Concessions to Service Personnel -
Govt. Technical Examinations - Exemption
from Examination

A certain number of candidates, military as well as war service personnel, are desirous of appearing for the Govt. Technical Examinations to be held in April-May 1947, in Book-Keeping & Accountancy, etc. They request for exemption from the payment of examination fees.

2. The Commissioner for Govt. Technical Examinations to whom the matter was referred, states that there is no G.O. contemplating the grant of such exemptions to these personnel, in respect of the Govt. Technical Examinations under his control. I am therefore approaching you on the matter.

3. You are no doubt aware that educational concessions, in the form of exemption from tuition fees, examination fees etc. are granted to service personnel, if they wish to continue their studies in a University. And as the candidate in question seem to have attained a sufficient degree of skill in the subject, as they are anxious to take the Govt. Technical Examinations (which may incidentally facilitate their resettlement in civil life) and as their number is not large, it is strongly recommended that examination fees may please be waived in their case, as a special case.

4. On receipt of a reply, I shall inform them accordingly.

PROCEEDINGS OF THE DIRECTOR OF PUBLIC INSTRUCTION, MADRAS
R.C.No.11647 W1/46, dated 27-2-1947.

Sub:- Educational concessions - Ex.service men - Government Technical Examinations - April - May 1947 - Exemption from the payment of Examination fees - Recommended.

Government Endorsement No.74580 C1/46-1 Edn.,
dated 17-12-1946.

In resubmitting herewith the letter from the S.R.L.O. referred to me with the above Government endorsement, I recommend that ex-service men may be exempted from the payment of the prescribed examination fees in respect of the Government Technical Examinations to be held in April - May 1947.

2. In this connection, I may state that ex-servicemen who are allowed certain concessions in the matter of training as teachers under G.O.No.1284 Edn., dated 22-8-1945, are also exempted from the payment of the examination fee for the Training School Leaving Certificate examination. As the Government Technical Examinations are also more or less professional in character and as the S.R.L.O. states that the passing of these examinations by certain ex-servicemen who have attained a sufficient degree of skill in some Technical subjects will facilitate their resettlement in civil life, the request of the S.R.L.O. is recommended for the favourable consideration of the Government.

Please see the letter from the S.R.L. O. at p.1 c.f., the remarks of the D.P.I. thereon at p.9. c.f. and the draft order on p.1 above.

There is no indication in the file as to the number of ex-service personnel that will be appearing for the examination to be held in April-May, 1947, and the consequent loss of fee income to the Government. If the exemption asked for is ~~not~~ granted in this case, it is likely that it will have to be continued for subsequent examinations also. As it is desirable to have a rough estimate of loss involved in the proposal which is likely to be ~~of a~~ recurring nature, E.P.H. may be requested to call for information on the above points in the first instance.

Educational Concessions--Ex-Service men--Exemption from the payment of examination fee for Government Technical Examination

From the S.R.L.O. No. SRM. 12.1597 dated 29-11-46.
From the D.P.I. ~~R.O.C.~~ No. 11647 W1/46 dated 27-2-47.

--

The S.R.L.O. brings to the notice of Government that a certain number of candidates military as well as War Service personnel are desirous of appearing for the Government Technical Examination to be held in April - May 1947 in Book-Keeping and Accountancy, etc. and recommends that examination fees may be waived in their case as a special case. The D.P.I. says that the ex-service men who are allowed certain concessions in the matter of training as teachers are exempted from the payment of the examination fee for the training school leaving certificate examinations. He therefore recommends that ex-service men may be exempted from the prescribed examination fees in respect of Government Technical Examination.

In the matter of further education for ex-service men Government have sanctioned the scheme for their University Education in G.O.No. 1167 Education dated 12-6-1946. The question of sanctioning a similar scheme for the Post-Secondary but Non-University courses is still under consideration. The Government Technical Examination courses are Post Secondary but non-University. However a decision in the present request of the S.R.L.O. need not await a decision on the general question of the Post Secondary but non-University courses. Government have sanctioned the waiver of the examination fees for the various Govt. examinations in the case of the children and dependent of the ex-service men. The D.P.I. has not reported the amount of loss to Government. It is presumed that it will be very little and a reference on this to the D.P.I. is not necessary.

A draft order is submitted. May be sent to

Finance for acceptance.
