are received, it is usual to supply long cloth
gowns consisting of 6 widths for the Duffadars and 5 widths for the peons at-
tending on officers. The entry "White jacket" appearing at pages 192 and 299
of Stationery Manual Volume II Part II, against 1 Duffadar of the Surgeon-
General and Chief Engineer (General) respectively, is not clear. These
entries will therefore be altered as "white long cloth gowns of 6 widths"
to conform with the actual pattern of dress supplied.

I request therefore that the supply of long cloth gowns of 6 widths
recommended by this department and agreed to by the Director of Public Health,
may be sanctioned.
