ANNEXURE NO. 13.

Explanatory Remarks.

37. (g), - Edn. - Secondary - Direct Grants to Non-Government Secondary - Schools - B.Non-European - (g) B. 3. Buildings.

The outstanding liabilities on 1-4-47 will be Rs.2,85,500/-. They are made up of Rs.43,100/-. relating to part-paid schemes. Viz. Nos. 1 and 2 and Rs. 2,42,400/-. relating to schemes for which no payment has been made till now.

Scheme No.1 - National Girls' High School, Mylapore.

A provision of Rs.19,000/- was made in the current year in respect of this scheme. The management has since reported that a sum of Rs.5,000/- in the current year~~s~~ and a sum of Rs.5,000/- in the Budget Estimate for 1947-48 will be claimed. A provision of Rs.5,000/- is, therefore, necessary in Part I of the Budget Estimate for 1947-48.

Scheme No.2:- Ramakrishna Mission High School, Thoagarayanagar.

A sum of Rs.9,972/- is due to the management with reference to the total estimated cost since approved by the Consulting Architect to Government. A provision of Rs.9,972/- is necessary in Part I of the Budget Estimate for 1947-48. The Government are being addressed separately in this respect.

It is expected that all the other schemes (i.e. Nos. 6,9, 14 to 20)will mature for payment during ~~194~~ 1947-48. Profision is, therefore, necessary in Part II of the Budget Estimate for 1947-48 in respect of these Schemes. No provision is necessary in respect of schemes Nos. ~~4 and~~ 4 and 5 .

Summarising the above, the following provisions are necessary in the Budget Estimate for 1947-48.

Part. I. .. Rs.15,000/-.

Part. II. .. Rs.1,56,900/-.

U.O.Note No.43187-P.W.R(B)-1 dated 8-8-46.

Sub:- Allocation of funds for the post-war development schemes - Analysis of the financial effect of the schemes - Fin.U.O.No.10715 Spl.2 dated 26.2.46.

The statements showing the analysis of estimated expenditure on post-war development schemes of this Govt. prepared from the information furnished with reference to this Deptt's U.O.Note cited above (and sent to the Govt.of India) are forwarded to the Departments of the Secretariat concerned. The figures of ~~x~~ 'Capital outlay', 'Annual working expenses - Recurring expenditure' and Gross revenue' given in columns 2,4 and 8 in the statements relate to the five years beginning with 1946-47 and ending with 1950-41.

2. The Govt.of India have since stated that the post-war quinquennium should be deemed to begin with 1947-48 and to end with 1951-42 for all purposes. It is therefore necessary to have the programme of expenditure and revenue in respect of post-war development schemes for the year 1951-52 also. Departments of the Secretariat are accordingly requested to send relevant extracts fromthe statements referred to above to the Heads of Departments concernedand ask them to furnish particulars regarding the estimated expenditure and revenue in respect of each scheme in 1951-52 under cols(2) Capital Outlay, (4)Annual working expenses - Recurring expenditure' and (8) Gross revenue. Replies received from Heads of Departments may be sent to the Finance Department as and when they are received and in any case not later than 30th September '46.

Postwar schemes.

--

61193

In para. two of the Govt.Memo.No.50619-B/45, ~~date~~ 8, Edn., dated 1-2-46 the Government have sanctioned a grant of Rs.2 lakhs for the Chemistry Laboratory of the Loyola College, Madras. Provision has been made for this under the 'post-war' head in the Budget Estimate for the current year. But in the recent Govt.Memo.No.45434-G.1/46-1, dated 20-8-46 it is stated that the post-war quinquennium should be deemed to begin with 1947-48 and to end with 1951-52 for all purposes. In view of the above facts kindly let me know urgently whether the payment of Rs.2 lakhs for which provision exists in 1946-47 should be made during 1946-47 or it should be paid only in 1947-48. If so, the provision which exists in 1946-47 will automatically lapse and provision will have to be made during 1947-48.

Grant - Buildings - Non-Govt Arts Colleges - Secondary and special schools - Part II scheme for 1947-8

Memo No. 60508-B1/46-2 Edn D 21/11/46.

