The Secretary to Government,
Education Department,
FortSt. George,
MADRAS.

Sir,

We the undersigned members of the Cannanore Municipal Council beg to dissent against the resolution of the Council passed at its meeting held today deciding to meet the pension contribution, leave allowances etc., of a government hand to be taken as loan for appointment as Headmaster of the Municipal High School, Cannanore.

In this connection we have to point out that the Municipal Council at its meeting held on 23-11-'44 had resolved not to appoint anyone from outside the school as Headmaster and the present resolution of the Council deciding to meet the expenses to be incurred by way of salary, pension contribution, leave allowances etc., of the hand to be taken as loan from the government for a period of 3 years is in contraventbion of the former resolution and will not hold good as long as the previous resolution of the Council stands. Further the Appointment Committee of the Council has committed a grevious blunder in requesting the Government to lend a government official for 3 years, which was done behind the back of the Council and in flagrant violation of the Council's decision arrived at its meeting of the 23rd November '44 referred to above. The said request of the Appointment Committee was sent to the Secretary to Government, Education Department, with an accompanying letter from the Commissioner dated 14-3-46 through the Divisional Inspector, Coimbatore, who, on receipt of that, wrote back to the Commissioner, Cannanore Municipality, Vide his letter R.O.C.No.56 B/46 dated 4-4-46 asking the Commissioner to forward to him a decision of the Council in regard to its prepardness to pay pension contribution, leave allowances etc., as the Appointment Committee's decision alone was not enough, and this was placed for consideration at today's meeting and the Council decided by a majority to meet the pension contribution, leave allowances etc., of a government hand to be appointed as Headmaster of the Municipal High School. By arriving at this decision, Council has voted for an outsider to be the Headmaster of the M.H.School, contrary to the decision of the Council arrived at its meeting of 23-11-44 which still stands uncancelled and therefore the present decision of the Council is not in order.

We also beg to bring to your kind notice that on this subject one of us moved a resolution today protesting against the action of the Appointment Committee in requesting the government, behind the back of the Council, to lend a government official to be the Headmaster of the M.H.School, in utter disregard of Council resolution dated 23-11-44, but the Chairman acted in excess of his powers in not allowing this resolution to be moved, nor even making a record of it in the Minutes Book in spite of repeated demands.

We beg to state that as it is the Municipal High School is a white-elephant to the Council and the Council is meeting the expenses of the M.H.School from out of general funds, without enabling the Council to do any good to the public by way of providing good roads, electric lighting and other essential wants. Bringing a hand from outside to be the Headmaster of the Municipal High School will be a burden on the already slender resources of the Council. We further beg to state that the Council had allotted in this year's budget provision for the appointment of an Attender for the M.H.School on the recommendation of Inspecting Officers of the Educational Department, but the Government in view of the Council's depleted finances disallowed that provision, in addition to other provisions made in Budget for expenditure on equipment etc., for the Municipal High School, Cannanore. Moreover the salaries of the employees of the Council are disbursed with delay often times, much to the discomfort of the employees in these hard days and this is substantiated by item No.60 in the Agenda of today's meeting, whereby the Council has resolved to request the Government to sanction a loan of Rs.30,000/- to be repaid before 31-3-1947, for regular and timely disbursement of salaries to municipal employees. Such being the state of affairs, the Council has taken an unwise step in deciding to requisition the services of a government servant as Headmaster of the Municipal High School, Cannanore.

We therefore request the authorities not to accord their approval to the resolution of the Council held at its meeting today in regard to the meeting of the pension contribution, leave allowances etc., of a government headmaster and also not to give sanction to incur unnecessary and extra expenditure by the Council in this direction and direct the Council to cancel this resolution, as it is a violation of the Council resolution dated 23-11-1944.

We beg to remain,
Sir,
Your obedient servants,

Cannanore,

TO

The Secretary to Government,
Local Administration Department,
Fort St. George, Madras.

Sir,

We beg to send the following in addition to that of ours of the 9th instant, dissenting against the resolution of the Municipal Council, Cannanore, passed at its meeting held on 9-5-'46, sanctioning pension contribution, leave allowance etc., for a Government officer to be requisitioned to take up the Headmaster's post of the Municipal High School, Cannanore.

