From

Dr. S.R.U. Savor, M.A., D.Sc., I.E.S.
Director of Public Instruction, Madras.

To

The Secretary to Government,
Education & Public Health Department, Madras.

Sir,

Sub: Passing of the special language test by the Deputy Inspectors of Schools and School Assistants - resolution of the Non-Gazetted Officers' Association.

Ref: Govt. Endt. No. 65328 A4, Education, dated 30-11-46.

I have the honour to state that there is no need to continue the Special Language Test as a compulsory test for the Deputy Inspectors and School Assistants. The majority of the officers of the Department have endorsed the resolution of the Non-Gazetted Officers Association for the reasons that the medium of instruction in all schools in the regional language and candidates qualified not only to teach in the language but also to inspect instruction imparted through it, are available in large numbers. I therefore recommend that the condition laid down in rule 14(a) of the Special Rules for the Madras Educational Subordinate Service that Deputy Inspectors or School Assistants and Headmaster or Sub-Assistant Inspectresses or Schools Assistants and Headmistresses shall not be eligible for increments above the stage of Rs. 100/- in the time scale of pay applicable to their posts unless and until they have passed the test, may be deleted as it causes a real hardship to them.

At the same time I consider that the test may be prescribed as a compulsory one for those officers who wish to have a transfer from one linguistic area to the other.

Further, as Dt. Educational Officers cannot always be posted to districts where their own mother tongue is the prevailing language, as is possible in the case of School Assistants and Deputy Inspectors, I recommend that a pass in the Special Language Test may be prescribed as a condition precedent for their promotion to the administrative branch of the Madras Educational Service.

From the D.P.I., No. 11627-16/46, d/- 25.11.46

The resolution of the N.G.G.O. Asscn. on p.4, requesting the abrogation of the rule requiring the Dy. Insps. of Schools and Sub-Asst. Inspectresses School Assts. and Headmasters (and Headmistresses) to pass the Spl. Language Test, and the D.P.I.'s remarks thereon on p. 6 of may be perused. The Dir.'s recommendation not to apply the rule generally in all cases, as it really causes hardship to officers, but to prescribe it only for officers who wish to be transferred from one language area to another and also as a condition for promotion as D.P.I.'s may, it seems, be accepted and he may be asked to send draft amendments to the Special Rules for the H.E.S. and M.E.S.S.

I do not see any necessity to interfere with the qualifications now prescribed especially as there is no complaint about them. Whether a pass in the language test is absolutely necessary or not, certainly it is better that the teachers concerned acquire this qualification also.

Subd. that the question of amending the rules has been taken up only at the instance of the N.G.G.O. Asscn., which has adopted a resolution to the effect that School Assts. and Dy. Insprs. may be exempted from passing the Language Test. The D.P.I. to whom the resolution was refd. for remarks has reported that the majority of the officers of the dept. have endorsed the resolution, for the reason that the medium of instruction in all schools is the regional language and candidates qualified, not only to teach in the language, but also to inspect instruction imparted through it, are available in large numbers. He has further said that the rule requiring a pass in the Test if the incumbents want to rise above Rs.100 in the scale of pay really causes them hardship and has therefore recommended that it may be deleted, except in certain cases. In the circumstances, it cannot be said that there is no complaint in the matter. May be re-circd. for orders.

Will we have Officers for Regional areas separately, I think, these tests must continue. Even recently a case has come to my notice in which a gentleman had to be transferred to Malabar and the only qualification for this was that he has passed the test and so this test may continue for some time more unless and until we recruit Officers

on the linguistic basis.