It is proposed to consider the question of providing funds for payment of grants for the schemes mentioned in the annexure as a Part II scheme for 1947-8. Even after spreading the grants to be made for costly schemes over two years, the total provision to be made in the BE for 1947-8 amounts to 4.67 lakhs made up as follows:–

14
21/11/46

	Rs
Grants for buildings	4.01 lakhs
" playgrounds	.65 lakh ✓
" hostel rent	.01 lakh ✓
Total	4.67 lakhs.

This exceeds the provision made in previous years. In view of the fact that the prices of building materials and cost of labour is very high, the Govt have decided to postpone certain schemes for the construction or acquisition of buildings for Govt educational institutions until prices fall to a reasonable level. It has been suggested that private educational institutions also should not be allowed to undertake large building schemes for which grants in aid are required until prices come down to normal. In the case of buildings that have already been commenced by the managements concerned, it may not be feasible or advantageous to stop further work but it seems desirable to postpone ~~schemes~~ works which have not yet been ~~given effect to~~ started unless it is absolutely ~~essential~~ to begin ~~the execution of the~~ construction ~~work~~ in 1947-8. ~~For example the scheme for the construction of additional hostel buildings for the Pachaiyappa's College, Madras.~~ The DPI is requested to report which of the schemes in the

88-58
14/11

annexure have not yet been started and can be deferred for 1948-9.

3. The Correspondent of the Loyola College, Madras proposed to start the construction of buildings for the Auditorium & library in January 1947 after the buildings for the chemistry laboratory are completed or nearing completion. The DPI is requested to report whether the detailed plans & estimates for the scheme have been scrutinised and approved by the Consulting Architect, whether ~~and~~ ~~tenders~~ the work has been let on contract after inviting tenders and if not whether the execution of the scheme cannot be deferred to 1948-49. Being a costly scheme, it seems desirable to take up the scheme for execution after the price of building materials and the cost of labour come down. He is requested to treat the reference as specially urgent

Ref. your post copy of T.M dy 25-9-46 regarding grants to the Loyola College. Madras. towards the cost of construction of buildings for the Chemistry laboratory

The fact that the postwar quinquennium starts from 1947-48 ~~1947-8~~, does not affect the position in regard to the building grant. The sum of Rs 2 lakhs provided in the current year's budget may therefore be disbursed to the management in the current year itself. No provision is proposed for this work in the BE for 1947-8

Sir,

Sub: Loyola College, Madras - Pay-ment of grant for the construction of Library and Auditorium

---

In submitting herewith a copy of the letter from the Principal, Loyola College, Madras dated 28-11-1946 I have the honour to request that as the foundation of the building has already been laid and as the work is expected to be completed in 1947-48 necessary provision may kindly be made in Part II estimate of 1947-48 for the whole scheme.

p23 ante

2. With reference to the Post Copy of T.M. from Government dated 20-11-1946 regarding payment of grant for the Chemistry Laboratory I have asked the Principal to state definitely whether the scheme will mature for payment in 1946-47. On receipt of his reply I shall let Government know whether payment will be made in the current year or not.

for Director of Public Instruction.

RVR 3/12/-

3/12

Copy of letter from the Principal, Loyola College, Madras dated 28-11-1946 to the Director of Public Instruction, Madras.

I have the honour to submit the following statement concerning the Library and Auditorium:

Both the buildings- the Laboratory and the Library-cum-Auditorium were approved at the same time for a maximum total cost of Rs.9 lakhs, an we were authorised to submit plans and detailed estimates for both at the same time as per Government Memorandum No.50619B/45-8 Edn dated 1st February 1946. Accordingly we submitted plans and rough estimates for both buildings together to the Director. These were tentatively approved as per Director's Proceedings RC.130-D/46 dated 30-3-1946 and we were asked to call for tenders and proceed with the work. A little while after the detailed estimates were submitted. The cost as estimated by our Engineer came to Rs.9.11,000/- These estimates were approved by the Government Architect

(V)/11-12

X

Tenders were called for, for both the buildings at the same time through the daily papers on 16-3-1946. We accepted the tender of Mr.Gnanapragasam Pillay for a total Rs.8,80,000. Work on both the buildings was started at the beginning of April. This was approved by the Director in his proceedings Rc.No.749-K/46 dated 27-6-46. At present the Foundation and Basement work of the Library and Auditorium is completed. The contractor has so far spent Rs.80,000/- on this. He has also either gather already or placed orders for all the material necessary for it. The necessary iron was included in a single order along with Laboratory requirements, on Messrs. Tatas. Thanks to a priority order secured by the recommendation of the Director (Proceedings RC.No.1249-D/45) the girders have been rolled and are on their way to Madras. I submit that to stop the building at this juncture would be contrary to our agreement and wasteful to us and to the contractor.