The same XMX subject came up before the meeting of the Council held on 30-4-'46 and after some heated discussion the same was adjourned for another day and hence the Council by a majority of vote at its meeting held on 9-5-'46 resolved to meet the extra expenditure by way of pension contribution, leave allowances etc., for a government hand whose service was requisitioned for a period of 3 years. In the discussion that tookplace at the Council meeting the Commissioner's plea was the welfare of the institution.

As far as we know it, the question of getting a loan of a government servant to be installed as Headmaster in the M.H.School, began as early as March 1944. It was then very seriously considered to terminate the probation of the present Headmaster on the recommendation of the Divisional Inspector of Schools, Coimbatore. The Headmaster was given a period of six months more in accordance with the recommendation of the Council. The matter came up for consideration again in November 1944. The Council was pleased to resolve not to get an outsider as Headmaster. Towards February 1945 the Commissioner had to frame charges against the Headmaster for inefficiency. According to the request of the Headmaster in his explanation of the charges against him, the Commissioner granted him leave. On appeal to the Government by the Headmaster, the Government was pleased to order the recall of the Headmaster from leave, as the whole official procedure followed by the Commissioner in the affair was wrong. In this the Commissioner has to blame himself alone and none else. The Commissioner could have reopened the charges against the Headmaster. He would not and did not do so, but allowed him to continue one full year, after being made permanent.

Had the idea professed by the Commissioner about the welfare of the institution been bonafide, he would not have done in the manner he did. The heavy file of the correspondence between the Commissioner and the Divisional Inspector of Schools, which contains a number of D.Os, has to be gone into dispassionately to find out who took the initiative to get a loan of a Government officer to be in charge of the High School, behind the back of the Council and also throwing to the winds the decision of the Council arrived at its

4 - JUN 1946
HEALTH DEPT.

(B)

meeting held on 23-11-44 not to get an outsider as Headmaster.

Further to condemn a whole school of L.T. teachers as inefficient or incompetent to hold office as the Headmaster of the M.H.School is something beyond one's imagination. To crown the said condemnation--the wholesale condemnation itself being questionable--by getting the loan of a Government officer is to engraft a frustration complex in the teachers of the Municipal High School.

We may also state that the Commissioner's unauthorised action to get an outsider as Headmaster has resulted in waste of public money, for without obtaining the previous sanction of the Council he advertised in English Dailies for applications from hands to be appointed as Headmaster of the M.H. School, and when he received a number of applications, many of them being from places outside Malabar District, he suddenly concluded that all applicants were unfit to hold the post of the Headmaster, which fact was intimated to the Divisional Inspector by the Commissioner, and thereupon the Divisional Inspector suggested to the Commissioner to make a request to the Government for lending a government official for a period of 3 years to be the Headmaster and accordingly the Appointment Committee, which so to say is manned by the Commissioner, met and resolved to request the government to lend a government servant to be the headmaster of the M.H.School for a period of 3 years. This decision of the Appointment Committee is in excess of its powers. We request that the connected file may kindly be called from the offices of the Council and Commissioner and perused, which will bring to light the gross irregularities committed by the Commissioner and the Appointment Committee.

The High School as it is, is very badly in need of many urgent things such as a compound wall, furniture, accommodation, library books etc. We would request you to strictly instruct the Council to spend the money which it contemplates to spend on a Government servant to be installed as Headmaster, for more vital needs which the High School is very badly and urgently in need of.

We beg to remain,

Sir,

Establishment-Secondary-Municipal High school-Cannanore-Loan of a Government servant for appointment as Head Master-Requested.

