Director of Public Instruction, Madras.

To

The Secretary to Government,
Education and Public Health Department.

Sir,

Sub: Govt. Arts College, Coimbatore - Employment
of an additional Tutor in English.

I have the honour to request that Government may
be pleased to sanction the employment in the current year
of an additional Tutor for the English Department in
the scale of Rs. 70-10/2-100.

2. The present staff for the English Department
consists of a Lecturer, 2 Assistant Lecturers and 1
Tutor. The three members do 37 hours of work a week
and in addition there are 570 composition exercises for
correction. It is pointed out that the members of the
staff will not be able to go through more than 200
note books in a week and of the balance of 370 books,
the existing Tutor cannot be expected to do more than
150 if the normal level of efficiency is to be main-
tained. For the surprise tests to be conducted monthly
a still larger number of answer books have to be valued.
I consider that an additional tutor is essential
and request that the post may kindly be sanctioned.

for Director of Public Instruction.

Sir,

Sub:- Government College, Coimbatore - employment of an
additional Tutor -

Ref:- Government Memo No.51912 A/46-2 Edn., dated 26-9-46.

I have the honour to state that the existing Tutor in the
College has not been assigned any lecturing work and his work consists
only of composition correcting.

2. From the statement of the distribution of work submitted by
the Principal it is found that the lecturer and 2 assistant lecturers
have been allotted 285 composition note books for valuation and the
balance of 270 note books to the Tutor. Normally it will not be possible
for a member of the staff to value more than 8 books in an hour and the
valuation of 270 books will take 34 hours a week. I submit that it will
not be possible for the existing Tutor to undertake the work and I therefore
consider that an additional Tutor is essential.

The draft on p1 ante explains the proposal. Finance object to it on the grounds stated at A on p4 ante. It is submitted that this Dept have proposed, in another connection that a working formula of 10 hours lecture and 10 hours practical for each lecturer and Asst Lecturer and 14 hours of practical besides valuation of 100 note books for each demonstrator ^{or tutor} may be adopted. It will be seen from p5 CF that the existing tutor has no practical work but has been assigned the work of correcting 270 note books. The DPE has also reported that with the introduction of surprise tests to be conducted monthly, a still larger number of answer books have to be valued. This means odd work for the existing tutor. It seems that an addl tutor may be allowed, with ref to A' above. It is for orders whether this Dept may press the present proposal.
