From (Name) Dr. S.R.U. Savor, M.A., D.Sc., I.E.S.,

(Designation) Director of Public Instruction

To The Secretary to the Government of Madras,

EDUCATION & PUBLIC HEALTH Department.

Sir,

In G.O.No. 652 Edn., dated 26th April 1945, Government sanctioned the employment of additional clerks in seven Sub Assistant Inspectresses Offices which had 100 or more schools each under their control. As the Inspectress of Girls Schools represented the need for additional clerks in the offices of other Sub Assistant Inspectresses I examined the position with reference to the present number of schools in each range.

2. According to the latest statistics the following Sub Assistant Inspectresses have 90 or more schools each under their control.-

	Sub Assistant Inspectresses	No.of schools
I Circle	(1) Rajahmundry	101
	(2) Ellore	93

P.T.O.

VI Circle (11) Calicut 90
(12) Kanara 93 X
VII Circle (13) Srivilliputhur 95 X

As stated by me previously I am of the opinion that an additional clerk is necessary in offices which have 90 and more schools under their control.

3. As the Sub Assistant Inspectresses, Cannanore and Kurumbranad Girls' Ranges for whose offices additional clerks were sanctioned in the above G.O. are at present having 85 and 83 schools respectively under their control the posts of additional clerks will be transferred to the offices of the Sub Assistant Inspectresses, Kanara and Trichinopoly (North) Girls' Ranges which are now having 93 and 94 schools -- respectively under their control. Similarly a clerk sanctioned for Madura Girls' Range Office which is at present having only 69 schools under its control has been transferred to Srivilliputhur Girls' Range having 95 schools at present. I request that the transfer of posts may be approved.

4. On the basis of one additional clerk for each ~~office~~ Office of the Sub Assistant Inspectresses having 90 schools or more there is a definite need for additional clerks in the 13 offices mentioned in Para 2 above. In as much as seven clerks have already been sanctioned by Government, I request that Government may be pleased to sanction six more clerks for the following offices:-

Offices of the Sub Assistant Inspectresses of
(1) Ellore 93
(2) Tanuku 97
(3) Masulipatam 97
(4) Tenali 100
(5) Tanjore - East 100

Sir,

Sub: Inspection - Office of the Sub-Assistant Inspectress of Schools - Employment of an additional peon.

57328

In connection with the Part II Scheme for 1947-48, I have the honour to submit for the consideration of Government a proposal for the employment of an additional peon in each of the offices of the Sub-Assistant Inspectress of Schools.

2. At present each of the Sub-Assistant Inspectress of Schools is provided only with one peon. Till 1932 there were 2 clerks and 2 peons in each of the offices and as a measure of retrenchment one of the clerks' posts was abolished and one of the posts of peons was converted into that of an Attender. All the Inspectresses of Girls' Schools have pointed out the necessity of having a second peon in the offices of the Sub-Assistant Inspectresses. The main reasons are:-

- (a) when the only peon is taken on camp, the office is left without a peon and thereby much inconvenience is caused in the proper working of the office.
- (b) Encashment of bills is delayed in the absence of a peon, especially when the peon has to call at the treasury on many a time to get the bills passed for payment.
- (c) Wider jurisdiction of the Sub-Assistant Inspectresses which entails longer halts than in the case of Senior Deputy Inspectors.
- (d) Inability of the Sub-Assistant Inspectresses to go without a peon even when visiting or inspecting schools nearby.
- (e) When the only peon is indisposed or falls sick great dislocation in the inspection work and the proper conduct of office work is caused.
- (f) Woman clerks in the Sub-Assistant Inspectresses' Office cannot run about to the treasury or take papers to or from Sub-Assistant Inspectresses' houses as peons are expected to do.
- (g) Most Senior Deputy Inspectors have Junior Deputy Inspectors attached to them. When Senior Deputy Inspectors are in camp, very often the Junior Deputy Inspectors and their peon will be in the Office. This is not so in the case of Sub-Assistant Inspectresses.

