From

P.T.Ramen Nayar Esquire, I.C.S.,
Registrar, High Court, Madras.

To

The Deputy Secretary to Government,
Education and Public Health Department (with enclosure).

Dated the 18th day of April 1947.

Sir,

Subject:- Printing of High Court records - entrustment to private presses also).

In G.O.Ms.159 Education dated 29-1-1947, the Government sanctioned the continuance for a further period of 3 months from 1-2-1947 of the concession regarding printing of part of the High Court records at private presses, and the present sanction expires on 30-4-1947. The Superintendent, Government Press was asked to state whether it will be necessary to continue the above concession for any period beyond the end of this month or whether it will be possible for the Government Press itself to supply the required quantity of 4500 printed pages a week to the High Court without the aid of the private presses. He reports (vide extract from his letter No.C.69 dated 16-4-1947 enclosed) that it will not be possible to supply

the said quantity without enlisting the help of private presses. The current requirement of the High Court continues to be about 4500 pages a week, and it is necessary to build up a sufficient reserve of cases during vacation as there will be a heavy demand for cases for the Honourable the Judges for some months immediately after the reopening of the High Court after summer recess. In the circumstances I am to request that sanction of Government may be obtained for the continuance of the above concession for as long a period as may be found necessary by the Superintendent, Government Press. Early orders may be passed accordingly as the present sanction expires by the end of this month.