The Management's original idea was that though there was a single contract for both the buildings, the Library and Auditorium could be begun in January 1947 and completed in January 1948. But for the sake of the stability of such a heavy building, we were advised to spread the

construction

construction over a longer period. The contractor moreover found it cheaper and more convenient to order materials for both buildings at t same time. He can also divert his workers from one building to another allowing each building to set at specified stages. It is for this reason that both the buildings have gone on simultaneously. But the Laboratory will be completed earlier, and the Library and Auditorium sometime later.

Already in September Government were pleased to inquire through the Director whether the Management could complete the Auditorium and Library in 1948. We replied in our letter No.D.43/46-47 dated 21st September 1946 that the building was already well on its way we had the material and resources necessary to complete it in 1947-48.

We understand that a part of the building grant of 4½ lakhs has been provided for in the budget of 1946-47. We earnestly request that Government be pleased to provide the remaining part in the budget of 1947-48. We can assure them that notwithstanding the difficulty of securing materials and labour, we shall complete the buildings within the sanctioned cost.

Sir,

Sub:- Grant - Buildings - Training School Part II Scheme for 1947-48.

Ref:- Government Memo No.60508 B1/46-2 Edn., dated 21-11-46.

pp19-20 cf

p22 ante

I have the honour to state that out of the two training schools viz. the Sacred Heart Training School for Women, Srivilliputtur and the Islamiah Training School for Men, Kurnool, the former has already begun the construction and the work is reported to be proceeding while the latter has also purchased a plot with a building thereon for use as playground. Government have addressed the Collector of Kurnool to report on the extent and value of the site purchased by the management vide Govt.Memo No.57521 B1/46-2 Edn., dated 18-10-46. ([illegible])

In the above circumstances it is not feasible to postpone the above two items of work for 1948-49.

Sir,

Grant--Building--Non-Government Arts Colleges--Secondary and Special Schools--Part II Schemes 1947-48.
Reference:-Government Memorandum No.60508 B1/46-2 Education dated 21..11..1946. pp 19-20 ante

---

I have the honour to state as follows on the building schemes referred to in the Government Memorandum cited above:

Colleges: 1. HOLY CROSS COLLEGE, TRICHINOPOLY - Purchase of land for playground.

The Correspondent has already deposited a sum of Rs.32,000/- in the Sub-Treasury towards the cost of acquisition of the lands and I therefore consider that it is not desirable to postpone the scheme.

2. LOYOLA COLLEGE, MADRAS - Construction of an Auditorium and Library Hall:

p.27 ante

Attention is in this connection invited to my letter R.C. 749-K4/46 dated 1.12.1946 wherein I have already explained that as the foundation of the building has already been laid and as the work is expected to be completed in 1947-48 necessary provision has to be made in Part II estimate of 1947-48.

3. ST.ANNE TRAINING COLLEGE, MANGALORE - Purchase of lands for playground:

The Collector of South Kanara has already taken steps to acquire the land under consideration. It is not therefore desirable to postpone the scheme at this stage.

4. PACHIYAPPA'S COLLEGE, MADRAS -- Construction of additional hotel buildings, Kitchen block warden's lodge etc.:

This scheme was not recommended by me-vide my letter R.C.476-K/46 dated 17.6.1946. Government have, however, placed the scheme on the approved list - vide G.O.No.2276 Education dated 26.11.1946.

5 & 6. PACHAIYAPPA'S COLLEGE WOMEN STUDENTS HOSTEL - Grant towards rent and St.Joseph's Training College, Guntur - Grant towards rent.

These are very small schemes and therefore they may be allowed to stand. I may further add that items 1 and 3 are not building schemes and are not therefore affected by the price of building materials and cost of labour.

