G.O. No. 737, 15th April 1947

Rules—Establishment—Local Boards and Municipal Councils—Personal conduct of officers and servants—Sale of National Savings Certificates—Utilization of services of teachers in schools as agents—Draft amendments—Published.

READ—the following paper :—

Letter from the Provincial National Savings Officer, dated 17th December 1946, No. 925/46 A-1.

Order—No. 737, Education, dated 15th April 1947.

It is proposed that teachers employed in schools under local bodies may be appointed as authorized agents for the sale of National Savings Certificates, they being paid a commission of 2½ per cent on the value of certificates sold by them. Rule 6 (1) of the rules relating to the personal conduct of officers and servants of local bodies prohibits the teachers from undertaking any employment other than their public duties. The Government propose to amend the rule so as to permit the teachers to undertake the sale of National Savings Certificates.

2. The teachers should work only as internal authorized agents for the benefit of the pupils and teachers of the schools. They should initiate and improve the habit of thrift among pupils even while they are young and provide easy facilities to the teachers to save and buy National Savings Certificates. Teachers who are appointed as authorized agents may receive amounts tendered by pupils for the purchase of National Savings Certificates but active canvassing among pupils as well as among persons unconnected with the schools is prohibited.

3. The appended notifications will be published in the *Fort St. George Gazette*.
