Sir,

I am directed to invite attention to letter No. 263/R.C. dated the 25th February 1946 from the late Department of Planning and Development addressed to all the Provincial Governments and to inform you that owing to the paucity of institutions for higher education in the small Provinces, some of them have approached the ~~xxxxxxxxx~~ Department of Education to help them in getting admission for their students in the bigger Provinces where there are better facilities for high class training. The accompanying statement shows the requirements of the Provinces for reservation of seats in the educational institutions of your Province.

– w/of Letter No. 15586 Plni 23.3.46. P.W.S

2. It would be advantageous to the country as a whole if the bigger Provinces agreed to this request till such time as the smaller Provinces have either started their own institutions or till they are started at the Centre. While considering the needs of the smaller Provinces, due note may kindly be taken of the agreement which such Provinces may already have got with your Province or of any fresh approach that they might have made directly to you on this subject.

3. The Department of Education is confident that the Government of the Madras, will co-operate in this matter and agree to the request of the smaller Provinces as far as they can, beginning with the current academic session.

Inter-Provincial arrangements regarding education and training.

-- --

I am directed to say that the Govt. of Madras have carefully considered the proposals made in your letter cited above and have decided as follows:

Central Provinces and Berar.

The Govt. of the Central Provinces and Berar require that 3 seats should be reserved at the Y.M.C.A. College of Physical Education, Saidapet, Madras, for one graduate and two undergraduate women teachers. The Y.M.C.A. College Saidapet, is a private institution getting grant in aid from Govt. It is intended for men only and women are not admitted into it. There is a Physical Training class for women at Saidapet attached to the Y.M.C.A. college maintained by Govt. The course is for ten months. Both graduates and under graduates are admitted to the class. The three students may be deputed to this class in July 1947. The fees and other expenses for the course of ten months will be Rs. 700/- as per details enclosed.

As regards the seats required in the College of Eng., Guindy, I am to say that two seats (one for Electrical and one for Mechanical Eng.) in the college have been reserved for candidates deputed by the Govt. of C.P. and Berar from 1945-46. ~~in the college. It is presumed that the two seats now asked for are in addition to those seats. This Govt. agree to two additional seats being reserved for C.P. and Berar students in the Eng. College at Vizagapatam (temporarily located at Cocanada), the reservation being subject to the conditions under which two seats have already been reserved in this Govt's Proceedings No. 965 Edn dt 28.6.45 — (copy encl. The presumption may however be confirmed.~~

It is regretted that addl. seats cannot be reserved for such candidates in view of the rush of applications for admissions from students of this Province.

Orissa.

The Orissa Govt. require 12 seats in the Teacher's College, Saidapet, for training candidates in Physical Education. No special physical training is given in the Teachers' College, Saidapet. Apparently

that ~~Orissa~~ Govt. want these candidates to be trained in the Y.M.C.A. College, Saidapet. As stated above, the latter college is a private institution and there may not be any difficulty in the matter of admission to that college. The Orissa Govt. may be requested to apply to the Principal, Y.M.C.A. College, direct. A statement showing the fees and other charges levied in the institution is enclosed.

Two teachers may be deputed to the Teachers' College, Saidapet, in July 1947 for training in "Method of English". They will be charged fees at Rs. 160/- per annum (fees payable in advance) They will have to meet their hostel charges and other expenses.

p 3 cf

Rule 115 of the [illegible] Bk. 151

p 5 NF

The Orissa Govt. also require 4 seats in the Madras University (2 for M.Sc., in Chemistry and two for M.Sc., in Mathematics). M.Sc., in Chemistry and in Mathematics are research degrees. There is no provision ~~for these researches~~ in the Colleges under Govt. for such research. ~~The Madras Unty. alone provides facilities for such research.~~ Research facilities are provided only by the University in this Province. The Orissa Govt. may therefore be requested to address the Regr. of the University concerned. direct in the matter.

p 2 NF

Ajmer and Merwara

The Ajmer-Merwara Govt. request that certain number of seats ~~(unspecified)~~ may be reserved for training of teachers in Physical Education. That Govt. may be requested to address the Principal, of the Y.M.C.A. college, Saidapet, direct.

Coorg.

The requirements of the Coorg Govt. are as follows:-

Names of the Institution: in which seats are required.	No. of seats required.	Remarks.
a) Madras University.	25	15 seats for boys and 10 for girls ~~in the Arts~~ in the Intermediate in Arts.
b) -do-	15	10 seats for boys and 5 for girls in Arts B.A.
c) -do-	40	30 seats for boys and 10 seats for girls in Science(Intermediate).

e) -do-	4	Course of study in Engineering.
f) -do-	4	Course of study in Teaching.
g) -do-	4	Course of study in Technology.
h) -do-	4	Course of study in Law.

