To

Education and Public Health Department, Madras.

Sir,

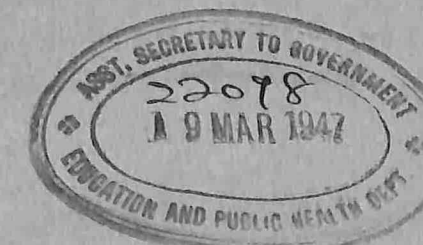

Sub:- College - Engineering, Guindy - Purchase of equipment for the Mechanical Engineering laboratory - Sanction of expenditure.

I request the sanction of Government to an expenditure not exceeding Rs.2775/- (Rupees Two thousand seven hundred and seventy five) only in the current year on the purchase of an Engine Indicator required for the Mechanical Engineering Laboratory of the College of Engineering, Guindy.

2. Sanction to purchase the Engine in 1945-46 at a cost of Rs.1862/- was accorded by me. Messrs. Marshall & Sons on whom the indent was placed could not supply the machine in 1945-46 nor did they guarantee its supply in the current year. The firm has however, supplied the engine recently at a cost of Rs.2775/-. The Principal has taken over the machine in anticipation of sanction and I request that Government may kindly approve his action.

3. The expenditure can be met from the current year's allotment under "37(d) B3 - Workshop maintenance - Apparatus and materials for workshops - Europe stores to be got in India".
