Office of the
Director of Public Instruction,
Madras, Dated 27-8-1946.

From

Dr.S.R.U. Savor, M.A., D.Sc., I.E.S.
Director of Public Instruction, Madras

To

The Secretary to Government,
Education and Public Health Department.

Sir,

Sub: Manual Training - Teachers' College, Saidapet - Stipends
for students undergoing training in Manual Training and
Arts Masters' Section - Increased in the rate of -recommending.

In their Order No.M.S.828 Education dated 29-5-45 Government
agreeing to my recommendation that students undergoing training as manual
training instructors and arts masters ~~can~~ in the Teachers College, Saidapet
should be put on a par with those undergoing secondary grade training
were pleased to direct that the rate of stipends payable to the
former also be increased temporarily to Rs.12/- a month.

The rate of stipends payable to students undergoing the secondary
grade training has since, in G.O.No.MS.1018 Edn dated 21-5-46, been
increased to Rs.18/- a month. I therefore recommend that Government may be
pleased to raise the rate of stipends payable to students undergoing
training as Manual Training instructors and arts masters also from Rs.12
to Rs.18/- p.m. with effect from 46-47.

Copy to Budget and E sections.

[Pro]

Further, there are greater chances of promotion to higher scales of pay in the Ministerial service.

The need for more instructors will be evident from the following:-

- (a) Number of classes in woodwork and allied subjects as per Annual Report on Manual Training in Indian Schools in the Presidency for 1945-46 is:-

Woodwork classes	276
Paper and cardboard classes.	123
Clay work classes.	38
Total.	437

NOTE: The Manual Training Instructors that are trained in this office receive instruction, in Woodwork, Paper and Cardboard work, and clay work; they have to secure a pass in practical examination in these subjects.

- (b) More classes in woodwork are likely to be opened in future, owing to the availability of materials and equipment due to the cessation of the war.

- (c) The proposed reorganisation of the Secondary Education with a vocational bias and the introduction of Basic Craft Centred Education will add to the demand for more instructors.

- (d) Qualified instructors in woodwork are not now available even though vacancies are advertised in the newspapers by the school authorities.

I may also add that exemption is being granted year after year to a good number of schools for want of qualified instructors in the Manual Training.

In these circumstances it may be seen that unless the stipends are increased and the salaries offered are attractive enough there may not be sufficient response from suitable candidates for admission into this class.

GOVERNMENT OF MADRAS
EDUCATION AND PUBLIC HEALTH DEPARTMENT
MEMORANDUM No. 25953 A/46-2 Edn., dated 8th July 1946.
Manual Training Course - System of Recruitment.

The Director of Public Instruction is informed that sufficient number of candidates possessing S.S.L.Cs are not coming forward now for undergoing the Manual training course and that if the qualifications for admission to the course is raised as proposed by him, candidates willing to take the course will be much less. The Director's proposal to revive the system of training in vogue prior to 1929 is not therefore accepted.

Order Ms. No. 696 Edu dated T. 6. 1947
Resolution Rout.

The Govt. decided that
the school year 1947-48
with effect from 1946-47, the rates
of stipends payable to students
admitted to the courses of training
for manual training instructors
and art masters in the Teachers'
College, Sardapet, be increased from
Rs 12/- to Rs 18/- p.m. The orders
will be in force so long as the
candidates undergoing Secondary
grade training are paid stipends
at the rate of Rs 18/- p.m.

Finance (Exp. C)

Prior to 1932-3 the rate of stipends allowed to the students in the Manual Training and Art Masters' sections in the Teachers' College, Saidapet, was Rs. 15/- per mensem. In 1932, however, this rate was reduced to Rs. 11/- p.m. For the reasons given at A on p. 1 c.f. of (t) the rate was increased to Rs. 12/- p.m. for the duration of the war, on a par with the rate admissible to Secondary Grade Teachers' under training. On account of the introduction of compulsory elementary education in the Province, a scheme of training 4,000 additional teachers was sanctioned in G.O. 1018 Education dated 21-5-46 and, in order to attract more men for training, the Govt. in the above order increased the rate of stipends payable to Secondary Grade Teachers' to Rs. 18/- per mensem. The Director of Public Instruction has now proposed that the increased rate of Rs. 18/- per mensem allowed to secondary

grade teachers under training be given to students in the Manual Training and Arts sections also of the Teachers' College, Saidapet. E & P.H. recommend the proposal - see the draft order above.

2. The main reason adduced by the D.P.I. for the increase in the stipend for students in Manual Training and Arts Masters' sections is that they are on a par with the Secondary Grade teachers. It is submitted that the Government increased the rate of stipends to the former in G.O. at (t) to Rs. 12/- p.m. not ^{solely} because they were considered to be on the same ^{footing} ~~section~~ as Secondary Grade Teachers under training, but because the strength in the Manual Training sections was reported to be steadily falling and because of the inadequacy of the rate of Rs. 11/- p.m. in ^{view of} the prevailing costliness of living. It may be mentioned here that ~~during the retrenchment~~ in 1932, although the stipends to secondary grade teachers were discontinued as a measure of retrenchment, the stipends for Manual Training Students was ^{only} reduced from Rs. 15/- to Rs. 11/- p.m. Therefore any increase in the rate of stipends to the Manual Training Students should be justified on ^{if own merits} ~~adequate grounds~~.

3. In G.O. 1018 Education dated 21-5-46, the Government had to increase the stipends paid to secondary grade teachers in order to attract more men to fill posts consequent on the opening of additional classes under the compulsory elementary education scheme. ^{There is apparently no dearth of} ~~The demand for~~ students for the Manual Training and Art Masters' course ^{at present that would} ~~does not appear to be so~~ ^{now} ~~much as to~~ warrant an increase in the rate of stipends allowed to them. ~~There is also no indication that the strength in the classes is diminishing at present. It does not seem necessary also to offer any further inducement for persons to take up the course by way of increased stipends at the present moment when the war is over and more men will be available as military departments will be discharging persons employed by them. In the circumstances, Finance may advise that the rate of stipend now paid to students in Manual Training and Art Masters' sections need not be increased.~~

If, however, E & P.H. consider that some increase is

12.2.47. The proposal.

17/2/47 S
18/2/47
H.M. (Edu)

As admitted by Finance, the inadequacy of the stipends is one of the
reasons for our getting few men for these courses. Even the pay and pros-
pects haven't been improved considerably in the new revision of salaries
as seen from para. 2 on page 7 ante. From 70-5/2-95, it has been changed
to 70-3-100 which is not very much, and so, we may press for at least
this increase of stipends. In view of the paucity of Manual Training hands,
Instructors, we have to take steps in this direction.