The condition of the Municipal High school, Cannanore, has been highly unsatisfactory for the last few years and has been progressively deteriorating particularly in respect of discipline among the pupils and staff and S.S.L.C. results which was 30.7 in 1945 as against 59.2 in 1926. There is much apathy and neglect of duty on the part of the staff as evidenced by the following remarks of the District Educational Officer in the inspection notes of the school for the years 1942-43, 1943-44, 1944-45 and 1945-46:-

> " The school went down further in the S.S.L.C. results securing the 12th rank in 1942 as against the 9th in 1941. Only 30 out of 119 pupils were declared eligible, i.e. 25 per cent as against 39 out of 115 in the previous year. This sort of sliding down should be arrested and the teachers should strive hard to secure better results. The school averages were below the Presidency averages in all subjects except 'C' History. They were particularly low in English, Elementary Mathematics, 'A' History and Geography, and all the optionals excepting History. It should be possible for producing better results through the individual attention of teachers handling VI Form to pupils deficient in particular subjects."

> " The results at the S.S.L.C. examination were deplorable, the school having gone to the very bottom in the list of schools in the district. The percentage of passes was 28 in 1943 as against 25 in 1942. The school averages were below the presidency averages in all subjects, Elementary Mathematics, ~~Geometry, Physics and Chemistry, being exceedingly poor~~ outlines of History and Geography, Type-writing, Algebra and Geometry Physics and Chemistry, being exceedingly poor. Some radical steps should be taken to arrest the steady deterioration seen in successive years. Stricter promotion standards and individual attention to those who are weak in one or two subjects may be attempted. The teachers should get over the feeling of resignation that becuase the stuff is poor the results are bound to be poor".

> " 119 out of 121 pupils in Form VI were presented for the S.S.L.C. examination and 29 were declared eligible. This works upto 24 per cent as against 28 in 1943 and 25 per cent in 1942. Such deplorable results in successive years can no longer be tolerated and it is high time for the management and the staff to take serious notice of this and to arrest this alarming deterioration. The school averages were far below the presidency figures in all subjects as was the case last year also. In spite of the severe remarks made in the T.I.R. and review of last year and a communication on the subject sent separately by this office no serious attempt appears to have

been made to tackle this situtation and it will be a miracle if the school succeeds in producing better results this year".

" 32 out of 104 who sat for the S.S.L.C. Examination in 1945 were declared eligible. This works upto 30.7 per cent as against 24 per cent in 1944. The results though better than last year, are far from satisfactory. The school averages, as usual, were below those of the Presidency in all subjects except C History. English, Urudu, Outlines of History and Geography, shorthand, C. Hindi, C. Mathematics Physics and Chemistry were all deplorably bad. There is no justification for the attitude of complacency which the Head-Master and his assistants appear to have taken at the slight improvement in the percentage. They should put forth a mighty effort to push up the results to well over 50 per cent".

The single biggest reason for this deterioration has been the lack of an able and strict Head Master capable of maintaining discipline among the students and the staff, The present Head Master of the school is to retire from service on 14-7-1946 and the question of preparing a panel of names suitable for appointment as Head Master was hitherto pending with the Divisional Inspector of schools, Coimbatore. Finally on 29-4-45 the Divisional Inspector has informed me that none of the Assistants of the school is suitable for appointment as Head Master and hence applications were invited from outsiders twice. None of the applicants has been found suitable for the post by the Divisional Inspector. So in his letter dated 25-2-46 he suggested that an able employee from Government service may be got for 3 years to serve as the Head Master of the Municipal High school.

X

The Statutory Appointment committee is unanimously of opinion that an able Head Master brought from Government service would alone be able to save the Municipal High school which with a strength of over 1000, is the biggest school in these parts and require some drastic steps to remedy the disintergration going on there. Accordingly the committee considered the question and has decided to request the Government to lend the services of a suitable Officer of the Education Department for 3 years to this council and has further requested that a panel of 4 names may be furnished to the committee for selection. A copy of the resolution of the committee is submitted.

p179

In the circumstances I request that Government may be pleased to take early action in the matter and to furnish a panel of names in view of the fact that the present Head Master is to retire from service on 14-7-46.

Sir,

Municipal - Cannanore Municipal Council - Headmaster, Municipal High School - appointment - Loan of Government servant - sanction of pension contribution, etc. - dissenting minutes - petition of dissenting councillors - submitted.

