EDUCATION AND PUBLIC HEALTH DEPT.

Respected Sir,

InRe: Grant of foreign scholarship
for studies in United Kingdom 1946-1947.

71000

1 I am one of the candidates selected for the above scholarship for higher studies in Aeronautics in the United Kingdom.

2 Owing to acute family difficulties my journey has to be delayed for at least for a couple of months and I can be in a position to relieve myself to go in the middle of January 1947.

3 If this scholarship is to be cancelled on account of this delay I will be put to considerable difficulty. I shall be highly thankful if you will be kind enough to communicate to the authorities concerned of the College of Aeronautics at Cranfield and ascertain if it is possible for them to allow me to commence my course from the middle of January 1947.

4 In this connection I beg to submit that I have passed B.E. with Honours and studied a post graduate theoretical and experimental course of Aeronautical Engineering at the Indian Institute of Science Bangalore. The course is normally for two years but has been compressed into one academic year in war time. Also I have had practical training in Aeroplane overhaul at the Hindustan Aircraft Factory Ltd Bangalore. I am also attaching copies of my training certificate in the Hindustan Aircraft Factory Ltd Bangalore and a certificate from my distinguished professor Dr. R.G.Harris M.A., D.Sc FxRxSxExwhm F.R.S.E. who is now the professor of Aeronautical Engineering at the Indian Institute of Science and who in the past has occupied the professorial chair in the same subject in many English Universities. Therefore I may state that I will not be losing much because of my absence in the first term and also what little I may miss I can easily make up since it is a two year course at Cranfield.

pp 51-53
supra

5. I request that this also may be brought to the notice of the

college authorities so that they may favourably consider my request for my absence for the first term.

I beg to remain

Our Ref. No. A.E.972/46-47.

Date: 30th April 1946.

I have much pleasure in supporting Mr. N. Ramamurthy's candidature for a lectureship in Mechanical Engineering at Annamalai University.

He had completed our wartime theoretical and experimental course of aeronautical engineering, which compresses a two year postgraduate course into nine months, and comprises:

(a) fluid flow and aerodynamics, with wind tunnel experiments,

(b) structures and design.

He is now undergoing a four months' course with Hindustan Aircraft Limited in which he receives practical training in aeroplane overhaul.

The study of aeronautics has a special value for other subjects, such as mechanical engineering, in so far as it demands more stringent conditions in design than other branches of engineering, and has to keep pace with research.

Mr. Ramamurthy's previous successful career at Madras University has in itself fitted him for the work of an engineering lectureship. I, therefore, consider such work to be well within his capacity, in view of his additional valuable training and experience here.

Dear Sir,

In reply to your letters of the 4th and 7th December, I am very concerned about the late arrival of Mr. Ramamurty at the College as I feel that he will find it very difficult to fit into the course at such a late date. The best solution to the problem would be for Mr. Ramamurthy to come in October, 1947, at the beginning of the next two year course.

However, I do not want to lose a good student from India, as I would like the representation of students from outside the British Isles to be higher than it is. If, therefore, my suggestion that Mr. Ramamurthy whould delay coming to the College until October next is impossible, I would be prepared to accept him at the end of January and to do the best I can for him.

Respected Sir,

I am in receipt of your communications dated 27-12-46 (p63 ante) and 7-1-47. (p 71 ante)

I was trying to get myself free to go to England but my domestic difficulties are such that it is now impossible for me to leave this place at present for some more months.

If it is possible for you to try to keep alive the Scholarship and arrange for my admission in the next academic year as mentioned in your previous communication, I shall feel extremely thankful.

No.62118 - from Messrs. Thos. Cook. & Son Ltd, No. 1333/46/M-6 dated 16.10.46.

Overseas Scholarships -1946-47-
Sri N. Ramamurthy.

Sri N. Ramamurthy is one of the candidates selected in 1946-47 for the award of an overseas Scholarship in "Aerodynamics, aircraft navigation and aircraft instruments". On 30.9.46 a telegram was received from the Govt. of India intimating that admission had been secured for him ~~sit~~ in

p1 cf the College of Aeronautics, Cranfield, U.K. and that Messrs. Thos. Cook and Son, had been instructed to arrange for his passage by S.S. Cameronia which left Bombay for U.K. on 6/10/46. Sri N.

pp3-4 cf Ramamurthy was asked by this Dept. on 1.10.46 to get in touch with Messrs Thos. Cook & Son, Madras. He was told that his college course would commence on 15.10.46 and therefore it was important that he should sail by S.S. Cameronia. He was also warned that failure to accept a passage by that boat might result in the cancellation of his admission. On 3.10.46 Sri Ramamurthy

pp27-28 cf reported his inability to sail by Cameronia at short notice and requested that he might be allowed to go by any other boat, about the 15th of October 1946. He was therefore asked

30 cf on 9.10.46 to accept a passage that would be offered to him by the next available boat. On the

p1 cf/(a) same date a circular memo. was sent to Sri Ramamurthy impressing it on him that it was very important for him to sail when he was called upon to do so and that failure to reach the institution abroad in time might result in loss of admission already secured.

In their letter dated 11.10.46 Messrs. Thos. Cook and Son asked this Depth. whether it would be in order for them to book a passage for ~~Mr.~~ Sri Ramamurthy on any one of the two ships leaving Bombay for U.K. on 21.10.46 and 23.10.46. p33 CF

As, ~~Mr~~ Sri Ramamurthy was prepared to sail by any boat about 15.10.46, the travel agents were asked on 15.10.46 to offer a passage to him by any one of the above two boats. At the same time, a copy of this letter was endorsed to the Candidate. He was warned that no further extension of time would be allowed. p28 CF pp 35-36 CF

Now in their letter dated 16.10.46, Messrs. Thos. Cook & Son state that they were able to offer him a passage for 21.10.46 but that the Candidate did not accept the offer saying that he ~~cannot~~ ~~could~~ not sail before the latter part of Novr. 46. p 37 CF

~~Mr~~ Sri Ramamurthy is already late for his college course which has commenced on 15.10.46. p1 CF The Govt of India have stated that their Liaison Officers abroad would try and and keep admissions open for those students who might go a little late. p23 CF But if Sri Ramamurthy leaves for U.K. after 15th Novr. 46 he will be too late for the College course.

