To The Secretary to the Government of Madras,

EDUCATION AND PUBLIC HEALTH Department.

Sir,

It has been reported by the Divisional Inspector of Schools, Coimbatore Division that due to the prevalence of Plague in Masagoundenchettipalayam and Papanackpalayam in the Coimbatore District there was a fall in the average attendance in the L.M. Aided Elementary Schools in these two localities. A statement showing the strength and attendance of pupils and the number of teachers employed is submitted herewith. One teacher was not assessed grant for three months from January to March 1946 in the former school and in the latter school three teachers were not assessed grants for one month in January. 1946. Permission to assess grants for these teachers is now sought for. The Health Officers concerned have reported that the two localities were affected by the Epidemic during the above period.

2. In the above circumstances, relaxation of Rule 4(2) of the Rules for Aid to Elementary Schools is recommended by the Divisional Inspector of Schools, Coimbatore and I suggest the proposal so that grants may be assessed on behalf of all the teachers in both the schools for the periods referred to above.
