 Secretary, P.W.D.
 When I was taken to Avadi to see the military camp and
 workshop, I found the Malayan Camp as they call it, was vacant.
 I think it belongs to the Government of India and I do not know
 whether it is just now under your department as other military
 buildings. If so, I shall be glad if you can explore and find
 out whether it can be given over to the Education Department
 for the starting of an Intermediate College. I will myself go one day
 and go through all these camps and see whether an Intermediate
 College can be drafted there.

The question of acquisition by the Madras
Government of the military camps in Madras is still
with the Government of India who have promised to
send an officer to inspect them along with another

officer from this Government to fix the valuations of these properties. The matter is being considerably delayed. It is requested that this matter may be expedited because many of the schemes of the Government in the Educational, Jail and Public Works Departments are being delayed.

W. S. S. S.

Pl see the minutes of H.M (Edu), the notes following and the minute of H.M (Law) on pp 1 & above. The intention of H.M (Edu) seems to have been to open a Second grade College at Avadi, if the bldgs now occupied by the Malayan Emigration Dept at Avadi are ^{available} made for the purpose. There are no papers at present in this Dept ^{about} the opening of a Second grade Arts College at Avadi. It is submitted, in this connection that the general policy of Govt. ^{is not} ~~Collegiate education is that there at present there is no need or justification for them to start, or to give special encouragement to the starting of institutions for University education, especially for Arts courses.~~ Vile para 3 of Press communique No. 16 of 13-7-45. The question of revising this policy was recently considered and dropped. In view of this, it is for consideration whether the question of opening a second grade College at Avadi should be pursued; if so, the DPE may be asked to offer his remarks on the question and to put ^{up} ~~prop.~~ proposals. ^{steps may} ~~may also be taken to secure the necessary premises at Avadi.~~ The Malayan Emigration Dept may be addressed for the release of their bldgs at Avadi in the event of opening a College.

Please see the Exp. H Dept. note on p 2 above. This file has been sent to this Dept. for remarks with reference to A on p 2 above. The Govt. of India in the Defence Dept. were addressed by a telegram on 25.2.47 asking them to make early arrangements for deputing their representative for a valuation survey of the military buildings in this Province. They have again been reminded on 11.3.47, and their reply is awaited.

With the above remarks, the file may be returned to Exp. H.

I have a suspicion that the Malayan Camp belongs to the Malaya Govt who have a representative here, called the Emigration Commissioner or so (Mr. Stark?) & S.D.C. will please ring up the Protector of Emigrants, ascertain the information informally & then get official confirmation from the Malayan Officer & also ask him whether the Malayan Govt are likely to sell it to us.

W. S. S. S.

The Protector of Emigrants told me on the phone that there is no representative of the Malayan Govt at Madras. He added that the Malayan Emigration Commr. is now stationed at Bangalore & that his name is Mr. Stark.

With reference to A's order at S' above, it is for orders whether the Malayan Emigration Commr., Bangalore, may be consulted whether the Malayan Govt. will agree to sell the buildings to this Govt. A draft letter to the Malayan Emigration Commr. is submitted for approval.

A small, dark, irregular mark or smudge, possibly a piece of tape or a stain, is located on a light-colored, textured surface. The mark is roughly circular with jagged edges and some internal detail, suggesting it might be a small object or a specific type of damage. The background is a light, mottled grey or off-white color with some faint horizontal lines or creases.