-----•

I submit herewith two petitions dated 9-5-46 and 26-5-46 from (1) Sri.C.P. Chandrasekharan and (2) A.P.M.Moideo Sahib, two of the councillors of the Cannanore Municipality protesting against the Counsils' resolution No.49 dated 9-5-46 sanctioning pension any contribution, etc. to a Government servant to be sent to the Municipality for appointment as Headmaster of the Municipal High School, Cannanore, together with the Endt. Ref. B-1-3727/46 dated 11-5-46 of the Chairman of the Municipal Council on the petition dated 9-5-46 and a copy of the Municipal Commissioner's letter No.B1-3727/46 dated 28-6-46. A Copy of the Council's resolution No.1 dated 23-11-44 bearing on this subject is also enclosed.

2. The petitions are self-explanatory as also the Chairman's endorsement and the Muncipal Commissioner's letter. The rules relating to the appointment of Headmasters and Headmistresses of High Schools under Municipal Councils are contained in G.O. No.953, Education, dated 30-6-42 and G.O.No.1236, Education, dated 21-8-1944. According to the rules vacancies in the post of Headmaster are to be filled in ~~my~~ by the appointments committee of the council from a list of names of suitable candidates drawn up by the Divisional Inspector of Schools in the case of Boys' Schools, who is also competent to include outsiders in the list if he finds that suitable candidates in the Municipal Service are not available. It was at the instance of the Divisional Inspector of Schools that the appointments Committee of the Council decided to apply for the loan of the services of a Government Servant in the present case. Under the rules the Municipal Council has not power to select the personnel for the post of Headmaster and so its resolution No.1. dated 23-11-44 not to appoint outsider as Headmaster is ultravires. In the circumstances reported by the Commissioner in his letter Ref.B.1. 3727/45 dated 28-6-46, (Copy enclosed) the Council's present resolution(copy enclosed) ~~the~~ agreeing to pay pension contribution, etc to the Government servant to be lent to the Council is in order and the dissenting minute of the two councillors does not deserve any consideration.

Sir,

ESTABLISHMENT - Secondary - Municipal High School - Cannanore - Loan of a Government servant for appointment as Headmaster - Report - submitted.

Your letter B.4.9554/46 dated 15-6-46.

According to the rules in G.O. No.953, Education, dated 30-6-1942, appointment of the Headmaster has to be made from a list of names drawn up by the Divisional Inspector of Schools and the District Educational Officer sitting together. The Divisional Inspector of Schools, Coimbatore, Division, who has to furnish the list informed me that none of the L.T. Assistants of the school are suitable for appointment as Headmaster and suggested the invitation of applications from outsiders as provided for in rule 4 of the G.O. In pursuance of the advertisement so made ten applications were received and they were forwarded to the Divisional Inspector. As ~~hee~~ he found none of them suitable he informed that he is unable to furnish the panel and advised me to ask the loan of a Government servant for a period of 3 years for appointment as Headmaster. The appointment Committee agreed with this suggestion and Government were requested in this office letter dated 14-3-46 to lend the services of an able officer of the Education Department. Subsequently the matter came up before the Council and the Council agreed to pay the special pay, leave salary and pension contributions of the Government servant to be lent to the Council. The matter is now pending with the Director of Public Instruction, Madras.

Copy of the petition of the Municipal Commissioner delegate Municipal Office Cannanore, to the Colector of Malabar, Calicut. Through the Chairman.-----------------

We the undersigned members of the Cannanore Muncipal Council beg to dissent against the resolution of the council passed at its meeting held to day deciding to meet the pension contribution, Leav allowances etc, of the Government hand to be taken as loan for app ment as Head Master of the Muncipal Hith School, Cannanore.

