Sironmani Chelliah, an evacuee from Burma. Mrs. Sironmani
Chelliah is getting Rs.60/- per mensem from her deceased

mother draws from Provident fund was found to be insufficient
even for the maintenance of her family and a sum of Rs.25/-
per mensem is being granted as maintenance advance to her
mother from September 46. The history of the evacuee family
was reported in detail to the Board in this Office Ref.

of the first three months of the academic year 1946-47 on
repayable basis after getting an undertaking from her mother.

Dated Madura the 23rd July, 1946

Sir,

I am an evacuee student from Rangoon, Burma. My father was employed in Messrs. Steel Brothers & Company Limited, Rangoon and was in receipt of a salary of Rs. 180/- per month. He remained on duty until orders were given by the Company to evacuate to India and he started trekking about the middle of April 1942 via Kalewa - Tamu - Manipur route. He took ill on the way and was admitted into the Emergency Hospital at Pandu where he died on the 18th May 1942, leaving behind wife and four daughters.

I am the third daughter and am 15 years of age now. All the members of our family excepting father evacuated from Rangoon on the 26th of December 1941 and have since been living in Madura. I was studying in the O.C.P.M. Girls' High School, Madura. I have now passed my S.S.L.C. Examination and have been declared as eligible for college course. I have now joined the Junior Intermediate class in the American Mission College, Madura.

My mother has not so far received any maintenance allowance under the Government of India scheme; but she has been drawing Rs. 60/- per month as advance payment from my father's Provident Fund account with Messrs. Steel Brothers & Company Rangoon (now at Calcutta) from July 1942. The amount to my father's credit in the Provident Fund account at present is Rs. 67 68. My mother has to support besides myself my three sisters. Owing to the increased cost of living it has not been possible for my mother to maintain and educate us with the advance she is drawing from my father's Provident

Fund Account and she has had to incur debts.

We have no other sources of income. We have to draw from the Provident Fund to meet all our expenses and it is fastly growing less. Recently we requested the manager of the Steel Brothers & Company to kindly grant us a pension in addition to the Provident Fund. Unfortunately the manager sent us a reply that the company was faced with an extremely difficult future and hence unable to institute a pension.

If you kindly grant me financial assistance for my education I will be able to finish my studies before the Provident Fund is completely spent and then help my mother and sisters. If I do not, receive any financial assistance from Government towards my education, my mother will be obliged to incur further debts or in the alternative I may be compelled to leave the college.

In view of the facts stated above, I beg to request that I may be given the necessary financial assistance for my education under the Government of India scheme.

I beg to remain,

Sir,

Your most obedient servant,

Joan Kanaga Chelliah.
