C. No. 3349-K2/46 dated 16th August 1946.

Sir,

Government Arts College, Coimbatore--Employment of a
Physical Training Instructress.

48402

I have the honour to request that Government may be
pleased to sanction the employment, with effect from 1.9.1946,
of a Physical Training Instructress in the scale of Rs. 30-3/2-45-
2/2-55 with a special pay of Rs. 10/- per mensem for the Government
College, Coimbatore.

2. There are at present 50 lady students on the rolls of the
college. The Principal states that while the men students have
a Physical Director to organise the games and sports, women
students have none. As the women students also pay the games
fees, it is only reasonable that they too should have regular
and organised P-physical Training on the lines of the men students.
The Lady Tutor of the college is at present reported to be
looking after the Physical activities of these women students in
addition to her legitimate duties, but the results are reported to
be not satisfactory as the Lady Tutor is not qualified and
unable to devote her full attention. I consider that a separate
Physical Training Instructress is necessary.

SUB: Government College, Coimbatore - Employment
of a Physical Training Instructress.

Ref: Government Memo. No. 48402-V46-1, E.M., dated

I have the honour to state that, the number of lady students in the College, justifies the need for having a separate Physical Training Instructress to organise the athletic activities for the Lady students. Among the Arts Colleges for men in the Province only 3 Colleges (excluding the Presidency College, Madras) have a large number of lady students on the rolls.

Government College, Coimbatore....	50
Government Victoria College, Palghat	88
Government Brennen College, Tellicherry.	54

In his report on the working of the College for 1945-46 the Principal, Government Victoria College, Palghat has already raised the question of a Physical Training Instructress. He states that with a large number of women students in the College, the need for a Physical Training Instructress to organise and supervise their athletic activities is keenly felt. Proposals for the employment of separate Physical Training Instructress in the two Colleges referred to above will be submitted to Government on their receipt from the Principals of the Colleges.

2. The Principal, Government College, Coimbatore states that the existing arrangements are not satisfactory and that the Physical Training Instructress will have full time work. In the circumstances I request that the employment of a Physical Training Instructress may kindly be sanctioned.

Re the D.O.I's reply on p 5 ante to the memo on p 3 ante. It does not seem necessary to accept the present proposal of the D.O.I. for the employment of a Physical Trg. Instructress in the Court Arts College, Comblatore in view of the proposals referred to relative needs of the institution with those of the Court Colleges at Talghat and Tellicherry. The receipt of the proposals referred to at A. 100 p 5 ante, the proposals may be examined generally on the merits of each case. In the circumstances it is for consideration whether the Director may be further asked to search the proposals in respect of the other two colleges also.

The proposal in the file is to appoint a Physical Training Instructress in the Govt. Arts College, Coimbatore to organise games and sports among women students in the College. The extra cost involved in the proposal is Rs 842 p.m.

2. There is a Physical Director for men in the College. The D.P.D. proposes a ~~se~~ separate Physical Instructress for women students for the reason stated at 'P' on p. 1 C.F. It is also stated that ~~the~~ apart from the Arts College, Coimbatore, Govt. Victoria College, Palghat and Govt. Baennan College, Tellicherry have got a strength of over 50 women students and the proposals for the appointment of a Physical ^{training} Instructress in ^{each} those ~~schools~~ Colleges also will be submitted in due course. Although a Physical ^{training} Instructress for women is desirable in Men's colleges having large strength

12 3
of women students, it does not seem that the present ^{time} is the ^{opportune} ~~proper~~ time for ~~implementing~~ ^{such} the proposals. ^{Such} Colleges have been managing without a ^{separate} Physical Instructress ^{at} ~~from~~ ^{all now} a long time and they may as well wait for a few ^{more} years. The criteria fixed in Finance No. 34495 B G-1 & 7.10.46 for admission of fresh expenditure in the current year ^{cannot be said} does not seem to have been satisfied in this case as the ~~prop~~ ^{postponement} of the present proposal ^{unavoidably} cannot be said to seriously inconvenience the proper working of the Department. The proposal is not therefore an absolutely essential one for the ~~proper~~ running of the administration. In the case of the

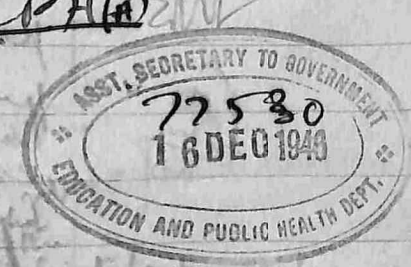

4 13

employment of a Physical Director in the Presidency College this dept advised against the proposal as one ^{that} does not seem to be essential and it is understood that H.P.M. agrees with this dept's view. This dept may similarly advise that the employment of a Physical Instructress for women in the Coimbatore College may also be deferred for better times.

With the above remarks the case may be returned to F.H.H.

Ref. 7.12.46
In the circumstances stated by F.H.H. it is for consideration whether this Dept may agree to defer the proposal.

A

The proposal is for the employment of a Physical Training Instructress in the Government Arts College Coimbatore, involving an additional expenditure of about Rs.850/- per annum. The Director of Public Instruction has stated that there are 50 women students in the College, that the Lady Tutor of the College is now looking after the physical activities of the women students in addition to her legitimate duties and that this arrangement is not satisfactory. The Finance Department consider that the proposal is not absolutely essential as the College has been managing without a separate Physical Training Instructress till now and that the proposal should be deferred.

This argument of Finance is not a justification for deferring the proposal. Having allowed the admission of women students into the College it seems that adequate facilities should be provided for their physical education. Physical Education was neglected in the past and it is only in recent years that attempts are made to give it its proper place in the scheme of education. The case referred to at A on page 4 ante is not similar to the present one as there is already a fully qualified Physical Director in the Presidency College. For Orders whether this Department may press the proposal.