In spite of repeated warnings the Candidate has not accepted passages by two boats. Thos. Cook~~s~~ sons inform over the phone that Sri Ramamurthy is out of Madras, which is his permanent station, that even by the next boat S.S. Andes on 23.10.46 no passage can be offered for him, and that ~~he~~ he may be given a passage only by a ship which is expected to sail to U.K. by about the first week of November. The Govt of India may be asked telegraphically if he can be permitted to sail by that ship. Meanwhile ~~Mr~~ Sri Ramamurthy may be asked to give his

Special reasons for refusing a passage ~~by~~ for the second time. For orders.

Cameronia on 6.10.46. pp27-28 CF But he did not accept the passage on the ground that the notice given to him was short, and requested that he might be allowed to ~~go~~ sail by any other boat about 15.10.46. Accordingly a passage was offered to Sri Ramamurthy by a boat leaving India on 21.10.46. But when this offer came he ~~was~~ was away in Delhi and could not be ~~embarked~~ in time. Secy's note on p3 ante The travel agents were therefore requested on 19.10.46 to arrange for his passage by the next available boat, and the Candidate's father who met the Secretary was asked to see that the next boat was not missed. Ibid For the third time a passage was offered to

(IX)

Sri Ramamurthy by a ship leaving Bombay on 13.11.46. The Travel Agents had to cancel this passage too as the candidate ~~had~~ notified his ~~i~~ inability to sail owing to illness. The candidate asked for a passage ~~to~~ after 20.11.46. As the College course commenced on 15.10.46 and as it ~~will~~ would be late if Ramamurthy leaves for U.K. after 20.11.46, the Govt. of India ~~have~~ was been asked to confirm that there ~~is~~ was no objection to his being permitted to sail after 20.11.46. 43 cf pp45-47cf

Now the candidate states that owing to acute family difficulties his journey has to be delayed for at least a couple of months and that he will be in a position to leave about the middle of Jany. 1947. pp49-53cf He states that in view of ~~his~~ the post graduate training he had at the Indian Institute of Science, he can safely commence his course in U.K. from Jan. 47; He requests that arrangements may be made accordingly. P

The candidate was repeatedly told that in view of the difficulties in securing admissions in institutions abroad, it was important he should not refuse passages. But ever since 6.10.46 the candidate has been refusing passages for one reason or other. It seems the candidate's request at 'P' above cannot be allowed. Courses cannot perhaps be arranged to suit his convenience. For orders. If the candidate's request is to be allowed the D.P.I. may be consulted before addressing the Govt. of India.

I think he may be asked to go for next year in Sept or October

alternative of loss of admission already secured were impressed upon them. Sri Ramamurthy was also separately informed at the same time to accept the next passage that ~~may~~ might be offered to him. In spite of these double instructions, the candidate failed to avail himself of the passage on 21-10-1946. For the third time a passage was arranged for the candidate and he was definitely informed that this arrangement was on the specific understanding that the passage will not be missed by him. The passage on 13-11-1946 was also missed by the candidate. He then came up with a request for arranging his course from the middle of Jan. '47 on the plea of acute family difficulties. This request was refused. But the Govt. of India were addressed on 29-11-46 for cancelling the candidate's admission and for securing him a fresh admission for ~~xx~~ the next academic year beginning from Oct. 1947. The candidate was also informed of this. Under the circumstances stated above he may be dropped out from the Scheme at ~~the~~ next default of his and may be informed to that effect after hearing from the Govt. of India about his admission for the Oct. 1947 course. ?

3. As regards the enquiry ~~xxxx~~ of the Govt. of India about the candidate on page 57 c.f., their letter has crossed ~~with~~ our letter to them on pp.55 to 56 c.f. The attention of the G of I may be drawn to our letter on pp.55 to 56 c.f. The draft letter below may be approved.

I [illegible] [illegible] [illegible] at all. There is no question now of any further default as that will arise only a year hence; that is [illegible] by beginning of the October course now.

I think the proper course is to withdraw the request made to G.of I. for admission of the candidate for the course commencing from Oct. '47 and to [illegible] cancel altogether the [illegible] given to this candidate. Orders will be taken in the [illegible]. If this [illegible] cancellation [illegible] will have to [illegible] see before [illegible].

Edn. & P.H. Deptt.

Please see the telegram from the Govt. of India on pp.59 - 61 c.f. since received. The Aeronautics College is prepared to accept Sri Ramamurthy even at the end of January 1947. In his [illegible] dated 18-11-1946 Sri Ramamurthy had stated that he would be able to go by the middle of January. It has been ascertained from Messrs. Thomas Cook & Sons that there is a ship for U.K sailing on the 23rd January and that it may be possible to arrange for a passage for Sri Ramamurthy on that boat. For orders whether Sri Ramamurthy may be asked whether he is prepared to sail on the 23rd January. He may also be informed that if he does not accept this offer, the Govt. will be constrained to consider the question of cancelling his scholarship. Sri Ramamurthy has been chosen for supplying teaching personnel in Engineering Colleges and no other department has to be consulted in regard to the cancellation of the scholarship, if necessary.
