共著者共著者

I have the honour to submit herewith a copy of the letter M/R Ledger dated 30-11-46 from the Superintendent, Government Press Madras and state that there is an urgent need for the reprint of both the Codes viz "Rules framed under the Elementary Education Act 1920" and "Madras Educational Rules". The proposal made by the Superintendent, Govt. Press for reprinting 1000 copies of the former will not solve the present need, since about 500 copies of each of the Codes are necessary for the use of the departmental officers alone. I therefore request that the Government may be pleased to sanction the reprint of 2000 copies of each of the two Codes in question and allot 500 copies of each code for this department soon after the reprint.