Special Schools: Nos 1+2 - Please see the letter on p 31 ante

No.3. BLIND, DEAF AND DUMB SCHOOL, TEYNAMPET-- Sanitary installation and Compound wall:

The work is of a specially urgent nature. Government

P.T.O.

(G)

were pleased to dispense with even calling of a open tenders for the construction of the building in View of the urgent nature of the scheme - vide Government Memorandum No. 3380-B1/46 Education dated 15.7.1946. Hence this scheme cannot be postponed.

2. My remarks on the other items of the building schemes will follow.

EDUCATION AND PUBLIC HEALTH DEPARTMENT

To

The Secretary to Government,
Education and Public Health Dept.

Sir,

Sub: Grant - Building and play ground schemes - Aided Secondary schools - Part II schemes for 1947-48.

***

With reference to Government Memo No. 60508 B-1/46-2 Edn., dated 21--11--1946(Secondary schools), I have the honour to submit as follows:--

Building schemes Nos. 1, 2 and 9 of the annexure attached to the Government Memo have been completed, while Nos 3 to 8 have been started and are progressing, so that appropriations suggested must stand.

Scheme No. 10 relating to Mazharul Uloom High school, Ambur was approved by Government recently. Provision in the Budget Estimate for 1947-48 was not proposed by the Director in respect of this scheme Government in their own initiative made the provision in the Estimates The scheme has to be scrutinised by the Consulting Architect before the construction work is started. I do not anticipate that the work will be completed before the end of 1947-48 and so there is no chance of any portion of the grant being claimed in that year. The amount now provided may be deleted. I shall consider the inclusion of the provision in 1948-49 Budget in due course.

Play ground schemes: 1, 2, 5 and 6 of the annexure have been completed and schemes 3 and 4 are progressing.

A In the above circumstances I submit that the schemes -- recommended by the Director for payment of grants in connection with Part II of the Budget Estimate for 1947-48 cannot be deferred.

I have the honour to be,
Sir,
Your most obedient servant,

For Director of Public Instruction.

GRANT - Buildings - Non-Government Arts Colleges - Secondary and Special Schools - Part II Scheme for 1947-8

The Director of Public Instruction recommends that the following provision may be included in the Budget Estimate for 1947-48 for payment of building grants to institutions under private management.

	Ultimate cost. Rs.	Cost in 1947-48. Rs.
37.c. Education - University - Non-Govt. Arts Colleges (i) Excluding Post-war Reconstruction.		
B. Buildings.	2,66,000 ~~2,66,000~~	2,66,000 ~~2,66,000~~
37.c. - Post-war Reconstruction	2,5[illegible]	2,5[illegible]
D. Other grants - Rents.	300	300
37.e. Education - University - Grants to Non-Govt. Professional Colleges - Other grants.		
Buildings.	11,000	11,000
Rents.	400	400
37.g. Education - Secondary - Direct grants to Non-Govt. Secondary Schools - B-Non-European - 3		
Buildings.	1,56,900	1,56,900
Playgrounds.	33,800	33,800
37.n. Education- Special - Direct grants to Non-Govt. Special schools - B. Non-European - (i) Excluding Post-war Reconstruction.		
3. Buildings.	31,300	31,300
Total.	4,99,700	4,99,700

p. 1-4 cf

p. 7-8 cf

p. 8 cf

p. 8 cf

p. 11 cf

2. Building grants to Arts and Professional Colleges, and Secondary and Special Schools under private management are sanctioned and disbursed in accordance with the rules in the Grant-in-Aid Code. With a view to conserve all available funds for elementary education, the Government ordered in December 1941 that no building grant should be made thereafter to any College or School for boys (elementary schools excepted) unless a special

Chapter VII
pp 9-12 of Bk. no. do.

