Establishment- Teachers in elementary schools- Payment of vacation
salary advice- requested

The strength of teachers in elementary schools under the control
of this Municipal Council consisted of 37 permanent and 4 temporary
in 1945-46. Persons were appointed against the 4 temporary posts on
the dates noted below:-

Particulars of temporary posts	Date of appointment
Mavadiamboli Elementary School	23-7-1945
Kamukshiamankoil Ely. School	do
Kottaimadu Elementary School	24-9-1945
Mavadiamboli Elementary School	1-10-1945

Due to exigencies of service junior teachers had to be shown against
the temporary posts as they were working in the concerned elementary
schools and senior teachers were shown against acting leave vacancies
in other schools. A question has been raised whether the persons actually
shown in the temporary posts though they may be junior should be paid the
vacation salary in proportion to their service in the temporary posts
or whether senior men who might be working in other schools and who would
not have been shown against the temporary posts might be paid the
vacation salary in view of their seniority in service.

2. The orders contained in G.O. No. 1016 Education dated 9-5-1939 and
1081 Education dated 16-5-1939 are not clear on this point. The wording
of para 1 of the government order ~~xxxx~~ tends to give the meaning that
the vacation pay can be granted only to persons who were holding temporary
appointments and if this government order is strictly applied to it
will create a hardship in as much as it would deny the payment of vacation
pay to senior men shown in acting vacancies for no fault of theirs. In
order to remove this hardship it suggests to me that senior men might
be shown in the pay bills relating to temporary posts and they may be
shown as acting in other vacancies and the junior men might be shown
as acting in the temporary vacancies of senior men on other duty in acting
vacancies. If this suggestion is acceptable it will be given effect to
from 1946-1947. As regards 1945-46, I request to be informed whether
vacation salary may be paid to senior men irrespective of the vacancies
shown in pay bills or whether the pay bills may be revised as in para 1
above and payment made to seniors. I request an early reply.

2. The proposal made by the Commissioner is technically irregular; but on grounds of equity and in order to avoid injustice to the Senior men they may now be appointed to the temporary posts with retrospective effect, so as to make them eligible for vacation salary in preference to their juniors

3. It is recommended that general instructions may be issued to the local bodies that teachers appointed directly in acting vacancies or appointed to any post in the chain of arrangements due to acting vacancies where the permanent incumbent concerned draws the vacation pay are not eligible for the vacation salary and that in all other cases vacation pay should be paid to the teachers as per instructions issued in G.O.
