Office of the
Director of Public Instruction,
Madras, Dated 14-12-1946.

From

Dr.S.R.U.Sastry, M.A., D.Sc., I.E.S.
Director of Public Instruction, Madras.

To

The Secretary to Government,
Education and Public Health Department.

Sir,

Sub: T.P.F. - Sri J. Doraiswami - Payment of Government contribution - Loss of original application for admission and eligible certificate to the T.P.F. - Admitting the claim for Government contribution-requested.

One Sri J. Doraiswami, who was formerly employed in the London Mission School, Erode, died on 31-5-42 and his T.P.F. account was closed by the Dt.Edl.Officer, Coimbatore. The bill for Govt. contribution on behalf of the teacher in question was returned to the Dt.Edl.Officer by the Accountant-General, Madras as the original application for admission issued on his behalf was not produced. The Accountant-General has ruled when the original application for admission and the eligibility certificate were not forthcoming the orders of Government will have to be obtained (vide A.G.'s letter T.P.Sc.110462 and dated 19-12-1945 copy enclosed) for allowing Government contribution.

2. The Dt.Edl.Officer, Coimbatore, who was addressed to account for the loss of the certificate & his office was not in a position to give any satisfactory answer. It would however appear that the office of the Dt.Edl.Officer, Coimbatore was shifted once in 1937, again in 1941 and subsequently twice in 1942. Presumably the records might have been mislaid during any one of these transits. Since the Accountant-General insists that the orders of Government should be obtained as per the instructions contained in his ~~amr~~ circular referred to in

: 2 :

in para 1 above, I request that the Government may be pleased to instruct the Accountant-General to admit the claim for Government contribution on behalf of the teacher in question.

3. I invite your attention in this connection to G.O.No.1407 Edn dated 20-7-46 wherein a similar ~~next~~ case has been disposed of.

Copy of letter T.9.Sc.II-462 dated 19th December 1945 from the Assistant Accounts Officer, Madras to the Director of Public Instruction, Madras.

Ref : Para 3 of your letter dated 7-7-45 regarding records that will be accepted in place of the original application and the eligibility certificate - Teachers' Provident Fund.

With reference to your letter quoted above I have the honour to state that if the subscriber is alive and one of the two documents referred to above is missing, a certified copy of the card catalogue required to be maintained by the Inspecting Officers under Rule 2(c) of the Teachers' Provident Fund Rules may be accepted. If, however the subscriber is not alive, the question of payment will have to be considered in accordance with the spirit embodied in Rule 12(b) of the Rules relating to the Provident Fund for Teachers in non-pensionable service, and such cases may be referred to this office for opinion as and when they come up. If both the documents in a particular case are lost orders of Government will have to be obtained for admitting the claim.

2. I would, however, add that the necessity for the proper records being maintained may be pointed to the District Educational Officers, who may, during their inspection verify say, once in two or three years, the supporting documents and issue instructions for supplying omissions of this kind so as to avoid such cases as far as possible.