G.O. 1915 Edn. — J²
11-12-41

P.T.O.

case is made out that a grant is essential to the institution. This restriction is ~~are~~ relaxed in suitable cases in case of secondary schools and training schools for boys by Government and the schemes are placed in the approved list. These restrictions do not apply to institutions for girls or to orphanages or for the provision of playgrounds for all institutions.

pp1-2 [illegible] (Z)

3. Non-Government Arts Colleges - Rs.2,66,000/-. Out of this provision a sum of Rs.16,000/- is intended for payment of half grant to the Holy Cross College, Trichinopoly, towards the purchase of land for playground and the remaining Rs 2.5 lakhs to the Loyola College, Madras, for the construction of an auditorium and library hall. The provision for the former may be included. In regard to the latter, in view of the paucity of funds on account of the introduction of prohibition, it is for consideration whether the grant may be spread over two years. If so the provision for the next year may be limited to Rs 1.25 lakhs.

p2 c/f

p4 c/f

Vide Fin. Note [illegible] (K)

Under Post-war Reconstruction a provision of Rs.2/- lakhs has been made in the current year's budget for grants to the Loyola College for the construction of buildings for the Chemistry laboratory. As the the Government of India have recently stated that the post-war quinquennium should be deemed to begin with 1947-48 and end with 1951-52 for all purposes, the Director of Public Instruction points out that if the grant is to be disbursed only in 1947-48, the provision made in the current year's budget will lapse and the amount will have to be provided in the next year's budget. The instruction is probably for purposes of claiming grants from the Government of India and there seems to be no objection to the grant being disbursed to the management from Provincial funds with reference to the expenditure incurred on the work in the current year. If so, no provision need be made in the next year's estimates. Finance may be consulted.

p 195 of Budget 1946-7

M

p16 c/f

p3 of c/f 17 c/f

4. Non-Govt. Professional colleges. The provision of Rs. 11,000/- in respect of the St. Ann's Trg. College, Mangalore, for the purchase of lands for playgrounds, recommended by the DPI. may be accepted.

pp5-6 c/f

BEI

23

5. Secondary Schools - Buildings - The Director's recommendation that a provision of Rs 1,56,900 may be made for payment of grants for nine secondary schools may be accepted. Of these eight have already been placed in the approved list and the inclusion of the remaining one - construction of a hostel block in the O.C.P.M. High School, Madura - is under separate consideration. The provision included for this work also may be allowed to stand provisionally. It is expected that all these schemes will mature for payment during the next year.

pp8-10 c/f

C. no 12564/46 file taken to F in on 17/10/46

6. Playgrounds: The provision of Rs.33,800 proposed by the Director is for payment of grants to six institutions towards the cost of acquisition of lands. The amount may be included.

pp11-12 c/f

7. Special Schools: The provision of Rs.31,300 proposed under this head is intended for three training schools towards the cost of construction of buildings or acquisition of lands for playgrounds. As the schemes are likely to be completed in 1947-48, the provision may be included.

pp13-14 c/f

8. The total provision to be made under Part II in 1947-48 is Rs.4.997 lakhs against 4.1 (x) lakhs in the previous year. The increase is mainly due to the provision of Rs.2.5 lakhs proposed for the Loyola College, Madras. If as suggested above the grant payable is spread over two years the provision may be restricted to Rs 3.747 ~~3,997~~ lakhs.

Summary of grants

(x) 2,00,000 (Z)/11

	4,99,700	3,74,700 ✓	

Please see the E.& P.H. department notes above. They propose that the schemes mentioned above may go forward as Part II Schemes for 1947-8 as the grants proposed are in respect of schemes already approved and which are likely to be completed and mature for payment during 1947-8.

pp. 1-3 above.

2. It will be seen from para 2 of the E.& P.H. Department's note on pp.1-2 above that since 1941 building grants to private colleges and schools for boys are given only when they are shown to be essential, while no restriction is made in regard to such grants to girls' institutions or for grants for playgrounds. The grants proposed in this case are both for buildings and playgrounds. The provision proposed to be made in Part II of the Budget for 1947-8 compares as shown below with that made in previous years:-

p.t.o.

1946-7	4.10
1947-8	3.75 ⊗
plus	.50 linked file

Grant for a hostel building to the Pachaiyappa's college - linked file.

