Not put up

I have the honour to state that, under rule 10 (e) of the prospectus of the School of Indian Medicine, as amended in G.O. No.2590, Public Health, dated 21st August 1942, the latest date for the payment of fees for the April Examination are 1st February without fine and 8th February with a penal fee of Rupee One. These dates were incorporated, as usual, in the notice published in the Fort St. George Gazette on 21st January 1947 in connection with the April 1947 examinations.

2. Sri S. Govindaswami Mudaliar, a Member of the Board of Examinations in Indian Medicine wrote to me on 20th February 1947 stating that he intended to appear for the H.P.I.M., (High Proficiency in Indian Medicine) test to be held in April 1947 and that he did not pay the fees for the same within the prescribed date, as he was under the impression that the examinations will be postponed owing to the recent students' strike in the school. He requested that he may be permitted to pay the fees for the ensuing examinations. In the circumstances stated by him, I have permitted him to pay the fees with penalty immediately, in anticipation of Government approval.

Not put up I have also granted a similar permission to Sri R.B. Katilkar, (Ex-Airman R.I.A.F.), whose petition was transferred to me in Government Endorsement No.2255/47-2-A2 dated 17th February 1947.

I request that my action may be kindly approved.

4/3 3. The Commissioner for Government Examinations, Madras, has been given similar permission to extend the time for the submission of applications in the case of deserving groups of students for all the technical examinations, under his control, in G.O.No.MS.2124-Education., dated 10th October 1934. Similar power may be vested in me in respect of the examinations of the Government School of Indian Medicine as well.
