The Collector of Madras,
Madras.

Sir,

I have the honour to lay before you the following information for your favourable consideration and disposal:-

I am an evacuee from Singapore, having arrived in India in 1941 and my father came to India in February 1942 after the beginning of the war in the East by Japan. My father was employed in Singapore since 1911 and was the Director of Stanton Nelson & Co. Ltd. one of the biggest rubber brokers (an English firm) when war broke out. He left everything behind in Singapore when he came, i.e. all his life savings.

4
I studied in the St. Thomas College, Trichur, in the Junior Intermediate Class in the academic year 1943-1944 and owing to family circumstances, my parents changed to Palghat in 1944-1945 and I studied in the Victoria College, Palghat for the second Intermediate class. I joined the Loyola College for the third year Hons. Class during the academic year 1945-1946 and am now in the 4th Hons. Class in the same College and am put up at the College Hostel.

While at Trichur, I applied to the Political agent, Southern States, for financial assistance for College studies as sanctioned by the Central Govt. for evacuee students. An amount of Rs. 200 was sanctioned for payment to me through the Govt. Treasury at Trichur but as I was studying at Palghat when the authorisation came there, the authorities returned same as "unpaid".

My application for financial assistance for the second year Intermediate class through the Victoria College authorities was sanctioned and I received payment of Rs. 171 this year through your office at Madras.

I now beg to apply for assistance for the third and fourth year Hons. education. During the period of the third year (1945-46) as there was no hostel accommodation available I was having my meals at hotels in Madras and my mess expenses are approx. Rs. 420 for the year. I have now been able to secure accommodation in the Loyola College Hostel and am living there. I have incurred debts from relations to approx. Rs. 600 for the prosecution of my studies last year.

My father has been suffering from heart trouble over the last two years and is unable to provide for the education of all his children. His medicines alone cost more than Rs. 60 per month and he is under the treatment of Dr. S.K. Sundaram of the General Hospital, Madras. I have a sister in the College at Trichur and five more brothers and sisters studying in elementary and high schools.

P. 7/10/46
I pray that my application for financial assistance may be favourably considered and orders passed. I enclose herein a certified account from the Principal of the Loyola College for expenses (College only) during 1945-1946 and estimated expenses for 1946-1947. Regarding the hotel expenses of 1945-1946, I beg to state that Rs. 420 for the year is a fair average as you personally might know or can know by enquiry, of any college student.

Thanking you in anticipation of your favourable consideration of this, my application,

I have the honour to be,
Sir,
Your obedient servant,

N. Narayanan