The main items included in B.E.1946-7 were a grant of Rs.2 lakhs for buildings for the Chemistry block of the Loyola College and another grant of Rs.1.32 lakhs for St.Christopher's Training College, Vepery, for the construction of a hostel. It will be seen that the provision proposed for 1947-8 exceeds that allowed in any of the previous years. It is in fact more than thrice the amounts allowed in previous years except in 1942-3 and 1946-7. The provision of Rs.4.25 lakhs proposed for 1947-8 is made up as follows:-

	Lakhs. Rs.
Grants for buildings.	3.59 ✓
Grants for playgrounds.	.65 ✓
Grants for hostel rent.	.01 ✓
	4.25 ✓

In view of the fact that the prices of building materials and cost of labour are now very high, the Government decided to postpone certain schemes for the construction or acquisition of buildings for Government educational institutions until prices fall to a reasonable level. It seems desirable that private educational institutions also should avoid undertaking large building schemes until prices come down. Attention is, in this connection, invited to H.M.(Edn.)'s minute at 'X' on pp.9-10 N.F. in linked file. In the case of buildings that have already been commenced by the private institutions concerned, it will probably not be feasible or advantageous to stop further work, but it would seem very desirable to postpone schemes which have not yet been given effect to - for example, proposals for the construction

p.t.o.

of a building for the Kshatriya Girls' School, Virudhunagar, were approved by the Government only ~~x~~ in June 1946, while proposals for the construction of an additional storeyed building for the Theagaraya Chetty High School, Washermanpet, were approved by the Government only in September 1946. Works might not have been started in these cases. Similarly, it is not likely that the construction of buildings for the school and hostel buildings of the National Girls' School, Triplicane, would have been taken up. Though the grant now proposed for the last mentioned item is only for the acquisition of a site for the buildings, if the grant is allowed and the school commences work on the building after acquiring the land, the Government will practically (though not legally) be committed to grants for an expenditure of about Rs.6 lakhs on the construction of buildings for the school and hostel. The provision for the three items mentioned above comes to about Rs.1.15 lakhs. It would seem desirable to omit the grants proposed for these items and advise the managements to postpone the acqn of land and the construction of buildings. The provision for 1947-8 proposed will then be reduced to Rs.3.10 lakhs. E.& P.H. may also examine whether there is any other similar case where grants proposed may be disallowed for the present and the managements advised to postpone buildings schemes.

12/11/46

In the linked case, a grant of Rs.50,000 is proposed for construction of additional blocks of hostel buildings for the Pachaiyappas College, Madras, and it is stated that it is essential to make this grant on account of the ~~grave xxxx~~ shortage in hostel accommodation. The total cost of the building is estimated at Rs.2.52 lakhs and a half grant of Rs.1.26 lakhs is proposed to be spread over 2 years 1947-8 and 1948-9. Please see H.M.(Edn.)'s minute on p.10 N.F. in linked file. The provision of Rs.50,000 proposed may be agreed to, but it may be pointed out that the provision of Rs.13,000 in the estimate for a compound wall does not seem essential, and it may be omitted. This will reduce the Government's commitment by Rs.6,500 but the amount proposed for 1947-8 will not be altered.

B1 25

the proposals ~~goving~~ going forward as a Part II Scheme for 1947-8. As grants for buildings and playgrounds are given every year after treating the proposals as Part II Schemes, the criteria laid down in this Department U.O.Note No 54303-(B)-1 dated 9-10-46 regarding the restriction of Part II Schemes need not perhaps be ~~rightly~~ rigidly ~~approved~~ applied.

12/11

4. E.& P.H. Department note at 'X' on p.2 above. The building grant of Rs.2 lakhs for the Loyola College, Madras, for the construction of Chemistry Laboratory buildings has been sanctioned by the Government for disbursement in 1946-7 and the necessary provision has been made in the Budget for 1946-7. The Government of India also have approved the scheme as a post-war scheme for introduction in 1946-7. ~~xxxxx~~ Advance grant can be claimed for the expenditure on the scheme in 1946-7. The fact that the post-war quinquennium starts from 1947-8 does not affect the position in regard to the building grant. Attention is also invited to the portion marked 'X' on p.13 of the papers at flag ⑮. At the conference on post-war planning held in May last, in reply to an enquiry by the Secretary to the ~~xxx~~ Development Board, the Government of India representative said that if a Government had started certain schemes in 1945, the whole plan would be for a period of 7 years and not 5 years so ~~x~~ far as those schemes are concerned. In the circumstances, Finance may agree with E.& P.H. that no provision need be made in 1947-8, unless it is foreseen that a part of the [illegible] grant due is not expected to be drawn in the current year.