In this connection we have to point out that the municipal council at its meeting held on 25-11-44 had resolved not to appoi anyone from outside the school as Head Master and the present reso tion of the council deciding to meet the expenses to be incurr by way of salary, pension contribution, leave allowances, etc, of hand to be taken as loan from the government for a period of 5 yea is in contravention of the former resolution and will not hold goo as long as the previous resolution of the council stands. Further appointment committee of the council has committed a grevious blunder in requesting the governkent to lend a government official for 5 years which was done behind the back of the council and in flagrant violation of the council's decision arrived at its meeting of the 23rd November 1944 referred to above. The said request of the appointment committee was sent to the Secretary to Government, Education Department with an accompanying letter from the commissioner dated 14-3-46 through the Divisional Inspector, Coimbatore, who on receipt of that, wrote back to the commissioner, Cannanore Municipality, vide his letter R.O.C. No. 56-B/46 dated 4- 4- 46 asking the commissioner to forward to him a decision of the council in regard to its preparedness to pay pension contribution, leave allowances etc, as the Appointment committee's decision alone was not enough, and this was placed for consideration at todays meeting and the council decided by a majority to meet the pension contribution, leave allowances etc, of a Government hand to appointment as Head Master of the Municipal High School. By arriving at this decision, council has voted for an outsider to be the HeadMas Master of the M.H. School, contrary to the decision of the council arrived at its meeting of 25-11-44 which still stands uncancelled and therefore the present decision of the council is not in order.

We also beg to bring to your kind notice that on this subject one of us moved a resolution today protesting against the action of the Appointment committee in requesting the government, behind the back of the council , to lend a government official to be the Head-Master of the M.H. School, in utter disregard of council resolution dated 25- 11-44 but the Chairman acted in excess of his powers in not allowing this resolution to be moved, nor even making a record of it in the minute book in spite of repeated demands.

We beg to state that as it is the Muncipal High School is a white elephant to the council and the council is meeting the expenses of the Municipal High school from out of general funds, without enabling the council to do any good to the public by way of providing good roads, electric lighting and other essential wants. Bringing a hand from outside to be the Head Master of the Municipal High school will be a burden on the already slender resources of the council. We further beg to state that the council had allotted in this year's budget provision for the appointment of an attender for the Munici-pal High school on the recommendational of Inspecting Officers of the Educational Department, but the Government in view of the council's depleted finances disallowed that provison in addition to other provisions made in the Budget for expenditure on equipment etc, for for the Municipal High School Cannanore. Moreover the salaries of the employees of the council are disbursed with delay often times, much of the discomforts of the employees in these bad days and this is substantitialed by item No.60 in the Agenda of today's meeting, whereby the council has resolved to request the Government to sanction a loan of Rs50,000/- to be repaid before 31-3-47 for regular and timely disbursement of salaries to muncipal, employees.

Such being the state of affairs the council has taken an unwise step in deciding to requisition the services of a Government servant as Head Master of the Muicipal High school Cannanore.

~~We therefore request the authorities not to accord their~~

We therefore request the authorities not to accord their approval

the meeting of the pension contrinution, leave allowances etc, of
overnment ~~[illegible]~~ headmaster and also not to give sanction to incur

The statement of the Councillors in the second para that the cannanore, Municipal council has passed a resolution on 23-11-44 resolving not to appoint any one from outside the school as Head Master of the Municipal High School is not true. What actually happened was this:-

The Education committee of the council of which these two councillors are also members had recommended, among other things, that a person from outside may be brought as Head Master of the Municipal High School. The Council, in accepting the committee's recommendation, deleted the portion referring to getting an outsider. This cannot be taken to mean that the council has actually expressed itself against getting one person from outside. Therefore the present resolution of the Council agreeing to pay contribution leave allowance etc on behalf of the person to be taken from Government Service to act as Head Master, is not contrary to the previous decision of the Council

As regards my disallowing a resolution brought by one of the Councillors without previous notice, I was bound to do it according to the rules. The resolution related to the action of the appointment comittee whereas the subject on the agenda was the Councils' willingness or otherwise to pay the contribution. Again a new and separate resolution cannot be moved unless notice thereof had been given to the councillors at the time of the service of the agenda.

As regards the statements of the councillors against getting a person from outside, the council has fully considered all aspects of the question and resolved in the best interests of the school that an outsider is necessary. This is in complete accordance with the repeated suggestion of the Director of Public Instruction and other officers of the Education Department.

The Minutes of dissent does not require consideration.
