No. 489-D-VII/47-2, dated 18th March 1947.

Sir,

Research - Progress of education in the Madras Presidency -
Application dated 10th March 1947 from Rao Bahadur Sri
M.G. Subrahmanyam, 2 Valdiarama Iyer Street, Tyagarayanagar,
Madras.

Enclose a letter which I have received from Rao Bahadur Sri M.G. Subrahmanyam requesting permission to peruse the census reports, budget reports and Administration reports etc., of this Presidency from 1800 to 1946 in connection with a thesis which his daughter is writing. He states that he will restrict his perusal to the printed copies of the reports available at the Egmore branch of this office.

2. The printed records at Egmore begin from 1857 and many of the reports required by him would have been placed at the disposal of the press. Therefore there appears to be no objection to his being granted permission to consult the records up to 1896 relating to education and

copies of the papers which have been placed at the disposal of the press subsequent to that date.

3. If the permission is granted by the Government, precautions will, as usual, be taken to see that he does not consult records which are not relevant to his subject and that the rules laid down in G.Os. No. 58, Finance, dated 5th February 1932 and No. 297, Finance, dated 2nd May 1935 regulating the access of the public to the records in the Madras Record Office are followed.

Madras 10th March 1947

Dear Sir,

I wish to collect certain statistics about
the progress of education in the Madras Presidency
to help my daughter who is now preparing
a thesis on this subject in the University of
Bristol (U.K.) - the period to be covered being
1800 to 1946. For this purpose I should like
to look through Census reports, administration
Budget reports etc of this Presidency. I shall of course
restrict my personal to the printed copies of such
reports available in your Enquiry Office. Would you
very kindly accord me the necessary permission?

Thanking you in anticipation

Yours faithfully

P.S. I shall be pleased if
you will be good as to that as
urgent.

M. G. Subramanyam