Please see the Finance Deptt's note above. The suggestions made therein are examined below.

2. Portion marked A on p.6 ante.

In the case of the Theagaraya Chetty High School, Washermanpet, the D.P.I. reported in March 1946 that in view of the urgency, he had permitted the management to start the scheme, invite tenders and collect the necessary materials without prejudice to the question of grant for the scheme. The management accepted the tender of Gannon Dunkerly & Co. The work might have been started. The correspondent of the National High School, Triplicane, had already reported that there is no other suitable site except the one proposed for acquisition for the construction of buildings for the High School. The land acquisition proceedings are in progress. There is no play-ground for the school and it is proposed to use a portion of the site to be acquired as play-ground. The entire site may be used as a play-ground until the building scheme is approved. ~~xif~~ If the site is not acquired now, it is likely to be sold in auction for house sites and it will be difficult to secure such a centrally situated site later on. In Memo. No.50619-B/45-8 Edn., dated 1-2-1945, the Govt. sanctioned the inclusion in the list of approved works of the scheme for the construction of an auditorium and Library Hall for the Loyola College, Madras, at a cost of Rs. 5 lakhs. The management of the College proposed to take up the work in January 1947 after the Chemistry Laboratory buildings are completed or a little earlier if possible. Being a costly scheme, the execution of the work may be deferred if it had not been commenced. If the provision of Rs. 1.25 lakhs proposed for this work is omitted, there will be no necessity to omit or reduce the provision made for other items.

in the current year.

5. After the estimates were scrutinized and sent to Finance, the Govt. have sanctioned the inclusion of the scheme for the construction of buildings for the Mazharul Uloom High School, Ambur, at a cost of Rs.1,68,000/-. The Correspondent of the school has reported that the construction should be begun early as otherwise the promised donations may not be forthcoming. The grant for this work may be spread over two years and a provision of Rs. 42,000/- may be included in the B.E. for 1947-48. ~~The total provision for buildings will then amount to 4.01 lakhs~~

pp 27-28 cf
p 31 cf
p 33 cf
p 35 cf
pp 5-4 cf

Please see the replies of the DPI on pp 27-28 31, 33 & 35 cf. He reports that it is not desirable to postpone the schemes relating to colleges & special schools. In regard to the schemes for the construction of buildings & the provision of playgrounds for secondary schools, he reports that certain schemes have already been completed and the remaining schemes except the one relating to the construction of buildings for the Mazharul Uloom High School Ambur have been started and are progressing. The Muhammadan Educational Society Ambur has decided to proceed with the construction of the building as otherwise the promised donations will not be forthcoming and it is not therefore possible to omit the scheme from the list of institutions for which grants should be paid in 1947-8. If the scheme does not mature for payment, the provision made for this scheme may be utilised for other schemes for which only a portion of the grant payable is proposed to be included in the BE for 1947-8. In order to restrict the total provision to the amount provided in 1946-7, the provision for the following schemes relating to Secondary schools may be reduced as shown against each:—

B

	Provision recommended Rs previously	Amount proposed for reduction Rs
1. Kshatriya Girls High School Vanmohunagar	57030	30000
2. Theagaraya chetty High School, Washermanpet	40190	20,000
3. National Girls High School, Triplicane.		
Acquisition of land for construction of a building + a hostel	17250	6750
Do Playground	13,800	5000
4. O.C.P.M High School Madura. Construction of a hostel	22,500	5000
		66750

A

If the above reduction is effected, the total provision will amount to Rs 4 lakhs as against the provision of Rs 4·10 lakhs made in 1946-7. If at the end of 1947-8, it is found that this provision is insufficient to meet the claims, necessary funds may be provided by reappropriation or the balance payable may be provided in the BE for 1948-9

Vide Part II scheme note on p11 nf of (Z)

Building grants to Arts Colleges and Secondary and Special Schools under private management are sanctioned and disbursed in accordance with the rules in the Grant-in-Aid Code. Under these rules, the Director of Public Instruction should maintain a list of schemes approved by him. The inclusion of a scheme in the list implies no sort of liability on Government for making a grant though managements will not be precluded from applying for a grant in respect of the schemes in the approved list after the buildings are completed. The Director recommends for the consideration of Government every year such new schemes out of the list, as he considers deserving of grant in connection with Part II budget estimates.

