ANNEXURE. NO. 2

Explanatory Remarks.

37. (c) - Education - University - Grants to Non-Government Arts Colleges - (1) Excluding Post-war - Reconstruction (c) (1) B. Buildings:--

The outstanding liabilities on 1-4-47 will be Rs.3,01,100/- and they relate to schemes Nos. 1 and 3. Scheme No.1 is a Part-paid scheme and no provision in respect of this scheme is necessary during 1947-48 as the management is not in a position to spend any amount on buildings during 1947-48. A provision of Rs.16,000/- is necessary in Part II of the Budget Estimate for 1947-48 in respect of scheme No.3., as it is likely to mature for payment during that year.

Building grants to Arts Colleges and Secondary and Special Schools under private management are sanctioned and disbursed in accordance with the rules in the Grant-in-Aid Code. Under these rules, the Director of Public Instruction should maintain a list of schemes approved by him. The inclusion of a scheme in the list implies no sort of liability on Government for making a grant though managements will not be precluded from applying for a grant in respect of the scheme in the approved list after the buildings are completed. The Director recommends for the consideration of Government every year such new schemes out of the list, as he considers deserving of grant in connection with Part II budget estimates.

2. Provision is made in Part I for schemes for which a portion of the grant has already been paid and in Part II for new schemes.

3. The Director has proposed a provision of Rs 56,000 in Part I estimates for part-paid schemes. The following is a list of new schemes for which provision is suggested in Part II:-

4. In December 1941, the Government issued an order that no building grants should be given to a new college or secondary school for boys (elementary schools excepted) unless a special case was made out that a grant was essential to the institution. This restriction does not apply to institutions for girls or to orphanages or for the provision of playgrounds for all institutions. Schemes numbered 2, 3, 8, 10, 11, 13, 14, 16 and 25 have been treated as exceptions. The other schemes are outside the scope of the restrictions imposed in the above order. P.T.O.

4
Some of the schemes have already been completed and the rest are likely to be completed and grants claimed in 1946-7.

5. The total provision to be made Part II in 1946-7 is Rs 3.70 lakhs against Rs 4.10 lakhs in 1946-7. In order to reduce the expenditure under this head to the minimum, the grant payable has been spread over two years for certain schemes.

6. This department accordingly recommends that a provision of Rs 3.70 lakhs (including Rs 700 for grant towards the rent of Women students' hostel attached to the Pachaiyappa's College and the hostel for the St. Joseph's training College for women, Guntur) may be made in the next year's budget.

M.V. SUBRAMANIAN,

SECRETARY TO GOVERNMENT.
