ANNAMALAI UNIVERSITY

No. 974

30th January, 1947.

ANNAMALAI UNIVERSITY,
ANNAMALAINAGAR.

Secretary to Government,
Education & Public Health Department,
Fort St. George, Madras.

Sir,

Sub:- Establishment - Mr.C.Sambandam Pillai, Retired Accountant,
District Board Office, Cuddalore - re-appointment as
Accountant, Annamalalai University - Pension - Orders for
drawing - solicited.

I forward herewith the application received from Mr.C.Sambandam Pillai, the Accountant, Civil Engineering Department of this University, for permission to hold this post on Rs.100/- p.m. and to receive a pension of about Rs.42/- which he is entitled to get as the retired Accountant of the District Board, Cuddalore, South Arcot.

In the Annamalalai University, extensive building operations costing over Rs.5 lakhs are going on and buildings of a similar value will be taken on hand year by year. The University drainage scheme costing about 5 lakhs will also be taken on hand very shortly. All these works are being carried out departmentally owing to non-availability of good contractors. Non-availability of suitable materials in this part of the country is also another reason. To check and pass the heavy work bills, an accountant with fairly long experience in an Engineering establishment was found necessary and the Vice-Chancellor has selected Mr.C.Sambandam Pillai as a suitable man for the post and he has been doing the duties as such from 14-3-1946 with the permission of the President, District Board, South Arcot. He has retired from service from 20-1-1946.

Under article 521 of the C.S.R., the Vice-Chancellor has held that no part of pension need be held in abeyance and that he may be permitted to draw his pension from Government in addition to his salary from the University.

It is in the interests of this University to have an efficient trustworthy and experienced man in charge of accounts in the Civil Engineering Department and he has been selected as the most suitable man for the place.

I request you therefore to permit him under Art.520 and 521 of the Civil Service Regulations to draw the pension which he is entitled to get from

the Government in addition to his salary he will draw from the University Accountant.

Very recently Government were pleased to grant such permission to Dr.K.C.Chakko, B.A.,D.Sc.(Lond), M.I.E.,I.E.S.(Retd) who is now in the employment of the University as the Head of the Department of Engineering and Technology.

The Registrar,
Annamalai University.

Sir,

I beg to submit that I am the Accountant of the South Arcot District Board Office now on leave on half average pay from 28-12-1945 preparatory to retirement. As permitted by the President, District Board, in his No.D.4299 d. 8-3-1946, I am holding the appointment noted above on Rs.100/- during the period of leave. I retired from service from the 20th instant with a civil pension of about Rs.42/- Unless special sanction of Government is obtained, I will not be able to draw my pension under the rules of the Civil Service Regulations in addition to my salary allowed by the University. I am a big family man with half a dozen children. Having lost my wife in March last, I had to come away from Cuddalore with a view to be nearer my native place, Shiyali. My selection to the post I hold, I venture to submit, is to the best advantage of the University as already put in by the capable District Board administrator, Sri K.Sitarama Reddi Garu thus: "the applicant's experience as the Manager of the District Board Engineer's Office and as Accountant of the District Board will certainly stand him in good stead to efficiently discharge the duties that may be imposed on him as Accountant of the Civil Engineering branch under the University". There are too many Departmental works in progress and the work is heavy.

2. I am aged 55 and hope to continue to serve for two or three more years or for such shorter period as the University wants. I therefore request that the authorities may be pleased to approach the benign Government for favour of necessary sanction to permit me to draw the pension earned by my hard and long service of the past 33 years under Government and District Board, in addition to the salary now allowed by the University so long as I continue to render active service under this Administration. I understand that similar sanction has been accorded in the case of Dr. Chakko, the Head of the Department of Engineering and Technology, Annamalainagar.

I beg remain, Sir,
Your most obedient and faithful servant,

Submitted.

I find in Mr. Sambandam Pillai, a hard and willing worker. He is active and energetic and fit for work, though aged 55.

I am sure his experience & sincerity will stand us in good stead in the ~~heavy~~ ^{departmental} execution of our heavy building programme and I hope, he will serve the University for some years more.

His request for a special sanction may be sympathetically & favourably considered.

C.No.7739/47 - From the Registrar, Annamalai University, No. 9747 dated 30-1-1947.

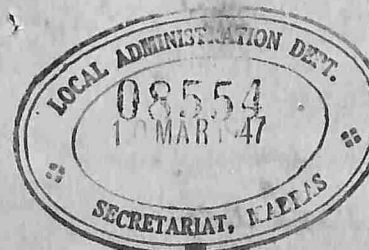

Mr.C.Sambandam Pillai, Retired Accountant, Dt. Board, Cuddalore, (pension- Rs.42/- p.m.) is now employed by the Annamalai University as Accountant in the Engineering Deptt. on a pay of Rs.100/- p.m. He ~~now~~ requests that he may be permitted to draw the pension and also the pay of Rs.100/- p.m. under articles 520 and 521 C.S.R. The University also recommends his request. There seems to be no objection to sanction the request of the applicant.

2. Presumably, Mr.Sambandam Pillai is one of the old hands in the District Board, who ~~he~~ had not elected to come under the Provident Fund system introduced in 1932, but was allowed to continue under the pension system, and hence he is in receipt of the pension of Rs.42/- p.m.

The file may be sent to I.A. u.o. for remarks.

3. Ordinarily, the pay on re-employment plus pension should not exceed the last pay drawn before retirement.

4. The remarks of I.A. ^{in this} may be invited u.o.
