R.O.C. No. 6882-K.3/46, Dated 30-9-1948.

30-10-1948: Government Secondary and Training School for women,
Calicut and Mangalore - Employment of additional
teachers

I have the honour to request that Government may be pleased
to sanction the employment of additional specialist teachers in the
Secondary and Training School for women, Calicut and Mangalore, in
1947-48 as explained below:-

2. Government Secondary and Training School for women, Calicut.

There are 3 departments in the above school consisting of the (1) Junior
School (2) Secondary Department from I to III and (3) Training Department.
It is reported that there will be 3 sections in the Training Department
in June 1947. The strength of the several departments is as follows:

Training Section	Secondary Section	Model Section
about 315	39	Class I 48
	38	Class 2 41
	40	Class 3 45
	34	Class 4 45
	37	Class 5 35

I have submitted separate proposals for the opening of Form IV in
1947-48 and higher forms in succeeding years in the model schools. To
follow up the existing specialist teachers in the Training School.

1	Training Mistress
1	Industrial Teacher
1	Music Teacher
1	Handicraft Instructor
1	Physical Training
2	Instruction

The Government has pointed out that the above staff is inadequate as
initial attention has to be paid to a large number of students. The
teachers have to work for 26 periods a week in the current year and the
number of periods is expected to increase in the future years. The
opening of higher forms. It is reported that teaching of periods are
discontinued in class 5 from next year and consequently more periods
the special subjects have to be set apart. It is quite imperative
to have with the existing staff and the following additional staff is
absolutely necessary.

1	Primary Teacher
1	Industrial Teacher
1	Music Teacher

In the circumstances, I recommend that the Government may be pleased
to sanction teachers on Rs.30-35 may be sanctioned with effect from 1st
July.

3. The extra expenditure in 1947-48 will be Rs.300/- and the
total to be paid will be Rs.1500/-

4. Government Secondary and Training School for women, Mangalore.

The school has 3 departments - the Secondary and Training

training. There are 12 sections in the Secondary Department with a
strength of 430 pupils in the current year. There are 4 sections in
the Training Department with a strength of 136 pupils. The school
has at present one Kannada Pandit and One Industrial Teacher. It
is reported that the work of both the teachers is partly being done
by their teachers as one teacher alone cannot handle all the classes
in the subject. The school has now 2 additional sections in the
Training Class where handicrafts have to be taught by the Industrial
teacher. It is also reported that Needle work is proposed to be
introduced as an optional subject under the S.S.L.C. scheme and for this
an additional Industrial teacher will be necessary. The Kannada
Pandit is at present doing 29 periods of work in Form IV - VI and
also in the 4 training sections. It is found that it is very
difficult for one person to correct the written work of the pupils
and also teach for 29 periods a week. An additional Pandit is
necessary to relieve the existing Pandit. I request that the
employment of an additional Industrial teacher on Rs.30-55 and a Kannada
Pandit on Rs.35-45 may be sanctioned with effect from June 1st 1947.
The extra expenditure in 1947-48 will be Rs.600/- and the ultimate
expenditure Rs.1000/-

5. I am including the necessary provision in Part II of my
Budget Estimate for 1947-48.

I have the honour to be,
Sir,
Your most obedient servant,
