MEMORANDUM.

Scholarships for Advanced
Studies Overseas - Provincial
Governments Scheme.

The undersigned is directed to say that some of the Provincial Governments sponsored scholars selected for advanced studies overseas have been observed to communicate direct with the various educational institutions abroad for purposes of their admissions. Such correspondence is ultimately referred by many of these institutions to our Educational authorities abroad, pointing it as to why such sponsored scholars are not advised not to enter into such direct correspondence with them. This correspondence on the part of the scholars leads to a great deal of confusion and besides their errors of choosing wrong centres.

2. The Government of India would, in the circumstances, appreciate if the Government of Madras would kindly emphasise to all their scholars who have not secured admission so far, the desirability of their not entering into such correspondence direct with the institutions abroad.