3. In the circumstances stated I consider that another peon is necessary in each of the offices of the 55 Sub-Assistant Inspectresses and I request that Government may be pleased to sanction their employment with effect from 1-5-47.

P.T.O.

4. The extra cost in 1947-48 involved in the proposal will be 55 x 12 x 10 .. Rs. 6600, and the ultimate cost - Average pay of 25 peons is 55 x 12 x 1407 i.e. 9702.

5. I am including the necessary provision in Part II of the Budget Estimate for 1947-48.

(This scheme has been approved by both the Hon. Minister for Education and the Hon. Prime Minister. As the file was received back from the H.P.M. only on 5-1-1947, the scheme could not be included in the original list of Part II Schemes).

There are 55 Sub-Assistant Inspectresses of girls' Ele. schools in the Presidency. Before 1932, the establishment of a Sub-Assistant Inspectress consisted of 2 clerks and 2 peons. In the general retrenchment of that year, it was reduced to 1 clerk, 1 attender and 1 peon. In 1944, the proposal of the Director of Public Instruction that an additional clerk might be appointed from June 1945, in 7 Sub-Asst. Inspectresses' ranges, each having within its jurisdiction 100 schools and above, was approved.

The Director has now recommended the employment of an additional clerk in each of 6 other ranges which have 90 schools and more. Even in 1943/44, he brought to notice the need for an additional clerk in ranges having this number of schools, since work in those offices also was too heavy for a single clerk; he, however, restricted his proposal to the 7 ranges referred to, in order only to keep down expenditure. As the need for an additional clerk in offices each having under its control 90 schools and more was already admitted, this Department recommend the acceptance of the present proposal.

Inspection - Offices of the Sub-Asst. Inspectresses
of Schools - Proposal to employ addl. clerks and
peons.

There are now 55 Sub-Asst. Inspectresses

of Girls' ele. schools in the Presy. Before 1932, the estt. of
each S.A.I. consisted of 2 clerks and 2 peons. In the general
retrenchment of that year, ~~the estt.~~ was reduced to 1 clerk,
1 attender and 1 peon.

In 1943, the D.P.I. reported that the
no. of schds in 27 of the S.A.Is.' Ranges was 90 or more,
that the work in those ranges was too heavy for a single clerk
and that therefore there was need for the addn. of a clerk in
each office. But, as a measure of economy, he restricted his
proposal for the employment of the ^{all} clerk to 7 ranges having 100
schools and above, among the 27. Tho' the proposal was de-
ferred then, it was considered as a Part II Scheme for 1945-6
and sanctd.

In Jany. 1946, the Dir. brought to
notice that accg. to the latest figures 13 ranges ^{had} and 90 and
more schools. (Evidently, this reduction in the no. of ranges
having more schools was due to the enforcement of the Govt.'s
policy to discourage uneconomic and ill-working schools.) ^{The}
He proposed that the addl. clerk in 3 ranges, which had had 100
or more schools before, and the no. wherein since went down
below 90, might be transferred to 3 ranges having more than
90 schools. This recommendation was accepted. The Dir.
also proposed that in 6 (of the 13) ranges, which still had only
1 clerk each, an addl. clerk each might be sanctd. He was
asked to submit this proposal as a Part II Scheme for 1947-8.
He has accordingly renewed it now and, as the need for an
addl. clerk for ranges having more than 90 schools, has
already been admitted, this Dept. may support it.

2. The Dir. requests too that an
addl. peon may be employed in each of the 55 S.A.Is.' Offices
from 1-5-47. The several reasons given by him in support of
the request, (a) to (g) at p.3 C.F.) definitely point to the

necessity of having a second peon, without whom the work in the offices is likely naturally to suffer and the valuable time and energy of the superior staff (clerks, etc.) likely to be wasted on items of work inferior in quality, which can be done by peons. The subject of the employment of a peon in each of the Sub-Assistant Inspectresses' Offices and of an addl. clerk in each of the six offices having more than 90 schools, is to relieve the staff of the heavy strain under which they are working already.
