Please see the Legislative Assembly
Question no. 892 (stamped) on page 1 of.

2. The question of Constructing new
buildings for the Government Islamiyah High
School, Trichinopoly has been under con-
sideration since 1928. site after site selected
for the purpose has had to be rejected on
grounds of its unsuitability for some reason
or other. Finally a site measuring about
6.70 acres, was selected for the construction of
buildings and for the provision of a playground
for the school. In 1946 P.W.D. on 30.11.46
P.T.O.

6688-89 of Y
in future file

The Government approved an expenditure of Rs. 274001.
on the acquisition of the land.

3. As it was considered ~~to~~ better to have
a site other than the one referred to above, a Committee
was appointed by H.M. En. to go round the city and
select a suitable site for the school. They have
recommended that ~~in view of the shifting of the~~
Govt. Headquarters' Hospital, Trichinopoly, will be shifted
to the new buildings under construction, ~~the existing~~
hospital buildings may be utilised for the school
and that ~~they~~ will be eminently suitable as ~~is~~
they are situated amidst Muslim quarters.
The S. B. who has ^{been} consulted in the matter has
no objection ~~to~~ ^{to the proposal} to utilise the buildings for the
school when the hospital is removed to the
new buildings. No amount has so far been
sanctioned towards the construction of buildings
and but the D.P.O. has been asked to get
ready plans and estimates. In the circumstances,
there is no necessity to construct new buildings
for the school.

4. A draft answer is subm. with 
for approval.

25/1/47 S 27/1/47

Construction of a new building for Government Islamiah
High School, Trichinopoly.

* 154 Q.—BEGUM SULTAN MIR AMIRUDDIN: Will the Hon.
the Minister for Education be pleased to state—

(a) what progress has been made with regard to the erection
of suitable building for the Islamiah High School, Trichinopoly;

(b) the amount sanctioned by the Government for the con-
struction of a new building for that school; and

(c) when the building for the above high school is expected
to be ready?

THE HON. SRI T. S. AVINASHILINGAM CHETTIYAR:—

"(a) It is proposed to utilize the existing buildings of the
Government Headquarters Hospital, Trichinopoly, for the
Government Islamiah High School, as soon as the hospital

6

[14th February 1947

is removed to the new buildings under construction. It is not therefore proposed to proceed with the scheme for the acquisition of a site and construction of buildings thereon.

"(b) & (c) Do not arise."

BEGUM SULTAN MIR AMIRUDDIN:—"May I ask when the scheme is likely to take effect? The use of the words 'as soon as' in the answer is very vague."

THE HON. SRI T. S. AVINASHILINGAM CHETTIYAR:—"When this answer was drafted, it was thought the department might be able to give this building; but there is some difficulty now raised by the Surgeon-General. The Government, therefore, is unable to give a more definite answer in the matter."

BEGUM SULTAN MIR AMIRUDDIN:—"May I know, where the hospital is to be located?"

THE HON. SRI T. S. AVINASHILINGAM CHETTIYAR:—"A grand new building is being constructed for the hospital."

BEGUM SULTAN MIR AMIRUDDIN:—"May I know, when that building will be ready for the hospital?"

THE HON. SRI T. S. AVINASHILINGAM CHETTIYAR:—"It is more than I can say."

BEGUM SULTAN MIR AMIRUDDIN:—"May I ask, whether it is not the policy of the Government, not to construct new buildings?"

THE HON. SRI T. S. AVINASHILINGAM CHETTIYAR:—"No, Sir. I think we are, at a furious rate, putting up many buildings."

BEGUM SULTAN MIR AMIRUDDIN:—"May I ask whether it is likely that this building for the Islamiyah High School, will come up this year?"

THE HON. SRI T. S. AVINASHILINGAM CHETTIYAR:—"I am afraid that is more than I can say."

7 (11)

Please see the printed copy of the questions and answers on pp 5-6 ante. no further action seems called for. The papers may be Recorded.
