S i r,

I beg to bring the following facts to your kind consideration and favourable orders.

I graduated in March 1944 as a Candidate with the REGISTER No.695. Now I am reading in the B.L.Class in the Madras Law College.

My date of birth, as entered in my S.S.L.Certificate No.89625 His sixth April Nineteentwentytwo (6-4-1922), whereas my real date of birth is only 29th November 1924, as per my horoscope. So there is a difference of 31 months between my real date of birth and the date of birth as found in my Certificate.

This error is undoubtedly due to the fact that when I was first admitted in the School, my date of birth was given according to the Tamil Era and that had been wrongly worked into the English era by the clerk of the School. So the error is due only to a bonafide clerical error.

I request that my date of birth may be changed and my real date of birth entered in my Certificate Book, which I will submit later.

I request you to kindly note the following facts in support of my request:--

- 1). My real date of birth is 29th November 1924 (பெப்ரவரி, கிந்தித்தொல் மீ, 14, 1924) as can be seen from my Horoscope enclosed. The official but wrong date of birth is 6th April 1922. My birth date (date of birth) is 6th April 1922. My birth has not been registered.
- 2). My mother's marriage took place on the 18th January 1923; in the next year, I was born. If you take my registered date of birth as true, I am reduced to the anomalous and unnatural position of having been born 9 months before my mother's marriage. I am the eldest son of my mother. So the registered date of birth is impossible of being correct.
- 3). I learn that my fifth birthday and my vidhyapyasam were celebrated on the same day (i.e.) on 1st Decr. 1929. Supposing my registered date to be correct, then my vidyapyasam took place not on my 5th year, as is the custom among our community and others, but only in my 7th year and a half.
- 4). So this is a bona fide clerical error, and can be justly altered.
- 5). Further I beg to submit that I am reading in the Law College and am going to enter a profession, for which there is neither an age limit for superannuation, nor any age limit for entrance. This proves that my desire to have my date of birth changed is not motivated by any means really on my part but only bonafide and genuine and only to set aright the anomalies referred above.

- 7
- 6). Even supposing that my desire to have this change in date of birth is due to my desire to enter Government Service, the age bar will operate on me only after an year and odd.
- 7). As there can be no better authority than my father, as to the truth of the facts stated above, I submit herewith a declaration by him to the same effect.

So I pray that my date of birth be changed from 6-4-1922 to 29-11-1924 in the light of the above facts.

Thanking you in anticipation, a reply at your earliest convenience is prayed for.

Yours most obediently,

S. Sathasivam...

THROUGH The Director of Public Instruction
Respected Sir,

Sub: S.S.L.C: Alteration of date of birth;

S. Sathasivam.

Please Read the following:

My letter to the D.P.I. dated 16-2-46;

D.P.I.'s L. Dis No 388-E/46 dated 4-3-46;

D.P.I.'s R.C. No. 241-E/47 dated 5-2-47.

This appeal is preferred by me
against the orders of the Director of Public
Instruction refusing to alter my date
of birth in his L. Dis No 388-E-46 dated 4-3-46.

I beg to submit that I have
already appealed to you on 27-7-46

13-2

Though your goodself has informed me in your S.O.S dated 25-2-47 that you did not remember to have received the appeal. But unfortunately my original horoscope was sent along with that appeal and that horoscope happens to be the only strong evidence to support my contention.

The Director before refusing alteration of date of birth did not take into consideration the following facts:

- (a) It is by a clerical mistake that the wrong date of birth has been entered.
- (b) According to the present date of birth I must have been born 9 months prior to my mother's marriage.
- (c) The horoscope prepared at the

3/3/47 (a)

time of my birth.

(d) In short the D.P.I did not consider para 4; clauses 2, 3 and 5 of para 6 of my letter to him dated 16-2-46. ^{pp. 6-8 etc}

The unreasonableness and the injustice of the order of the Director will strike your good self if you just find it possible to go through my letter to him dated 16-2-46 and his arbitrary order on it.

So I most humbly request you to order that my date of birth in my S.S.L.C be changed from 6-4-1922 to 29-11-1924.

An early disposal of the matter is prayed for. Thanking you.

Sir,

I beg to bring the following facts to your kind consideration and favourable orders.

2. I graduated in March 1944 as a candidate with Reg. No 695. Now I am reading in the B.L. class in the Madras Law College.

5. I request that my date of birth be changed from and my real date of birth entered in my certificate book, which I will submit later.

6. I request you to kindly note the following facts in support of my request:—

(1) My real date of birth is 29th Nov 1924 (565754, 571155, 1468) as can be seen from my horoscope enclosed. The official but wrong date of birth is 6th April 1922. My birth has not been registered.