(a) (b) (c) & (d)

In recent years there has been an enormous rush of students belonging to this province for admission into the Arts Colleges and in spite of the best efforts it has not been possible to secure admission for ~~all~~ a good number of these students. This Govt., therefore,

P.T.O.

regret that it is not possible to reserve any seats for outside students in Govt. Arts Colleges. There are a number of private colleges in this Presidency and the Coorg Adm. may be requested to arrange with the authorities of those colleges for the admission of students belonging to Coorg.

p 3 NF

(e) In 1944 one seat was reserved for Coorg in the Engg. College, Guindy. As a result of representations received from the Coorg Adm., the Govt. ~~have~~ reserved another seat for Coorg students in the Arthur Hope College of Technology from 1947-8. The Govt. regret that it is not possible to ~~do anything further in the matter~~ go beyond that at present.

Inter-Provincial arrangements regarding education and training.

*****

p 1 of Letter No: 15586 P.W.R. A-1 Fin (P.W.R) 21. 3. 46. (2)

In a letter dated 25.2.1946, the Govt. of India, Dept. of Planning and Devt., raised the question of Inter-Provincial arrangements regarding education and training and a reply was sent to them as on pages 31-32 c.f. of Letter No. 15586 P.W. R.(Fin), d. 21.3.1946. In that letter the Govt. of India were informed that where candidates from outside the Province were admitted to Govt. educational institutions, the Govt. concerned should bear an appropriate portion of the net cost of running the institutions. A

2 In the letter in the c.f. the Govt. of India, Dept. of Edn., has sent a list of the requirements of the different provinces in the matter of admissions into colleges under the Edn. dept. They have not, however, made any comments on the proposal referred to at A above.

3 The requirements of the different provinces are examined below : --

p 3 c.f.

(1) Central Provinces and Berar.

	Name of the institution in which seats are required.	No. of seats required.	Remarks.
(a)	Y.M.C.A. College of Physical Education, Saidapet.	3	One graduate and two undergraduate women teachers.
(b)	College of Engineering, Guindy.	2	..

(a) above. The Y.M.C.A. College of Physical Education, Saidapet, is a private institution getting grant-in-aid from Govt. It is intended for men only, and women are not admitted into it. There is a physical training class for women at Saidapet maintained by Govt. The course is for ten months. Both graduates and undergraduates are admitted to this class. Graduates are given a certificate called " Certificate of successful completion of a course of physical training under

Woman Specialist in Physical Education", and undergraduates are given a certificate called "The Government Diploma in Physical Education for Women." It may be possible to admit three students from C.P. and Berar to this class. The D.P.I. may be consulted about this, and the fees to be charged. ~~in these cases~~.

(b) above.

Two seats (one for Electrical and one for Mechanical engineering) have been reserved for candidates deputed by the Govt. of C.P. and Berar from 1945-1946. The two seats now asked for ~~is~~ are apparently in addition to those two seats. The D.P. I may first be consulted.

(c) Madras University	2	Course of study -M.Sc in Chemistry.
(d) -do-	2	Course of study M.A. ~~or~~ M.Sc.in Mathematics.

(a) above.

No special physical training is given in the Teachers' College, Saidapet. Apparently the Orissa Govt. want their candidates to be trained in the Y.M.C.A.College of Physical Education, Saidapet.

As stated already it is a private college and there may not be any difficulty in the matter of admission there. The D.P.I. may however be consulted.

(b) above.

The D.P.I. may be consulted.

(c) and (d) above.

M.Sc. in Chemistry and in Mathematics are research degrees, and there is no provision in Govt. colleges for such research. The University alone provides facilities for such research and the Orissa Govt. will have to address the University direct in the matter. ~~The D.P.I. may however be consulted.~~ Govt of India may be informed accordingly

(f) do.	4	Course of study in Teaching.
(g) do.	4	Course of study in Technology.
(h) do.	4	Course of study in Law.

(a) (b) (c) and (d). In recent years there has been an enormous rush of students belonging to this province for admission into the Arts Courses, and in spite of the best efforts of the Govt. it has not been possible to secure admission for ~~a large number of~~ all these students. It may not be possible to reserve any seats for outside students in Govt. Arts colleges. There are a number of private ~~scholarships~~ colleges and it is open to the Coorg Administration to arrange with the authorities of these colleges to admit their students. ~~For orders~~

1. Central Provinces and Berar:

(a) The three students may be deputed to the Physical Education course conducted by the Woman Specialist in Physical Education in July 1947. The fees and other expenses for the course for 10 months will be Rs.700/- (full details are enclosed).

(b) College of Engineering Guindy: So far 20 seats are reserved already for States and other Provinces and it may not be possible to increase the present strength of 124 seats in the College. I suggest that the additional seats asked for may be reserved in the Engineering College, Vizagapatam, now at Cocanada.

2. Orissa:

(a) The 12 students can be admitted into the Y.M.C.A. College of Physical Education, Saidapet, for the next session commencing from July 1947. The Principal states that students are taken in the following order: first for Diploma, then for Higher grade and then, if seats are available, for the lower grade. A statement showing the fees and other charges levied in the institution is enclosed.

