Grant of financial assistance to evacuee University students - question of the continuance of the scheme for the academic year 1946-47.

With reference to this Department circular letter No.F.18/45-E(ii) dated the 12th September 1945, I am directed to say that, as a decision on the question of the continuance of the scheme of education allowance to evacuee University students for the academic year 1946-47, is likely to take some time, the Government of India have decided that financial assistance to evacuee University students may be continued for that academic year on repayable basis until further orders. The financial position of each individual student should, however, be reviewed in the light of the

 circumstances now prevailing in the far Eastern territories after their re-occupation and financial assistance given only in these cases where the students have not yet been able to fallback on their pre-evacuation resources. The benefit may also be extended to the students who, after passing their school final examination have become eligible for admission to a University not later than 1946 and join University Classes during the academic year 1946-47.
 2. I am further to say that the dependants of persons who have returned to the country from which they evacuated, on getting some post under Government should not be considered eligible for assistance under the scheme. The dependants of persons who have gone back to resume their old business or profession may be given repayable financial assistance only for a period not exceeding three months from the date of their guardians' departure from India.
