The sanction accorded in G.O.No.466 Edn dated 24-3-1944 for the employment of a Physical Director in the College of Engineering, Guindy will expire on 31-5-1947. The Principal reports that it is essential to have a Physical Director for the college and requests for the permanent retention of the post. Please see the reference from the Director of Public Instruction on P.I.C.P. and the draft order of E.P.H. on p.1 above.

The post of a Physical Director for the Engineering College, Guindy was sanctioned in G.O. 703 E.D. 12.5.42 and it has been continued since then. The D.P.I. now requests for the permanent retention of the post as it ^{would be in consequence} has been in ^{continuous} existence for more than five years. Since the Re-survey and Reorganisation Committee is of opinion that no posts should be made permanent ^{at present} ~~now~~ before the Committee gives its ^{recommendations} ~~opinion~~ on the necessity or the need of ^{and} the post, this department

may advise that the post may be continued for another year ^{on a temporary basis} and the question of making it permanent may then be examined in the light of the recommendations of the Re-survey and Reorganisation Committee.

With these remarks the case may be returned to E.P.H.
