Sir,

Subject:—Elementary Education Fund - Corporation of Madras -
Establishment - Medical Inspection staff - Revision
of scale of pay - Sanction requested.

82487

There are at present six Sub-Assistant Surgeons, 4 Medical Inspectors and 2 Medical Inspectresses of schools on a scale of Rs.75-5-175 per mensem for conducting medical examination of pupils attending the Corporation Elementary Schools and following it up and they are paid from the Elementary Education Fund of the Corporation.

The Corporation Council at its meeting held on 9-5-46 resolved that a uniform scale of pay of Rs.100-5-150-10-250 should be granted to all the Sub Assistant Surgeons in the Corporation service as they are expected to do not only curative but also preventive side of work and as they have hardly any time left for private practice. Further, the course of Licentiates in Medicine having been abolished, persons with these qualifications will not be available for service in future and only Medical Graduates may have to be appointed in future vacancies. As the Medical Inspectors, Medical Inspectresses and Medical Officers in charge of dispensaries, Registration and Vaccination, who work under the Health Officer have to be periodically transferred in the interest of administration, the scale of pay for the Medical Inspectors and Medical Inspectresses should not be different from that of other Medical Officers. I therefore request that the scale of pay of Medical Inspectors and Medical Inspectresses may be revised to Rs.100-5-150-10-250 with effect from 9-5-46 as resolved by the Council.

An extract from the minutes of the proceedings of the Council dated 9-5-46 is enclosed.
