The Honourable The Minister for Education,
Government of Madras,
Madras.

I beg to bring the following facts for your kind consideration and favourable orders:-

The Andhra Yuvati Samskrita Kalasala at Rajahmundry is an institution intended exclusively to provide oriental -- education to women. It has been the experience of this institution during the last 25 years that it is very difficult to get women-students, to take up higher course in the college and the analytical table given here-under shows that a good number of these pupils are widows

The Director of Public Instruction, Madras when addressed on the subject, was pleased to say, that the sanction of the Government is required before widow-scholar-ships can be granted to widow-pupils of Oriental Institutions.

I therefore request that you will be so kind as to extend the award of widow-scholarships to widow-pupils of -- Oriental Institutions also.

I beg to remain,

The Principal, Andhra Yuvasi Sanskrita
Kalasala Rajahmundry requests that scholarships
may be provided for widoro pupils studying in
Oriental institutions as has been done for those
reading in Arts Colleges.

2. The Govt have sanctioned the grant of a certain number of Scholarship for widow pupils in Secondary Schools & colleges. (47 for Hindu widows tenable in the Lady Willingdon Training College Triplicane, 42 for Hindu & Muhamadan widows tenable in any recognised school with hostel attached and 4 widow Scholarships in each of classes I to IV in the Queen Mary's college Madras). Last year the DP I proposed the institution of ten widow scholarships of the monthly value of Rs 6 for the widow students studying in the two Oriental Colleges. The Finance Dept suggested that this may be done by reserving 10 out of the existing 45 Scholarships for students studying in Oriental institutions for widows studying in Oriental Colleges. As this would reduce the existing facilities, this Dept formed the Director for proposal. This was not approved in Government vide letter on 11-7-9 of G.O. No 1977 Edn 26-11-48. It is for consideration ^{collective} the question may be reopened and the Director's proposal may be considered in connection with the budget for 1947-8.

While Ash College & Schools are allowed these Scholarships there is no reason why Oriental Colleges should be denied them. The question may be considered in Committee in early next year and seen for disposal.

This dept. have not objected previously to Scholarships being granted to the widow pupils studying in Oriental Colleges, but only suggested that for reasons stated at the top of p. 7 of G.O. 1977 Edn. On 26.11.45 it would seem sufficient to set aside for the widows studying in Oriental Colleges, 10 out of 45 Scholarships already sanctioned for higher studies in Sanskrit. No fresh reasons have been adduced for recommending the dept. view. Circumstances P.H. may be requested to take orders in circulation, if they want to bring forward the proposal as a Part II Scheme for 1947-48.

Notes on pages 1-2 ante may be perused.

In September 1945, the D.P.D. submitted proposals for the institution of 10 scholarships of the monthly value of Rs 6 tenable for nine months in a year by widow students reading in the two Oriental Colleges for women - viz. The Andhra Yuvati Sanskrita Kalasala Rajahmundry and the Sri Sarada Niketan Guntur. As the demand for women Pandits is great and in several institutions for girls men Pandits are being appointed for want of qualified women Pandits. The Finance Dept. suggested that this may be done by reserving 10 out of the existing 45 scholarships for students studying in Oriental institutions. As the existing number of scholarships was considered inadequate and the D.P.D. had proposed the institution of 25 additional scholarships tenable in advanced Sanskrit & Tamil schools, it was considered that any reservation out of the existing number of scholarships specially for widow students in Oriental Colleges would reduce the facilities for students in Sanskrit schools & colleges and this Dept. pressed for the acceptance of the Director's proposal. vide notes on p. 7-9 of G.O. 1977 Edn of 26.11.45

The Principal The Andhra Yuvati Sanskrita Kalasala Rajahmundry has now requested the Govt. to institute scholarships for widow students in Oriental Colleges as they have done for widows studying in Secondary schools & colleges. It is proposed to consider the Director's proposal which was not approved last year as a Part II scheme for 1947-48.

PART II SCHEME FOR 1947-48.

	Total.	1,400	700		

With a view to encourage advanced oriental learning, the Government sanctioned the award of 45 scholarships tenable in oriental colleges affiliated to any of the Universities in the Province - 22 for students preparing for Siromani and Vidyapravina examinations and 23 for those preparing for Vidwan and Bhashapravina examinations.

2. Owing to the increase in the number of elementary and secondary schools for girls in this Province, the demand for women pandits is great and in several girls schools men pandits are being appointed for want of qualified women pandits. It is very difficult to get women students to take to oriental studies courses of study as pupils coming for such studies are mostly poor. The existing 45 scholarships have to be distributed among students in the 21 affiliated Tamil and Sanskrit Colleges and in the Meenakshi Oriental College under the Annamalai University and provision has to be made for renewals and fresh awards every year. It is not therefore possible to set apart

any scholarship for women out of the existing number. It is ^{therefore} proposed to institute 10 scholarships of the monthly value of Rs.15/- tenable for nine months ~~especially~~ for women students studying in the ~~two~~ oriental colleges. ~~(And for women students in Kalasah Rajahmundry & Sanadani Kalasah Rajahmundry)~~ for women and for those who may take ~~admission~~ to oriental studies in other affiliated oriental colleges in the Province. It is proposed to award five scholarships in 1947-48 and in subsequent years there will be five fresh awards and five renewals every year.

3. The ultimate cost involved in the proposal is Rs.1,400/- per annum. This Department recommends that a provision of Rs.700/- be made in the Budget Estimate for 1947-48.
