Enc: One.

Sir,

Sub: EDUCATION - Elementary - Tanjore District Board -
Board Boys School Seviyarkudikadu, Pattukottai Taluk -
closure - expenditure - incurred - after withdrawal -
of recognition - condonation requested -

The recognition of Board Boys School Seviyarkudikadu, Pattukottai Taluk was withdrawn by the District Educational Officer Tanjore from 1.10.45 in his RC.No.1875/45 dated 12.3.46 as there was no sign of improvement in the condition of the school and as the school continued to be uneconomic.

The subject of closure of the school was thereupon placed before the district board which in its resolution No.142 dated 6.5.46 resolved to try the school for another six months in consideration of the fact that the school was situated in a backward area. (A copy of the D.B.R.No.142 dated 6.5.46 enclosed). The District Educational Officer Tanjore was informed of this fact and requested to restore recognition to the school in this office letter RC.No. 23611/45 dated 16.5.46 and the Director of Public Instruction Madras was also addressed on the subject in this office letter RC.B.11.23611/45 dated 23.5.46.

The Director of Public Instruction Madras in his Proceedings D.Dis.320/46 dated 29.10.46 refused to reconsider the orders passed by the District Educational Officer Tanjore. These orders were received on 8.11.46 and the school was closed on 20.11.46.

An expenditure of Rs.676-14-0 has been incurred by way of salaries, dearness allowances, house rents, contingencies etc., for the period from 1.10.45 to 20.11.46 i.e., subsequent to the withdrawal of recognition from the school by the District Educational Officer, Tanjore.

I request that Government may be pleased as a special case to condone the expenditure incurred viz., Rs.676-14-0 from 1.10.45 the date of withdrawal of recognition to 20.11.46 the date of actual closure of the school.

Sub: EDUCATION - Elementary Education - Tanjore District
Board - Board Boys School - Vaduvor Vadapathi -
Mannargudi Taluk - closed - Expenditure for the
interim period to be admitted -

12362

As the test relating to the proportion of girls to boys was not satisfied and the enrolment of scheduled castes children was only nominal, the District Educational Officer considered that the Board Boys school at Vaduvor Vadapathi might be closed and accordingly withdrew the recognition of the school with effect from 1.9.45.

2. On receipt of these orders, the villagers met and discussed the question with the President of the District Board who requested the District Educational Officer to restore recognition for a period of 3 months (until 31.12.45) as the villagers promised to show substantial improvement during that period. But the District Educational Officer declined to comply with the request and this communication was received in this office on 30.10.45.

3. The President thereupon placed the subject before the Board and the District Board which met on 29.11.45 referred the matter to the Vice-President for inspection and report. On the basis of the report of the Vice-President, the District Educational Officer was again requested on 5.3.46 to restore recognition to the school and to allow one year for satisfying all the departmental tests. The District Educational Officer refused to reconsider his views and the Director of Public Instruction was addressed on the subject. On 24.9.46, he issued orders that the school should be closed immediately and that he would be constrained to address Government if the school was not closed. The Government were addressed by the district board in this office RC.B9.3843-45 dated 25.10.46 but Government also in their Memo No.66859-B2-46-2.Edn., dated 3.12.46 declined to interfere in the matter. Orders were then issued in this office RC.B5.29565-46 dated 23.12.46 to close the school and the school was ultimately closed on 4.1.1947.

4. The school had thus been working without recognition from 1.9.45 to 3.1.47 and the District Board has incurred an expenditure of Rs.1,368/- during the period.

5. I request that Government may be pleased to admit the expenditure incurred on the school during the period from 1.9.45 to 3.1.47 as it will be objected to in audit.

2. This is another case wherein the expenditure was incurred
after with-drawal of recognition of the school. Attention is invited
to my endorsement R.C. No.11501 B1/46 dated 9.1.1947 regarding the
Board Elementary School, Seruvaviduthi and my remarks in paras 3 & 4
hold good in this case also. The action of the District Board in *having*
allowed the school to work for one year and four months after the
withdrawal of its recognition and incurring an expenditure of Rs.1368
during this period, appears to be reprehensible.

Schools - D.T.Bd. Tanjore - Certain etc. Schools - Expenditure incurred after withdrawal of Recognition

It has been the practice of the D.T.Bd Tanjore to Continue etc. Schools even after withdrawal of Recognition by the departmental officers. The policy of the Govt is to allow only efficient and well conducted schools to function in rural areas. When schools are considered uneconomic and ill working the departmental officers used to suggest to the P.D.Bs to close the schools and transfer their provision to needy places. When the P.D.Bs refuse to act on the advice of the departmental officers, Recognition of the school is generally withdrawn. The D.P.G has pointed out that the P.D.Bs Tanjore never acted according to the advice of the D.E.O. The President without closing the schools used to address the D.P.G and the Govt for the continuance of the schools. Only when these authorities decline to interfere in the matter, he used to take steps to close the schools.

2 Four instances from the D.T.Bd. Tanjore have been brought to the notice of the Govt, recently. In two cases the expenditure incurred by the D.T.Bd on schools after withdrawal of recognition has been ratified even though the D.P.G pointed out the need for Sewcharge on the P.D.Bs. In the two cases dealt with in the C.F. the D.P.G raises the question of Sewcharge. The President is not in office now and the D.T.Bd is at present under the control of the Collector. In the circumstances it is for orders whether the expenditure should be disallowed (then only the Examines of S.P.A will take up the question of Sewcharge) or whether the irregularity merely be ratified as in previous cases.