(b) The two teachers may be deputed to the Teachers' College, Saidapet, in July 1947.

3. Ajmer - Merwara:

All the candidates from this state can be admitted into the Y.M.C.A. College of Physical Education, Saidapet.

4. Coorg:

(f) It may be pointed out that with effect from the current year, the medium of instruction in secondary schools in all non-language subjects is the regional language of the locality. Consequently Tamil will be the medium in the Teachers' College, Saidapet, and Telugu in the Training College, Rajahmundry. The admission of Coorg students into either of these Colleges will not be profitable to them as they cannot get any teaching practice in Kannada in the model classes attached to the Training Colleges. Proposals for the opening of a Training College in Mangalore for the benefit of the Kannada students have been submitted to Government as a Part II Scheme and, if the opening of the College is sanctioned by Government, it may be poss[illegible]it the students from Coorg into that College.

Director of Public Instruction,
Madras.

Pl see the v.o. reply from the DPI on pp 4-5 ante. The following further remarks are called for:-

'A' on p 4 ante. - Reservation of seats in the Engg. College, Vizagapatam at Cocanada for students from C.P and Berar.

A statement showing the number of seats in each Engg. College and the number of seats allowed for outside students is put up at ⓨ. It will be seen from the Statement that the Students from C.P and Berar are now allotted 2 seats ~~ever~~ every year in the College of Engg. Guindy. They now require 2 more ~~addl~~ seats. Since allotting 2 seats for the Students from C.P. & Berar in the College of Engg. Guindy, the Govt. have opened three more Engg. Colleges. one at Coimbatore, ~~two other~~ another at Vizagapatam, temporarily located at Cocanada and the third one for the Ceded Dts temporarily located at Guindy. The number of seats in each of these colleges are 81, 105 and 65 respectively. With ref. to a recent representation from the Orissa Govt. this Govt. have agreed to reserve one more seat for their Students in the A.H. College of Technology, Coimbatore in addition to the 2 seats already allotted for them in the College of Engg. Guindy. Pl. see, in this Connection, Secy's note at 'P' on p4 NF of Ⓚ. The decision to reserve one more seat for Orissa was taken on the strength of the 75 seats then available in the Coimbatore Engg. College. The strength of this college has since been raised to 81 excluding the 3 seats allotted for Coorg, Orissa and Pudukottah. With the opening of the new Engg. colleges in Andhra-desa, the total extra seats available are 176 (six extra in Coimbatore, 105 in Cocanada and 65 in the Ceded Dts college). In the present Circumstances, it seems reasonable to allow 2 more seats for the Students from C.P. & Berar. The addl. seats may be reserved in the Vizag. College as recommended by the DPI.

'B' on p 5 ante. Opening of a Trg. College in Mangalore.

It has since been decided that the proposal to open a Trg. College at Mangalore should be deferred. It will not, therefore, be profitable for Coorg students to undergo trg. in any of the Govt. Trg. Colleges in this Presidency.

It has since been proposed that a Training College should be opened at Mangalore for Kannada LTs. So far as the request of C.P.& Berar is concerned we cannot afford to give more than the two additional seats already allotted in the Engineering College in view of the rush of applications for admission in our own Presidency.

A

As regards Orissa, we may agree to give two seats in the Y.M.C.A. and two seats in the Teachers College. For the seats in the research section of the University, they

B

---

may be asked to refer to the Registrar of the University.

C

The request of Ajmer and Merwara cannot be dealt with now, as they have not said what number of seats they want. Besides in view of the rush they may be said that no seats are available here.

D

As regards Coorg, the number is so large that we cannot afford to give them any seats except perhaps two seats in the Law College.

The draft letter has been amended suitably.

p 1 ante

B above

As stated already the Y.M.C.A. college Saidapet, is a private college. The Govt. have not issued any orders regulating admission to the College. The Principal can admit anybody he wants. As such, it does not seem necessary to restrict the seats to two as ordered by the H.M. If the Orissa Govt. want 12 seats in the college, it may be left to that Govt to settle the matter with the Principal. In fact candidates have not been forthcoming for all the seats available in the College and many seats had to be left vacant. For orders whether the draft put up ~~may~~ will be approved.

In the draft letter put up the ~~Coorg Govt.~~ Govt. of India is being informed that it is not possible to reserve any seats for Coorg students in Govt. colleges over and above what has already been done, that the Coorg Govt. may arrange with private colleges to admit their students and that there will be no difficulty to admit 4 students in the Law College, Madras. The H.M. has however minuted that two seats

be given to Coorg students in the Law College. It is a well known fact that there will not be any difficulty in getting admission into the Law College and any number of Coorg students can get into this college if they possess the necessary academic qualifications. In this view there is no need to restrict the admission to two. For orders whether the draft ~~may go as it is~~ requires any amendment.
