Office of the
Director of Public Instruction,
Madras, Dated 16-12-1946.

From,
Dr.S.R.U.Savoor, M.A., D.Sc., I.E.S.,
Director of Public Instruction, Madras.

The Secretary to Government,
Education and Public Health Department.

Sir,

Sub: College - Government College for muslim women, Royapettah -
Consolidation of the made-up earth and gravelling of the
ground - sanction of expenditure under "petty cons-
truction and repairs".

The Principal, Government College for Muslim women, Royapettah, has reported that at present facilities for playing games are not provided although games fees have been collected from the students, because no games courts can be laid on the exist- ing soft, loose soil in the compound. The ground to be utilised for games courts, measuring 260' x 210' (i.e. an area of 54,600 S.ft.) was originally a pond which was filled up by the Public Works Department about four years back by earth and rubbish. The ground has been recently levelled and it has to be made hard for the lay-out of games courts. It is therefore necessary to com- press and consolidate the made-up earth and gravel the surface 1 1/2" thick before the ground can be used for games courts. This work is an essential preliminary to the lay-out of games courts.

2. The college has joined the Womens' Inter-Collegiate sports. In the absence of ~~proper~~ proper games courts, the students are unable to have either the necessary practice or to play home matches. The need for these courts being therefore very urgent, The Chief Engineer was requested to take up the work. At his instance

instance the Executive Engineer, South Presidency Division has prepared and forwarded for countersignature an estimate for Rs.3010/- for carrying out the above work. An abstract of the estimate is given below:-

1. Rolling with 1½ ton Roller - consolidating top surface, spreading gravel 1½" thick and forming gravel surface for playground and spreading 1" thick sand - 546 units at Rs.4-40 a unit	Rs.2321
2. Removal of vegetation etc.	45
3. Unforeseen items and fluctuation in market rates	150
4. Contingencies and petty supervision charges	124
5. Centage charges (add 14%)	370

Total Rs.3,010

In view of the urgency of the work, I am countersigning and returning the estimate to the Executive Engineer with the request to put it on hand and complete it as early as possible.

3. In the circumstances explained above, I request that Government may be pleased to sanction an expenditure of Rs.3010/- (Rs. Three thousand and ten only) on the execution of the work in question and to approve the action already taken in the matter. The expenditure which is a post-war item, is debitabale to the head "37(b) C.6. - Other contingencies". At present I have no funds to meet the expenditure. I may therefore be permitted to incur the expenditure and to apply for the necessary additional funds in due course.

ROC.5867-42/46.

OFFICE OF THE
 DIRECTOR OF PUBLIC INSTRUCTION,
 Madras, dated 17-10-47.

From
 Dr. S.R.U. Savoor, M.A., D.Sc., I.E.S.,
 Director of Public Instruction, Madras.

To
 The Secretary to Government,
 Education and Public Health Department, MADRAS.

Sir,
 Sub: College - Government College for Muslim Women, Madras -
 Expenditure on consolidating the earth and gravelling the
 playground. - Provision of funds.
 Ref: G.O. Ms.No.86 Edn, dated 20-1-47.

23 OCT 1947
 121034

In their order cited above the Government sanctioned an expenditure not
 exceeding Rs.3,010/- (Rs. Three thousand and ten only) on the work of conso-
 lidating and gravelling the playground of the Government College for Muslim
 women, Madras. The expenditure was not incurred during the last year (1946-47)
 as the work was not completed. The work has since been finished but there
 is no provision for this expenditure in the current years' budget. I
 therefore request that Government may kindly permit me to incur the necessary
 expenditure on the above work and apply for additional funds in due course.