2. Provision is made in Part I for schemes for which a portion of the grant has already been paid and in Part II for other new schemes.

3. The Director has proposed a provision of Rs 56,000 in Part I estimates for part-paid schemes. The following is a list of new schemes for which provision

12

14

is suggested in Part II:-

~~Grants--Buildings--Non-Govt. Arts Colleges--Secondary and special schools--Part II Scheme for 1947-8.~~

Description of scheme.	Total estimated cost Rs	Maximum grant admissible Rs	Amount proposed to be paid in 1947-8 Rs

J²

4. In December 1941, the Government issued an order ~~saying~~ that no building grants should be given to a new college or secondary school for boys ~~boys school~~ (elementary schools excepted) unless a special case was made out that a grant was essential to the institution. This restriction does not apply to institutions for girls or to orphanages or for the provision of playgrounds for all institutions. Schemes numbered 2, 3, 8, 9, 10, 11, 13, 14 16 and 25 have been treated as exceptions. The other schemes are outside the scope of the restrictions imposed in the above order. Some of the schemes have already been completed & the rest ~~they~~ are likely to be completed and grants claimed in 1946-7.

5. The total provision to be made Part II in

1946-7 is Rs ~~4~~ ~~4.10~~ 3.70 lakhs against Rs 4.10 lakhs in 1946-7. In order to reduce the expenditure under this head to the minimum, the grant payable has been spread over two years for certain schemes.

6. This department accordingly recommends that a provision of Rs ~~4~~ ~~4.10~~ 3.70 lakhs (including Rs 700 for grant towards the rent of Women students' hostel attached to the Pachaiyappa's College and the hostel for the St. Joseph's training college for women, Guntur) may be made in the next year's budget.

1.25

2.45

Building grants to Arts Colleges and Secondary and Special Schools under private management are sanctioned and disbursed in accordance with the rules in the Grant-in-Aid Code. Under these rules, the Director of Public Instruction should maintain a list of schemes approved by him. The inclusion of a scheme in the list implies no sort of liability on Government for making a grant though managements will not be precluded from applying for a grant in respect of the scheme in the approved list after the buildings are completed. The Director recommends for the consideration of Government every year such new schemes out of the list, as he considers deserving of grant in connection with Part II budget estimates.

2. Provision is made in Part I for schemes for which a portion of the grant has already been paid and in Part II for new schemes.

3. The Director has proposed a provision of Rs 56,000 in Part I estimates for part-paid schemes. The following is a list of new schemes for which provision is suggested in Part II:-

DESCRIPTION OF SCHEME	TOTAL ESTIMATED COST Rs	MAXIMUM GRANT ADMISSIBLE Rs	AMOUNT PROPOSED TO BE PAID IN '47-48. Rs
COLLEGES:			
1. Holy Cross College, Trichinopoly--Purchase of land for playground	32,000	16,000	16,000

TOTAL	62,660	31,330	31,300

4. In December 1941, the Government issued an order that no building grants should be given to a new college or secondary school for boys (elementary schools excepted) unless a special case was made out that a grant was essential to the institution. This restriction does not apply to institutions for girls or to orphanages or for the provision of playgrounds for all institutions. Schemes numbered 2, 3, 8, 10, 11, 13, 14, 16 and 25 have been treated as exceptions. The other schemes are outside the scope of the restrictions imposed in the above order. P.T.O.

Some of the schemes have already been completed and the rest are likely to be completed and grants claimed in 1946-7.

5. The total provision to be made Part II in 1946-7 is Rs 3.70 lakhs against Rs 4.10 lakhs in 1946-7. In order to reduce the expenditure under this head to the minimum, the grant payable has been spread over two years for certain schemes.

6. This department accordingly recommends that a provision of Rs 3.70 lakhs (including Rs 700 for grant towards the rent of Women students' hostel attached to the Pachaiyappa's College and the hostel for the St. Joseph's training College for women, Guntur) may be made in the next year's budget.

M.V. SUBRAMANIAN,

SECRETARY TO GOVERNMENT.
