Grants for the equipment of colleges, secondary schools and special schools under private management are sanctioned under the provisions of Chapter IX of the Grant-in-Aid Code. Schemes eligible for grants exceeding Rs. 2,500 are sanctioned by Government, for inclusion in the approved list; schemes eligible for a grant of Rs. 2,500 and less are sanctioned by the Director of Public Instruction but in the case of secondary schools for boys and training schools for masters, schemes for which the grant payable does not exceed Rs. 500 are sanctioned by the Divisional Inspectors of Schools. Applications accepted are included in an "Approved list". The grants are disbursed after the articles of equipment have been purchased and the necessary vouchers produced. The actual distribution of the amount provided each year for all schemes except those sanctioned by the Divisional Inspectors of Schools is authorized by the Director of Public Instruction with reference to the urgency of applications in the "Approved list". The amount required for disbursement of grants for the schemes sanctioned by Divisional Inspectors is placed at their disposal by the Director of Public Instruction and payment is authorized by them.

2. The following statement compares the amounts provided in the last three years and the provision proposed for the next year :—

	1944-45. RS.	1945-46. RS.	1946-47. RS.	1947-48. RS.

3. The total demand for grants in respect of equipment schemes for 1947-8 is Rs. 1,91,500 against Rs. 1,87,400 in 1946-7. The increase is mainly due to the admission to aid of a large number of schemes for the purchase of equipment for secondry schools. The Director proposes that provision may be made for the entire liability in the budget for 1947-8. This department recommends the proposal.

GRANT - Equipment - Non-European colleges, secondary schools and special schools under private managements - Part II Scheme for 1947-48.

Grants for the equipment of colleges, secondary schools and special schools under private managements are sanctioned under the provisions of the Chapter IX of the Grant-in-Aid Code. Schemes eligible for grants exceeding Rs.2500/- are included in the approved list with the sanction of Government. Schemes eligible for a grant of Rs.2,500/- and less are placed on the approved list by the Director of Public Instruction; but in the case of secondary schools for boys and training schools for masters, schemes for which the grant payable does not exceed Rs.500/- are sanctioned by the Divisional Inspector of Schools. The grants are disbursed after the articles of the equipment have been purchased and necessary vouchers are produced. The Director submits to Government every year for consideration as a Part II Scheme a list of the accepted schemes for which provision should be made for payment of grants in the next year's budget.

2. The following statement sets out the amount recommended for inclusion by the Director in the next year's budget:-

Head of Account.	Item of expenditure.	Non-recurring. Ultimate cost Rs. (3)	Non-recurring. Cost in 47-8. Rs. (4)

	Total.	3,15,100	3,15,100

3. The policy of Government is not to give special help or encouragement for the starting of new Arts Colleges for men or for the opening of new courses in the existing colleges. ~~In accordance with this policy,~~ of the items 12 to 20 in the Director's list on page 2 c.f. for which he has recommended inclusion of provision in the next year's budget, items 14 and 16 are for the opening of new courses. Application for grant towards the purchase of equipment in these two cases has been ordered to lie over pending revision of the policy referred to above. These two items may therefore be deleted. In forwarding the application of the Loyola College, Madras, for a half grant for the purchase of science articles, books and furniture for the new B.Sc.(Honours) course in Chemistry, the Director has stated that the equipment will be purchased during 1947-48 and 1948-49 and the grant to be made therefor may be spread over equally during the next two years. The file has been sent to Finance U.O. It seems sufficient to provide for a grant of Rs.60,153/- for this item in the next year's budget. The Director has since forwarded the application of the Pachaiyappa's College, Madras, for a grant towards the purchase of books and science apparatus at an estimated cost of Rs.38,570/- and he has recommended that it may be included in the approved list for 1947-48. A half grant of Rs.19,285/- may be provided for this institution. The total provision to be made for equipment for Arts Colleges will then be Rs. ~~1,78,384/-~~ 1,14,823/- or 1,~~78,400/-~~ 1,14,800/- in round figures.

4. The provision proposed by the Director for equipment grants to non-Government Professional Colleges, Secondary ~~schools~~ and special schools may be accepted.

5. With reference to the ~~instructions~~ instructions issued

issued in Finance U.O.Note No.54303 (B)-1 dated the 9th October 1946, it is submitted that the equipment grants are absolutely essential for the proper running of the schools and the proposal may therefore go forward as a Part II Scheme for 1947-48.

6. The file may be sent to Finance for remarks.

Finance (B.E.V):

Part II Scheme for 1947-8:

In the circumstances stated on pages 1-3 above, the proposal of the Edl.H. dept. to treat the items of grants detailed on pp.1-2 above as Part II Scheme for 1947-8 may be agreed to and that dept. may be requested to prepare the necessary note.

22.10.46.

	1943-4	1944-5	1945-6	1946-7	1947-8
	Rs.	Rs.	Rs.	Rs.	Rs.
1. Arts colleges	30,900	12,600	60,800	80,200	1,14,800
2. Professional colleges	300	7,500	21,700	2,500	2,500
3. Secondary Schools	29,300	49,700	44,800	97,000	1,20,200
4. Special Schools	800	2,400	3,800	7,900	14,000
Total	61,300	67,400	1,31,100	1,87,600	2,51,600

It will be seen that the amount proposed for next year is much in excess of that provided in previous years' budgets. In view of the need for restricting expenditure on new items in 1947-8, the Edl.H. dept. may be requested to consider whether the amount proposed for next year can be reduced to (say) Rs.2 lakhs. The reduction may be spread over the normal application of grants with reference to the urgency of the proposals.

disbursed after the articles of equipment have been purchased and the necessary vouchers produced. The actual distribution of the amount provided each year for all schemes except those sanctioned by the Divisional Inspectors of Schools is authorised by the Director of Public Instruction with reference to the urgency of applications in the "Approved list". The amount required for disbursement of grants for the schemes sanctioned by Divisional Inspectors is placed at their disposal by the Director of Public Instruction and payment is authorised by them.

2. The following statement compares the amounts provided in the last three years and the provision proposed for the next year:-

3. The total demand for grants in respect of equipment schemes for 1947-48 is Rs.1,91,500 against Rs.1,87,400 in 1946-7. The increase is mainly due to the admission of a large number of schemes for the purchase of equipment for secondary schools to aid. The Director proposes that provision may be made for the entire liability in the budget for 1947-48. This department recommends the proposal.
